School Vision

Twentynine Palms Elementary School is dedicated to providing the education that creates, empowers, and inspires academic success as future leaders.

School Mission

Twentynine Palms Elementary School is dedicated to pursuing opportunities for all students by providing education, support and resources that ensure academic success through a stimulating and safe social, emotional and physical environment.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks used in the core curriculum throughout Morongo Unified School District are aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

In October 9, 2018 the Morongo Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. #19-004 which certifies as required by Education Code §60119 that (1) Morongo Unified School District has provided to each pupil, including English learners, a textbook or instructional materials, or both, to use in class and to take home, (2) "sufficient textbooks or instructional materials" means that all students who are enrolled in the same course within the Morongo Unified School District, have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. Morongo Unified School District provides all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the state's Common Core State Standard.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Inspections

Twentynine Palms Elementary works closely with the Maintenance & Operations Department (M&O) for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Twentynine Palms Elementary took place on June 24, 2019. Schools are required by state law to report the condition of their facilities; the School Inspection table illustrated below in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2018-19 school year, 100% of restrooms were fully operational and available for student use.

Facilities Maintenance

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers and staff submit requests for unscheduled maintenance and special projects to the senior custodian, secretary, or principal; each request is evaluated and either assigned to the site custodian or a work order is prepared and submitted to M&O for resolution. Most of Twentynine Palms Elementary's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists or third party vendors, depending upon the scope of the project. Emergency situations are immediately called in to M&O and resolved either by the school's custodial staff or district maintenance staff, based upon the nature of the situation.

One full-time senior custodian and two evening custodians are assigned to Twentynine Palms Elementary and work closely with the principal for routine maintenance, daily custodial duties, and special events. The principal and senior custodian meet weekly and as needed at 6:30 a.m. to discuss campus cleaning needs, setups, and safety concerns. Every morning before school begins, the senior custodian and principal inspect the campus facilities for safety hazards, graffiti, or other conditions that require removal prior to students and staff entering school grounds. The day custodian is responsible for cafeteria setup/cleanup, school activity setups, minor maintenance, outside grounds areas cleaning, sweeping sidewalks, security checks, and keeping restrooms clean and stocked. Restrooms are monitored and checked by the custodian, principal, and assistant principal throughout the day as a proactive measure in eliminating vandalism and keeping facilities safe, sanitary, and stocked. The evening custodians are responsible for general cleaning of classrooms (including sanitizing desktops), restrooms, kitchen, and library. When students are on winter and summer break, custodians perform a thorough, detailed cleaning throughout the campus.

Custodians follow a rigid set of cleaning standards approved by the Morongo Unified School District. Each custodian receives both classroom and on-the-job training from the district's Director of Maintenance & Operations and the district's Custodial Supervisor. Senior custodians are responsible for monitoring school cleaning procedures and practices to ensure students are provided a clean, orderly, and safe learning environment every day.

Deferred Maintenance

Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parent Involvement

Parents are encouraged to get involved in Twentynine Palms Elementary's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, school office, and library. Oftentimes,

U.S. Marines from the local military base visit the campus to volunteer their time and impose a positive influence upon students.

Our school encourages parent representation on the School Site Council, Parent Teacher Organization, and site-based team. Each of these groups is responsible for leading and evaluating the school's progress to provide a safe and effective learning environment. Parents seeking more information about becoming an active member in the school community may contact the principal, assistant principal, or their child's teacher at (760) 367-3545.

Twentynine Palms Elementary provides a broad range of activities and events to support the learning process in and beyond the classroom environment. We encourage staff and parents to participate in:

- Awards assemblies
- Back-to-School Night
- Book fairs
- Campus Cleanup
- Curriculum Nights
- Open House
- PTO-sponsored events
- Pioneer Days Float
- School-sponsored events

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed for Twentynine Palms Elementary in collaboration with local municipal agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current school safety plan was reviewed and updated in February, 2019, shared with school staff in March 2019 and approved by School Site Counsel in March 2019. All staff members participated in a Active Shooter training June 2019. Staff will be participating in additional training during the 2019-2020 school year provided by district and site.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	1	3	3

All curriculum and instructional improvement activities in Morongo Unified School District are aligned to the Common Core State Standards. Professional development concentrations are selected and identified based on analysis of student achievement, team development, and state/ federal standards.

During the 2017-2018 school year, staff participated in one non-student day of professional development, and seven minimum days. During the 2018-19 school year, staff participated in three non-student days of professional development, and five minimum days. During the 2019-2020 school year, staff will participate in three non-student days of professional development and five minimum days. Staff training topics are identified by the district office and modified by school administration based upon results from teacher surveys and analysis of student assessment results.

2018-19 Staff Training Topics:

- Common Core Standards and Student engagement
- Student-Centered Teaching Strategies
- Data Analysis
- PLC - Professional Learning Communities
- Student Information Systems
- Technology
- Writing Across the Curriculum

Supplemental site-based staff development takes place throughout the year to support ongoing program implementation. Professional Learning Communities activities emphasized collaboration on common assessments.

Morongo Unified School District offers supplemental training and support for new and ongoing program implementation. In 2018-19, professional development opportunities included:

- Benchmark Data Training
- Common Core State Standards - Math
- English Language Arts Writing
- Illuminate Training - English Language Arts & Math
- Integrated Math
- School Safety
- Social Studies Training
- PBIS/MTSS

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The district's BTSA Program (Beginning Teacher Support and Assessment) is a state-approved program that offers additional support and assistance to newly credentialed teachers. To support veteran teachers as well as new teachers to the district, Morongo Unified School District offers Peer Assistance and Review (PAR). Experienced and knowledgeable veteran teachers provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Instructional assistants and paraprofessionals are occasionally provided specially-designed training by district special education specialists. Training activities generally address topics related to current instructional programs and effective teaching strategies to support current lessons.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools and courses offered by community colleges and universities. Classified support staff may receive training from district representatives through a job-alike format.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
