### Principal's Message

Welcome to Landers Elementary School! This school accountability report provides parents and community members with information about our school's achievement, resources, students, and staff. Since cooperation between home and school unity are keys to student success, we hope that you will gain a better understanding of our school through the information provided. We encourage all community members to visit and become familiar with our little school that "can"!

Hard-working staff are both skilled and dedicated to our students' success. We are fortunate to have many experienced and knowledgeable staff members that are eager to make a difference in our students. We believe in a student-centered approach to learning, fostering an atmosphere in which a child's social, emotional, and intellectual needs are equally important. All students have special needs and talents and are given equal opportunities to explore and develop them. Each one of our students is cherished for the individual they may become.

Landers Elementary School is committed to providing the best educational program possible for our students. We are dedicated to ensuring that Landers Elementary School is a welcoming, stimulating environment where students are actively involved in learning academics as well as formulating goals for their future. Through hard work and the unity of school and community, our students will be challenged to reach their maximum potential. We CAN achieve success for all students.

### District & School Profiles

#### Morongo Unified School District

Morongo Unified School District currently services 8,515 students in grades TK-12 residing in the communities of Morongo, Yucca Valley, Joshua Tree, and Twentynine Palms. The district currently operates 11 elementary schools, 2 middle schools, 2 high schools, 1 continuation high school, 2 state preschool programs, 3 transitional kindergarten programs, 3 alternative education programs, and a special education preschool program. The student population is comprised of 16.1% receiving special education services, 4.6% qualifying for English learner support, and 68.8% socioeconomically disadvantaged.

#### Landers Elementary

Landers Elementary is located in the northern region of the Morongo Basin in the town of Landers, which is approximately 14 miles north of Yucca Valley's town center. During the 2018-2019 school year, 143 students in grades K-6 were enrolled. The demographic composition of student enrollment includes 13.6% receiving special education services, 6.7% qualifying for English learner support, and 92.3% enrolled in the Free and Reduced Price Meal program.

Landers Elementary's staff acknowledges many of the challenges facing the families in its community and works hard to overcome these obstacles. All school staff are committed to celebrating the uniqueness of each child and guiding each child to the fulfillment of his or her potential. Teachers work collaboratively to create a standards-based environment, emphasizing the development of reading, writing, and math skills.

## School Mission

The mission of Landers School is to provide a quality education for all students. We provide a strong foundation in basic skills. We share important values and beliefs, especially respect for self and others. We prepare students for responsible citizenship and a productive work-life. We instill a lifelong love of learning. We believe our goals can only be achieved through the shared efforts of the community, parents, and school.

## School Vision

Landers Elementary School's vision is to empower our students with the skills and the knowledge to develop self-worth and values that will enable them to become productive, responsible citizens who continue to pursue personal, academic, and social growth.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks used in the core curriculum throughout Morongo Unified School District are aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

In October 9, 2018 the Morongo Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. #19-004 which certifies as required by Education Code §60119 that (1) Morongo Unified School District has provided to each pupil, including English learners, a textbook or instructional materials, or both, to use in class and to take home, (2) "sufficient textbooks or instructional materials" means that all students who are enrolled in the same course within the Morongo Unified School District, have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. Morongo Unified School District provides all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the state's Common Core State Standard.

### School Facility Conditions and Planned Improvements (Most Recent Year)

#### School Inspections

Landers Elementary works closely with the Maintenance & Operations Department (M&O) for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Landers Elementary took place on June 25, 2019. Schools are required by state law to report the condition of their facilities; the School Inspection table illustrated below in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2018-19 school year, 100% of student restrooms were fully operational and available for student use at all times.

#### Facilities Maintenance

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers and staff submit requests for unscheduled maintenance and special projects to the custodian or administrative assistant who submits a work order to M&O for resolution. Most of Landers Elementary's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists or third party vendors, depending upon the scope of the project. Emergency situations are immediately called in to M&O and resolved either by the school's custodial staff or district maintenance staff, based upon the nature of the situation.

One full-time day custodian and one part-time evening custodian are assigned to Landers Elementary and work closely with the principal for routine maintenance, daily custodial duties, and special events. The principal and senior custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the senior custodian inspects the campus facilities for safety hazards, graffiti, or other conditions that require removal prior to students and staff entering school grounds. The day custodians are responsible for cafeteria setup/cleanup, school activity setups, minor maintenance, outside grounds areas cleaning, sweeping sidewalks, security checks, and keeping restrooms clean and stocked. Restrooms are monitored and checked by the custodian frequently throughout the day as a proactive measure in eliminating vandalism and keeping facilities safe, sanitary, and stocked. The evening custodians are responsible for general cleaning of classrooms (including sanitizing desktops), restrooms, kitchen, and library. When students are on winter and summer break, custodians perform a thorough, detailed cleaning throughout the campus.

Custodians follow a rigid set of cleaning standards approved by the Morongo Unified School District. Each custodian receives both classroom and on-the-job training from the district's Director of Maintenance & Operations and the district's Custodial Supervisor. Senior custodians are responsible for monitoring school cleaning procedures and practices to ensure students are provided a clean, orderly, and safe learning environment every day.

#### Deferred Maintenance

Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	27	36	39	41	50	50
Math	18	30	26	27	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	35.7	7.1	21.4

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2019-20)

#### Parent Involvement

Parents are encouraged to get involved in Landers Elementary's learning community by volunteering their time, attending school events, or sharing in the decision-making process. Teachers welcome parent assistance in the classroom. In order for parents to volunteer they must have a current TB test and be fingerprinted. Parent involvement meetings are held monthly at the school site.

Parent representatives on the Site Base Management Committee (SBM) provide valuable input. These members are responsible for leading and evaluating the school's progress to provide a safe and effective learning environment. Parents seeking more information about becoming an active member in the school community may contact the principal, administrative assistant, or their child's teacher at (760) 364-2382.

Landers Elementary provides a broad range of activities and events to support the learning process in and beyond the classroom environment. Throughout the year, staff encourage parents to attend:

\* Art/Writing Fair \* Open House \* Back-to-School Night \* Educational Parent Nights \* Bingo for Books \* Reading/Math Night \* Hidden Talent Night \* Science Fair/STEAM Night \* Family Dances \* Social Studies Night \* Family Visitation Days (Muffins for Moms, Donuts for Dads, Grandparent's Lunch) \* Family Movie Nights \* Parent Conferences \* Community Auction

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan****School Site Safety Plan**

The Comprehensive School Site Safety Plan was developed for Landers Elementary in collaboration with local municipal agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abusereporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current school safety plan was reviewed and updated in May 2019, and shared with school staff in October 2019.

### Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	1	3	3

All curriculum and instructional improvement activities in Morongo Unified School District are aligned to the Common Core State Standards. Professional development concentrations are selected and identified based on analysis of student achievement, team development, and state/ federal standards.

During the 2017-2018 school year, staff participated in one non-student day of professional development, and seven minimum days. During the 2018-19 school year, staff participated in three non-student days of professional development, and five minimum days. During the 2019-2020 school year, staff will participate in three non-student days of professional development and five minimum days. Staff training topics are identified by the district office and modified by school administration based upon results from teacher surveys and analysis of student assessment results.

#### 2018-19 Staff Training Topics:

- Common Core Standards and Student engagement
- Student-Centered Teaching Strategies
- Data Analysis
- PLC - Professional Learning Communities
- Student Information Systems
- Technology
- Writing Across the Curriculum

Supplemental site-based staff development takes place throughout the year to support ongoing program implementation. Professional Learning Communities activities emphasized collaboration on common assessments.

Morongo Unified School District offers supplemental training and support for new and ongoing program implementation. In 2018-19, professional development opportunities included:

- Benchmark Data Training
- Common Core State Standards - Math
- English Language Arts Writing
- Illuminate Training - English Language Arts & Math
- Integrated Math
- School Safety
- Social Studies Training
- PBIS/MTSS

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The district's BTSA Program (Beginning Teacher Support and Assessment) is a state-approved program that offers additional support and assistance to newly credentialed teachers. To support veteran teachers as well as new teachers to the district, Morongo Unified School District offers Peer Assistance and Review (PAR). Experienced and knowledgeable veteran teachers provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Instructional assistants and paraprofessionals are occasionally provided specially-designed training by district special education specialists. Training activities generally address topics related to current instructional programs and effective teaching strategies to support current lessons.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools and courses offered by community colleges and universities. Classified support staff may receive training from district representatives through a job-alike format.

#### Types of Services Funded

In addition to general fund state funding, Morongo Unified School District receives state and

federal categorical funding for special programs. For the 2018-2019 school year, the District

received federal, state, and local aid for categorical, special education, and support programs,

including but not limited to:

- After School Learning & Safe Neighborhood

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
