School Description

Welcome to Solana Pacific School, home of the Sandpipers! Solana Pacific is one of seven schools in the Solana Beach School District. We rely on our mission statement along with our strategic plan to guide our educational efforts.

Solana Pacific is a fourth through sixth grade school and has a proud history of student success, which is a tribute to the extraordinary efforts of the teachers, support staff, parents, and our students.

Solana Pacific earned the California Distinguished Schools Award in 2014 and again in 2018. Our students and staff are committed to Sandpiper PRIDE (Personal Best, Responsible and Safe Citizens, Innovative Learners, Demonstrate Respect, and Encourage and Include Others)!

The mission of Solana Pacific is to provide child-centered education of the highest quality utilizing the resources of the school, home and community. We emphasize an integrated curriculum in a positive, safe environment. We are committed to developing compassionate children who are confident, competent, life-long learners.

School Emphases:

We want each child who attends Solana Pacific School to . . .

- Develop a life-long love of learning while developing leadership skills
- Participate in a variety of integrated learning experiences
- Become an avid reader, capable writer, and effective communicator
- Acquire effective study skills and learning strategies
- Utilize technology to enhance daily learning
- Learn to accept responsibility for his or her own actions and be kind to others
- Acquire increasing initiative for his/her own learning
- Grow in his or her ability to value and protect the environment

District Mission Statement

The mission of the Solana Beach School District is to provide a child-centered education of the highest quality, using the unique vision and resources of home, school, and community to ensure a stable and vibrant learning environment rigorous in academic standards, rich in diversity, sensitive to individuals, and committed to developing compassionate children who are confident, competent, and creative learners.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Solana Beach School District held a Public Hearing on September 12, 2019, and determined that each school within the district has sufficient and good quality textbooks, instructional materials, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All materials are available for parent examination at the school site or district office.

The table displays information collected about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Solana Pacific School provides a safe, clean environment for students, staff, and volunteers. Built in 2004, Solana Pacific is situated on 9.6 acres. The school buildings span 79,069 square feet, consisting of 32 permanent classrooms, a library, a staff room, a multi-purpose room, a computer lab, and a playground. In the fall of 2013, additional fencing and window coverings were added to enhance safety and security on school grounds. The facility strongly supports teaching and learning through its classroom and playground space. In 2017, a parking lot solar canopy array was added to the facility. The chart shows the results of the most recent school facilities inspection.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	88	85	85	85	50	50
Math	84	84	81	82	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	16.2	29.3	43.1

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Solana Pacific's Parent Teacher Organization and the Solana Beach Schools Foundation, provide substantial financial and volunteer support to our school, supporting programs such as STREAM (science, technology, research, engineering, art and mathematics), the school garden, physical education, clubs during the school day, and other enrichment opportunities. Many volunteer opportunities are available before, during, and after school with student enrichment opportunities, committee involvement and school community building events. School committees such as the PTO, SBSF, and ELAC always welcome new members. Our parents are important and valued members of our Solana Pacific School team.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Solana Pacific School at (858) 794-4500.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Student safety and campus security during the school day are of primary importance. Perimeter gates are kept locked during the school day, and all visitors must sign-in and out at the school's office and wear an identification badge while on school grounds. Surveillance cameras, which are not actively monitored, are installed in each ingress and egress area. Teachers, instructional aides, and administrators provide supervision before and after school, during lunch and during recess periods. Development of the Comprehensive Safe School Plan is a collaborative effort between school and district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment.

Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees including tactical information; safe and orderly school environment; school rules and procedures; hate crimes policies and procedures; and bully prevention policies and procedures. The school evaluates the plan annually and updates as needed. The plan was last updated and reviewed with school staff in Fall 2019.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	7	7

Staff members build teaching skills and concepts throughout the year by participating in conferences, workshops, and collaborative work. The Solana Beach School District offered one districtwide professional learning day at the start of the school 2019-20 year. Additional professional learning is offered throughout the school year. Teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.

The main focus of professional learning is on strategies to support student thinking and application of deeper learning around the California State Standards.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
