School Description

Golden Empire Elementary School

The Soaring Golden Eagles!

Our Mission:

Learn. Grow. Lead.

Our Vision:

We believe in educating the whole student and emphasizing high academic standards, quality teaching, strong relationships, collaboration, acceptance, and respect. We believe in preparing students to be active and involved citizens who work to improve themselves and their community. Our school is a place of curiosity, enthusiasm, and safety where students can learn in a caring, dynamic environment.

About Our School

Nestled in the Rosemont Community, Golden Empire is one of the “best kept secrets” amongst Sacramento schools. The school has built its reputation on excellence in learning through parent and community involvement and highly experienced and skilled teachers and staff. Golden Empire Elementary achieved a growth score of 847 on the 2013 Academic Performance Index (API) and a CDE achievement rating of 10 out of 10 for like schools. We are proud of our school-wide awards. We were awarded the California Businesses for Education Excellence Award for years 2012--2017. In 2008, Golden Empire was selected as a United States Blue Ribbon Award School, 1 of 35 schools selected in the state of California, 1 of 2 schools in Sacramento County. We were again selected for this award for 2010. We were also selected as 1 of 13 schools in the nation for the prestigious 2009 National Center for Urban School Transformation's Excellence in Education award. The school was also granted the “California Distinguished School Award” in 2008 and the “Title I Achieving School” award by the California State Department of Education in 2004, 2007, 2008, 2009, and again in 2010. Named an “Exemplary School” by the Sacramento City Unified School District, Golden Empire is proud of its many schoolwide academic awards and accomplishments.

The educational program at Golden Empire stresses incremental learning, collaborative learning, practice time for skill development, interventions for students needing academic review, and extended day for identified students. We have fully implemented the Leader In Me Social-Emotional Learning program, focusing on developing all students as leaders. Our GATE cluster program provides increased academic rigor and pacing to our high achieving and GATE students. Added-value curriculum includes PE, Library, and Computer Media Center programs, featuring the iReady and iXL diagnostic programs focusing on English-Language Arts and Math California Common Core Standards. Our band program teaches 4th-6th grade students instrumental music taught by a credentialed music teacher. Our OSEP (On-Site Enrichment Program) provides after-school enrichment programs for students in grades 2-6. We are proud of our 4H Garden Club, composed of students in grades 2-6, who maintain our school garden and earn badges and pins for completing science and gardening projects. A credentialed coach coordinates our football and basketball teams. Our Color Guard draws students in grades 4-6. Also, we are extremely proud of our preschool program, serving 20 three- and four- year old students.

Our active Parent Teacher Organization (PTO) provides assemblies, parent nights, fun and successful community fundraisers, a carnival and numerous evening programs which encourage student and parent involvement. There are other opportunities for parent involvement, especially in the School Site Council (SSC) and our English Language Advisory Committee (ELAC).

Our 4th R and ASES programs offer on-site day care for busy families. Students have vision, hearing, and dental checks during the year.

An outstanding website (goldenempire.scusd.edu), weekly emails and a monthly family newsletter keep everyone up-to-date on school activities. Students receive attendance, good citizen, and honor roll awards each trimester at our Awards Ceremonies.

Golden Empire offers students a “Golden Opportunity” for achievement, and a safe, nurturing, and accepting environment for all. Come soar with us at Golden Empire Elementary!

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The district instructional material evaluation committee, consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community, ensures that the selected textbooks, technology-based materials and other educational materials effectively support the district's adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

School Facility Conditions and Planned Improvements (Most Recent Year)

Golden Empire Elementary School, built in 1977, received Facility Inspection Tool (FIT) overall repair rating score of "good" from its most recent facility inspection in June 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district's 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district's wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA	48	54	40	43	50	50
Math	40	40	32	32	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

There are many opportunities for parent involvement at Golden Empire:

Volunteers in classrooms are always welcomed.

Committee work to plan special events is ongoing.

Parents plan and participate in fundraisers throughout the year.

The Library Media Center offers many opportunities for parental involvement.

Parents providing classroom tutoring is always encouraged.

Many families enjoy participating in events such as the annual Jog-A-Thon, December Handmade Holiday Night, Pancake Breakfast, and monthly parent nights.

The PTO offers many parent involvement activities.

The School Site Council sets policy and plans the budget for the school.

Parents are encouraged to run for a position on the School Site Council and/or the English Learner Advisory Council (ELAC), which plans and budgets for our English Learners.

Golden Empire welcomes all families and community members and encourages participation!

For more information, contact Dr. Irene Eister, Principal, at 916.395.4580.

Professional Development provided for Teachers

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Relevant Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. Golden Empire Elementary School and district supplemental programs and services include:

- Class Size Reduction
- Tutoring
- Supplemental instructional materials and books
- Extended Day/Year/ Summer school
- Enrichment programs
- Access to technology
- AVID/MESA
- Parent Education/Family Nights
- Social Services (Healthy Start)
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Counseling (academic and career)
- Gifted and Talented Education (GATE)
- Special Education
- Professional Development
- Support Staff, such as nurses, instructional assistants, parent advisors, and counselors
- Supplemental Education Services
- School Choice

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
