School Description

Located amongst the mountaintops of the Santa Clarita Valley, Mountainview Elementary School, home to approximately 860 students and a staff of about 100 adults, embraces high academic and behavior expectations which are taught, encouraged, and recognized alongside a civic learning focus. We encourage our students to achieve their personal best as revealed in our school's Civic Learning and Leadership focus. Focusing on both academic and social areas for success, our focus incorporates such powerful components as peer tutoring, buddy classes, a student run valet, student run game table, student service, sixth grade leadership, peer mentoring, library assistants and a "Circle of Friends" inclusion program throughout a student's day. Within each of these subprograms, students and teachers provide service to other peers and classrooms in addition to supporting and facilitating the community spirit Mountainview hopes to exemplify. In the classroom, teachers provide whole group lessons, small group English Language Development lessons, small group intervention for those in need, as well as extension opportunities for those working at and above grade level. This differentiation meets students at their current instructional level and continues to set high expectations for students to reach or exceed the standard. Parents are encouraged and welcomed as classroom volunteers, presenters at our school-wide Career Day, field trip chaperones, Junior Achievement instructors, School Site Council representatives and active members of our PTA. A strong bond is nurtured between student, staff and parent community evidenced by the relationships observed in the classroom, out of the classroom and within the community at large. Integrating these together encourages all students to engage actively in the school, build positive relationships, and apply this learning to social responsibility within our school and community.

Our Vision: Developing the Hearts and Minds of Every Child

Our Values: Integrity~Commitment~Compassion~Learning~Creativity~Innovation

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment where learning takes place. Students participate in character-building programs which help instill a sense of pride in our campus while reinforcing environmental responsibility. Playground supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in monthly fire and earthquake drills to ensure preparedness in the event of an emergency. Our school provides supplies for the students to use during a disaster.

The district-operated parent-supported childcare program on campus provides reasonably priced, safe, supervised before and after school care

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	72	74	65	66	50	50
Math	59	58	53	56	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	11.1	25.9	51.9

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Mountainview parents and community members serve as Site Council leaders, active PTA members, and volunteers in and out of the classroom. Our School Site Council monitors all school programs, student safety, and the school budget. Parent input is received via annual surveys and through feedback after specific events. PTA partners with us to enhance the curriculum through providing specialized instructors in our music and arts programs, and off campus curricular opportunities. PTA also helps our Student Service Leaders coordinate community service. Parent workshops are provided to help parents learn how to best support their children and to build strong home to school communication.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Mountainview Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Mountainview's Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

Mountainview Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Since 1988, California has sought to provide intensive learning experiences for beginning teachers. To provide an effective transition into the teaching career for first-year and second-year teachers, several programs have been developed statewide and are in use in our district. The Beginning Teacher Induction Program extends individual training and support in the practice of teaching. Additionally, we have a Peer Assistance and Review (PAR) program to extend assistance and support to credentialed teachers newly hired who may need support transitioning into our school district.

Professional growth activities are planned annually based on current needs and input received from staff. This year the teachers' work calendar includes two professional development days that focus on continued implementing of benchmarks and ongoing progress monitoring with the online components of our English Language Arts curriculum, Next Gen Math for our mathematics program and Next Generation Science Standards (NGSS). Additional opportunities have also been provided regarding technology integration with our interactive flat panels (IFP), Special Education needs, Teachers on Special Assignment (TOSA) workshops, and planning time within grade level teams to implement the State Standards. Staff development during Tuesday staff meetings primarily focuses on continued implementation of effective instructional strategies, and continued lesson development to help students master state standards in English Language Arts (ELA) and mathematics. We continue to implement 30 minutes of designated ELD instruction daily as well as integrated support for ELD students during other content instruction, provide Intervention for struggling students in core content areas, and to target listening and speaking standards. Collaborative Planning time continues to be made available by early release days on designated Wednesdays and 3 full days of planning throughout the school year allowing teachers the time to plan together within and across grade levels focused on increasing student achievement.
