School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Rose Avenue is situated in the eastern section of the City of Modesto in Stanislaus County. The school was built in 1963 and is one of 22 elementary schools in the District. The school is composed of 19 General Education classrooms, and 2 Special Education classrooms for students with Emotional Disturbance. Rose Avenue serves students from kindergarten through the sixth grade. Rose Avenue School is a 2008 California Distinguished School and 2010 and 2011 Title I Achieving School Award Recipient. The school has many special programs and a very active PTA and parent volunteers. Academic excellence and progress for ALL students continues to be our number one goal and priority. Our mission statement outlines the commitment we have toward students: To provide high levels of learning for all students with quality opportunities to demonstrate growth academically, socially and emotionally in preparation for lifetime success.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: December 2019

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions -- General Information

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Rose Avenue provides staff supervision of students twenty minutes prior to the start of the school day on the main playground and in the cafeteria. We also have a championship winning Traffic Patrol supervising major crosswalks near the school in the morning and after school. We require all visitors to the school to sign in at the office and wear visible visitor badges while on campus. We lock all gates restricting access to the school. All staff members are instructed to question any adults on campus not wearing a visitor badge and to send them to the office to sign in if they have not already done so. The principal, campus assistant and head custodian patrol the school grounds periodically to ensure student safety and to address any safety concerns.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has classrooms, a cafeteria, library, and an administration office. The main campus was built in 1963 and opened in 1963.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund to annually contribute \$2 million to Facility Maintenance to be used for new construction and maintenance projects throughout the District, \$2 million to Deferred Maintenance for maintenance projects throughout the District and \$2 million to Facility Improvements for the District's high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first..

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 7/29/2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Water heater not secured, HVAC vents and/or returns blocked
Interior: Interior Surfaces	Poor	Stained ceiling tiles, Linoleum peeling/ripped, Broken cabinet doors
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Clutter
Electrical: Electrical	Fair	Blocked electrical panel, Broken light difuser
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Linoleum bubbling/peeling, Faucet leaks
Safety: Fire Safety, Hazardous Materials	Good	Excessive art/paper on walls, Unsecured items stored too high
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Door sticks, Bad door closer
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	29	26	21	22	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Rose Avenue School offers a wide variety of opportunities for parents to become involved with the school. Our active PTA includes parents in a number of fund-raising activities to support our school (Family Fun Night, JOG- A-THON, Scrip sales, product sales, etc.) The PTA sponsors our monthly Citizenship Award Celebration, and Reading Incentive Programs. PTA members and other parents coordinate our annual JOG-A-THON, sponsor charitable activities at the school, provides each room with a "Room Parent," and offers numerous other activities in which parents can become involved with the school. Other parental involvement activities include our School Site Council, ELLP, Parent Involvement and Engagement Committee, Classroom Volunteer Program, Family Math, Science, and Reading Nights, and the use of parent chaperones for field trips. Parent Involvement is encouraged and recognized as an important component in an effective school environment by our school.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

The Rose Avenue School Safety Plan is revised and reviewed yearly. The new plan was approved by the Safety Committee in September 2019. This year the school staff worked to ensure our plan is in line with district procedures and included all aspects of school safety such as: school lock down procedures, earthquake procedures, information regarding the release of students after a crisis, an evacuation plan, and efficient checklists to be used during and after a crisis. Regular drills are held giving the staff and students the opportunity to practice emergency procedures. At the beginning of the 2019-2020 school year, we implemented a single point entry for all visitors to the campus. All gates remained closed and locked during school hours and the only point of entry is through the office. We have also implemented the RAPTOR Visitor check-in system to ensure a secure campus at all times.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	8	5

Professional development in MCS is data driven using research-based best practices to ensure our students receive guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, a BTSA and PAR program, and most recently a 0.5% compensation package for those who choose to complete an extra 6 hours of professional development.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. In the 2019-202 academic year, a new division was also created in order to increase the quality and quantity of professional development provided to classified, certificated, and managers alike.
