### **School Description**

Welcome to Rancho de la Nación, home of the Mighty Mustangs! We are a K – 6 school dedicated to providing an exceptional educational experience to the students and families of our community. Rancho de la Nación is located in National City, California, a diverse community south of San Diego. Students at Rancho de la Nación continue to make incremental growth year after year due to the hard work, dedication and commitment of our staff, students, and parents.

Rancho is committed to making every student feel safe and welcome in our school community. We do this through teaching and reminding students to Be Respectful, Be Responsible, Be Safe, and Be Kind. I am proud to be part of a school that values such a positive, inclusive culture that teaches, recognizes and supports students to be compassionate human beings.

Student achievement is of the highest priority at Rancho and we do this through rigorous lessons that are designed to help students master the Common Core State Standards. We work with all students to support them in achieving proficiency in the standards using specific strategies and holding all to high expectations. We believe students learn best through meaningful, engaging activities and we work to provide a rich learning environment in every classroom, every day.

Family engagement is a critical piece to student achievement and families are always welcome at Rancho. We encourage you to join our PTA, volunteer, and to participate in the number of family engagement activities we plan throughout the year. You are the key to your child's success. Together, as a team, we can ensure your child thrives academically, socially, and emotionally.

### **Rancho de la Nación Guiding Principles**

At Rancho de la Nación, we believe:

- that every individual is valued, to be treated respectfully and with dignity.
- in mutual cooperation for ensuring our school is a safe place, emotionally and physically for all.
- in shared responsibility for focused, powerful learning which permeates all our decisions and actions.

### **Mission Statement**

Rancho de la Nación will provide a quality education in a safe environment for students and parents through the collaboration of dedicated staff, students, and parents using quality learning tools. We will work together to develop students who become independent, lifelong learners, and future productive citizens.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Rancho de la Nación's main campus was built in 1989. There have been and continue to be renovations and improvements at the site since it's opening.

These include:

- 2005-2006 School year - Addition of office facilities and multipurpose building which houses kitchen for serving hot meals for Rancho de la Nación students; new library to accommodate K-6 students; renovation of lower campus buildings (kindergarten and rooms 1-6).
- 2006-2007 – Landscaping/hardscaping in the passageway between the upper campus buildings.
- 2007-2008 - Landscaping in courtyard of lower campus buildings; bulletin boards and signage in the new multipurpose room.
- 2018 - The parking lot was repaved and striped.
- 2019 - The exterior of the school was repainted and a school garden was built in the lower quad.

Ongoing—Maintenance of site with new paint, plants, flowers, grass and new playground equipment. Rancho de la Nación has 19 regular classrooms, a resource room for literacy support personnel, a room for the Resource Specialist Program, offices for support personnel (speech and language therapists, psychologist and counselor), and a library.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The District Governing Board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district maintenance office. The principal works daily with the custodial staff and the custodial supervisor to develop cleaning schedules to ensure a clean and safe school.

## The Facilities Inspection Tool (FIT)

The FIT is used on a yearly basis to identify facility needs and repairs. All items found in need of repair on the FIT are addressed. Items that involve asphalt, roofing, flooring or painting are addressed through the District's deferred maintenance program. All other items are expedited into the National School District work order system and repaired by our maintenance department.

### New School Projects

The new school construction project funded by local bond funds (Measure N) was completed during summer of the 2015-16 school year. The projects included adding air conditioners to every classroom and multi-purpose room and upgrading electrical capacity for four school sites. Additionally, a complete upgrade of our network cabling, as well as network infrastructure hardware upgrades at all sites including the district office, a complete replacement of the district fiber optic cabling network and a complete reconfiguration of the network to accommodate higher network speeds and greater network bandwidth.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	39	38	43	43	50	50
Math	32	35	33	33	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	19.0	14.3	6.3

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	13	23	26

The selection of focus areas for on-going professional development is based on a careful analysis of achievement data. The district calendar earmarks full days and early release time for providing site-based professional development for all teachers. Teachers also have opportunities to attend conferences and district-wide professional development throughout the year. During the 2018-19 and 2019-20 school years all teachers at Rancho de la Nación School will receive approximately 30 hours of professional development in mathematics through the University of California Irvine subject matter project. This professional development will empower our teachers to deliver a cohesive, common core curriculum based on the CCSS. The project includes hands-on, research-based professional development, standards-based curriculum guides and unit plans aligned to the Common Core to assist our teachers in the implementation of our GoMath adoption. The Irvine Math Project team is comprised of classroom practitioners, math content experts, and math education researchers. A focus on professional development around the area of mathematics and ELA was selected in response to the needs highlighted in our CAASPP data. In the area of language arts, all of our teachers will receive in-depth professional development in the California ELA/ELD framework. The ELA/ELD framework professional development has been selected as an area of focus due to our high numbers of English language learners and the need for teachers to be excellent discerners of curriculum and materials needed to deliver robust and rigorous lessons. Both these areas of focus have been delivered through teacher release days, bi-weekly data team meetings, collaboration days and weekly staff meetings, off the clock offerings and during individual teacher planning days. We have four Teachers on Special Assignment (TOSA) that provide workshops in the area of Language Arts and English Language Development. This provides opportunity for the Language Arts and ELD workshops. With our new English Language Arts adoption, all teachers will receive staff development in the implementation of our newly adopted BENCHMARK materials. To support daily, robust and rigorous reading, our district office has adopted the American Reading Company 100 book libraries. All teachers will receive staff development on the implementation and best practices used for these reading baskets for students. Our counselors have received training on the Sanford Harmony social-emotional curriculum which they will deliver in each classroom. Counselors will deliver this curriculum in all classrooms while teachers support the implementation and lesson delivery. In addition, all teachers have received professional development on how to run restorative circles in their classrooms in order to deliver Tier I positive behavior interventions and supports to all students. The focus for teacher training includes effective instructional strategies for implementation of Common Core Standards, best practices for Data Teams collaboration, ELA Benchmark curriculum, curriculum training in writing, language arts and mathematics, as well as specific training to support the needs of English Learners. Teachers of students with special needs and teachers of newcomer students also receive specialized training to assist them in meeting the unique needs of their students. This professional development is provided in various formats, including whole staff group, grade-level teams, and through individual mentoring by the school administrator. The District also assists in the coordination of BTSA Induction Support for year one and two teachers. Teachers who are experiencing difficulty or need improvement have access to the PAR (Peer Assistance Review) Program.

#### Types of Services Funded

In addition to the State General Fund, National School District receives state and federal funding for the following categorical, special education, and other support programs.

Title I \$75,743

LCAP Supplemental and Concentration Funds \$172,641

Total \$248,384

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### FY 2017-18 Expenditures Per Pupil and School Site Teacher Salaries
