School Description

Sunnymeadows Elementary School is located in the western portion of Moreno Valley. Sunnymeadows serves Transitional Kindergarten through fifth grade students on a current "modified traditional" school schedule. Our teaching staff is dedicated to meeting the needs of all students. Teachers are fully credentialed and highly qualified. We are an AVID (Advancement Via Individual Determination) school. This means that the students will be taught strategic strategies of organization, inquiry, collaboration and organization. AVID is a college readiness system for our elementary students that is designed to increase school-wide learning and performance. The AVID College Readiness System (ACRS) accelerates student learning, uses research based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systemic reform and change. We are a PBIS School and our goal is to provide a positive environment where the entire Sunnymeadows community feels empowered to do their personal best and where our school spirit creates an atmosphere of pride and well being.

Our student population is very diverse. Approximately 59% of our students are identified as English learners (EL) and over 80% of our students qualify for the Free and Reduced Lunch Program.

Our mission at Sunnymeadows Elementary School is to provide all students with a first class education through an environment where students of all cultures are provided the opportunity to achieve their maximum potential. This is accomplished by providing a clean, safe, and supportive campus; by teaching students in a positive and fair manner; and by all staff encouraging each student's academic, personal, and social growth towards becoming productive, responsible citizens.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The District provides all students with high-quality textbooks and instructional resources. Instructional materials are reviewed and approved by State Board of Education (SBE) committees for local adoption in grades K-8; high school grades 9-12 materials are reviewed and approved locally. All core instructional materials are reviewed by District level committees comprised of community members, teachers and administrators and approved by the local Board of Education prior to use within MVUSD schools. This textbook adoption process is aligned with the State Department of Education's seven-year review textbook adoption cycle. Each adoption cycle provides for districts to adopt and purchase texts within a 24- month period. 2017). Each school has a library to supplement and enrich the school's instructional program. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on September 24, 2019 that each pupil in the District, including English Learners, in Kindergarten through Grade 12, utilized standards-aligned textbooks or basic instructional materials in each of the areas listed below. The chart below outlines the content areas where textbooks adopted and used by Moreno Valley Unified School District.

School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District office, or on the Internet at www.mvUSD.net. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Building:

This school has 27 classrooms, 16 permanent classes, 11 portables, one trailer used for RSP/Speech, a multi-purpose room, a library, and an administration building. The main campus was built in 1985. The school opened in 1985.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and all emergency repairs are given the highest priority.

Cleaning Process and Schedule:

The District governing board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District's M & O office. The District Custodial Supervisor works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

At Sunnymeadows Elementary School, we are committed to meeting the academic needs of all of our students. A critical part of helping our students is the school-to-home connection. We strive to help parents help their children at home in a variety of ways. We provide home connections often, maintain a Sunnymeadows website and encourage parents to attend parent conferences and school-wide events.

Parents, as members of the Sunnymeadows Parent-Teacher Association (PTA), enrich the quality of our school climate. PTA supports and promotes Spirit Days, Red Ribbon Week, assemblies, field trips, rewards, schoolwide incentives and Family Nights. They are also several PTA meeting held throughout the school year.

Our School Site Council (SSC), comprised of elected staff members and parent representatives, works collaboratively with the entire Sunnymeadows staff in determining the best way to utilize categorical funds to provide additional support to our core instructional programs. The Sunnymeadows SSC meets regularly and the meetings are open to the public. Meeting agendas are posted in the school office at least 72 hours prior to all SSC meetings.

The Sunnymeadows English Learner Advisory Committee (ELAC) consists of school faculty and parents from varying cultural and language backgrounds. The ELAC works cooperatively with the school staff and other parent groups to ensure that we are meeting the needs of our students who are English learners. The ELAC meets at least five times yearly, and agendas are posted in the school office.

Sunnymeadows also has an African American Parent Advisory Council. They hold meetings on a regular basis throughout the school year.

Community involvement includes support from area businesses and civic organizations in academic programs and student recognition activities.

For more information on how to become involved, contact Ryan Palomino, Principal, at (951) 571-4690.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety is the top priority here at Sunnymeadows. The collaborative effort to develop and implement a comprehensive site safety plan is paramount to student safety. Sunnymeadows' site safety plan includes important procedures that maximize safety. Integrated into the site safety plan is Positive Behavior and Supports (PBIS). This initiative fosters structured lessons that support positive student interactions that reflect respect, responsibility, and safety. In addition, our site safety plan incorporates emergency evacuation maps and procedures in case of an emergency. Some of the various emergency procedures that are covered in the plan include fire emergencies, lockdown emergencies, earthquake emergencies, and many others. We maintain a high level of safety at Sunnymeadows and we regularly meet with our site safety team to stay current and updated on new procedures. We hold fire drills once a month to practice our procedures and ensure that the students, staff, and all stakeholders know the procedures. Sunnymeadows follows the existing laws related to school safety.

The School Safety Plan also includes the MVUSD discipline policy, which describes the consequences for student misconduct (such as detention, Saturday School, suspension, and expulsion).

The School Safety Plan was last reviewed, updated, and discussed with the school faculty on December 11, 2019. In addition to reviewing the school safety plan, Sunnymeadows has a committee that meets regularly throughout the school year to discuss discipline and safety issues. A copy of our site safety plan is uploaded on our school's website as well.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	12	12	12

Professional development is a critical and extensive service provided by the Moreno Valley Unified School District (MVUSD) focused on supporting the implementation of the district's strategic plan which include specific goals and outcomes. The fourteen outcomes are:

- Increase the Distance from Standard in grades 3-8 and 11 SBAC ELA and Math by 10% of the Distance from Standard.
- Progressively increase the number of students who meet their expected growth as measured by the Achievement Status Growth report in the areas of Reading and Math on the Interim MAP Assessment with 50% or better of your students.
- Increase English Learners' reclassification rate by 2% annually.
- Increase the status of the English Learner Progress Indicator(ELPI) by 2% annually.
- Progressively increase high school graduation rates to 90% for all students with an emphasis on African American, Hispanic, English Learner and Special Education student groups as measured by the CA School Dashboard.
- Decrease high school dropout rate by 2% annually with an emphasis on African American, Hispanic, English Learner and Special Education student groups.
- Progressively increase the A-G course completion rate to 65% with an emphasis on African American, Hispanic, English Learner and Special Education student groups.
- Attain a 50% AP qualifying score rate of 3+ for all students with an emphasis on African American and Hispanic students.
- Attain an 85% FAFSA Completion Rate.
- Increase the High School Readiness Indicator by 10% annually.
- Address Middle School Readiness by increasing the percent of students scoring Average or above on the MAP Reading Assessment by 5% annually.
- Decrease suspension rate for Foster Youth* and African American* students by 2% annually.
- Meet or exceed 95% attendance rate for all students.
- Decrease the chronic absenteeism rate for all students by 2% annually.

The MVUSD Professional Development and Digital Learning Department develops and implements a wide variety of sessions to support staff members as they grow and extend their skillsets in providing highly-effective instruction to ensure student success and meet the goals and outcomes mentioned above. These sessions include, but are not limited to, initial full-day or half-day trainings, on-site trainings, classroom coaching, classroom observation and feedback, co-planning/co-teaching, webinars, demonstration lessons, and conferences. The department also assists with promoting curriculum understanding, developing curriculum guides/scope and sequence documents, implementing programs focused on grade level academic content standards, acquiring highly-effective instructional strategies, training for assessments (data analysis and content training), participating in review processes, designing coaching/training for individual school site needs, and addressing special needs students. Further, the department focuses on the analysis of teaching (effectiveness) and student learning, accountability strategies, and the integration of technology. There are twenty-nine Professional Development Specialists who serve MVUSD's thirty-nine school sites. They receive high-level coaching training support the Professional Learning Communities model and are available for assistance with implementation on all campuses.

Additional professional development support areas are as follows:

1. Teachers with preliminary credentials new to MVUSD are provided the opportunity to clear their credentials through the Induction Program coordinated by this department and RCOE.
2. Multilingual and Special Education trainings are coordinated through Professional Development.
3. CPR and Instructional Assistant trainings are also coordinated through Professional Development.
4. Local colleges and universities partner with the district and the department to offer a wide variety of professional development coursework. UCR/MVUSD STEAM Certificate Program with UCR has certified 35 teachers in the district. This strand of graduate level courses is developed and taught by the Professional Development and Digital Learning Department after vetting themselves as UCR adjunct faculty.
5. Teachers receive required training for new textbook materials and district initiatives by Professional Development personnel.
6. Teachers are offered extended training beyond the initial training for textbooks by Professional Development personnel.
7. The Professional Development and Digital Learning Department offers comprehensive technology trainings--specifically Google Education Suite, STEAM, Problem-Based Learning and 3D Printing.
8. Other extensive trainings include ELA, Math, Writing(Step Up To Writing), NGSS and STEAM
9. Of the District's approximate 1,200 TK-12 classroom teachers, over 10,000 instances occurred where teachers participated in Professional Development and Digital Learning opportunities beginning July 1, 2019 to January 2020.

Teachers are compensated for attending professional development during their non-contract time. Substitutes are provided through various funding sources for trainings taking place during the school day.

Types of Services Funded

The average daily attendance(ADA)dollars provide services budgeted from the general fund and Local Control Funding Formula(LCFF)including regular classroom instruction and support, special education, counseling, psychology, child welfare, services for English Learners, Gifted and Talented Education (GATE), support for foster youth, support for homeless students and attendance and program assessment. Additional services funded as categorical programs include: Title I, which provides supplemental funds designed to ensure every student is proficient and meets the grade level standards.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
