School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

School Description

Verde K-8 School is located in the unincorporated Western part of Contra Costa County, known as North Richmond. All of the students are eligible to participate in the free and reduced federally funded breakfast and lunch program. Verde serves students in grades K-8. The student population of Verde is about 350 students.

School Vision

Verde Elementary's school vision is that we are a professional learning community of collaborative thinkers focused on high achievement and embracing the whole child to ensure students become college graduates, leaders, and lifelong learners.

School Theory of Action

Our school's theory of action or pathway to our vision focuses on three areas, student culture and climate, adult learning and collaboration, and teaching and learning. Our primary goals within these areas of focus are creating an inclusive/safe school environment, ensuring all students are achieving at or above grade level, and building a dynamic staff that collaborates and continuously reflects and learns.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

WCCUSD takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the school uses the Facility Inspection Tool (FIT) developed by the State of California OPSC. Maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The school personnel also works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: January 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Poor	Paint the walls at the lobby of the office and library area. Paint the walls in the MPR by the speed line room. Paint the valve door by the sink to match the tiles in restroom C-27. It is all corroded.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Fair	Check the light fixture in room C-27. It is not coming on. Room C-12 has two lights out. The MPR has two lights out.

Overall Rating	Fair	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	17	20	36	36	50	50
Mathematics (grades 3-8 and 11)	12	14	24	25	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

There are many opportunities for parental involvement at Verde K-8 School.

The SSC (School Site Council), ELAC (English Learner Advisory Committee), Parent University, AASAT (African American Student Achievement Team) Parent Leadership Cohorts, Parent Teacher Association, and Coffee Club work in conjunction with the site staff to assist all students with achieving academic and social excellence. Parents are encouraged to join these two committees, volunteer on campus in classrooms, and support any other areas of need at the site.

Further, we offer our parent room in B08 as a space dedicated to the sole use of our families.

Families can look for current communications via our school handbook, website, fliers, community calendar (available on the website), school marquee and BlackBoard Connect robocalls.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

The purpose of the School Site Safety Plan is to provide a unified template for school sites to respond and recover from an emergency, disaster, or event resulting in the disruption of normal school operations.

The School Site Safety Plan guides a coordinated school staff response to an emergency, disaster, or event and aids in directing emergency response activities toward reaching an agreed-upon goal. School Site Safety Plan procedures are scalable in order to address incidents that may develop over time and those that may occur without warning.

The objectives of the School Site Safety Plan are as follows:

1. Protect the safety and welfare of students, school staff, and visitors.
2. Provide for a safe and coordinated response to emergencies.
3. Protect the District's facilities and properties.
4. Enable the District to restore normal conditions with minimal confusion in the shortest time possible.
5. Provide for the interface and coordination between sites and the District Emergency Operations Center (DEOC).

6. Provide for the interface and coordination between the District EOC and the Cities of Richmond, El Cerrito, San Pablo, Pinole, Hercules, and Contra Costa County Emergency Operations Center (EOC).
7. Provide for the orderly conversion of pre-designated District sites to mass care sites, when necessary.

The Comprehensive School Safety Plan is updated annually. Our school safety plan was last annually reviewed, updated, and discussed with school faculty and a student representative in January 2020. A copy of the Comprehensive School Safety plan will be available for review on the district's website in February 2020.

Adult learning and collaboration is an essential theory of action which encompass our professional development efforts here at Verde.

We partner with different organizations that offer Professional Development to our team such as Seneca, Community Resources for Science, WCCUSD, The New Teacher Project, and Relay GSE.

We value and recognize the development that collaboration offers our teachers and we use site funds to supplement those offerings.
