School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

“Where Young Minds Meet Open Doors”

SANTEE SCHOOL DISTRICT VISION, MISSION, BELIEF STATEMENTS, AND GOALS

Adopted March 5, 2019

MISSION STATEMENT

Providing an extraordinary education in an inspiring environment with caring people.

VISION STATEMENT

Unlocking the potential of tomorrow by building confident, innovative learners today.

BELIEF STATEMENTS

Children are our first priority. Therefore we believe....

All students can learn.

Student growth, academic performance, and positive personal development are the highest measures of student and district success.

Trust, integrity, respect, citizenship, honesty, responsibility, commitment, and pride are the foundations on which our district is built.

Students should understand and respect the origin of the nation, the law of the land, and the principles of our democracy.

Parent and community involvement in our schools is crucial to the academic success of our students.

Knowledgeable, motivated, and inspired employees assure the success of our students.

Everyone has the right to learn and work in a safe, healthy, orderly, and clean environment.

The district operates efficiently and effectively through focused leadership, fiscal responsibility, and open communication, with a strong academic program as the top priority.

BOARD GOALS

Educational Achievement

Assure the highest level of educational achievement for all students.

Learning Environment

Provide a safe, engaging environment that promotes creativity, innovation, and personalized learning

Fiscal Accountability

Financially support the vision, mission, and goals of the District by maximizing resources, controlling expenses, and managing assets to ensure fiscal solvency and flexibility.

Staff Development

Implement a staff development plan as the cornerstone of employee performance and growth.

Student Well-Being

Provide social, emotional, and health service programs, integrated with community resources, to foster student character and personal well-being.

Hill Creek's Mission Statement:

Hill Creek School provides a safe environment that values the unique individual differences of each child, allowing them to meet their full potential. Facilitated by dedicated teachers, the curriculum is highly challenging and purposeful, empowering students to be innovative, productive members of their community in a global society.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Hill Creek School's original facilities were built in 1973; ongoing maintenance and campus improvements ensure facilities remain up-to-date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. During Summer 2010, installation of solar panels was completed. Campus modernization was completed Summer, 2011.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 09/25/19

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	47	36	57	56	50	50
Mathematics (grades 3-8 and 11)	44	33	49	49	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision making group, or simply attending school events. Parents stay informed on upcoming events and school activities through flyers, the school website, the school marquee, e-mails, the monthly Bulldog Bulletin, PTSA newsletters, and school messenger. Contact the main office for more information on how to become involved in your child's learning environment.

School Safety Plan (School Year 2019-20)

The Comprehensive School Site Safety Plan was developed for Hill Creek School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed and updated by the collaborative School Site Council group, composed of both staff and parents, on December 2, 2019. Staff responsibilities and safety plan updates were discussed with staff in October, 2019. In addition, parent committees reviewed plans in December, 2019.

Types of Services Funded (Fiscal Year 2018-19)

Santee School District receives State and Federal funding. State funding, through the Local Control Funding Formula (LCFF), is allocated to a variety of funding sources based on the eight State priorities, District priorities, and annual stakeholder feedback. The eight State priorities are:

1. Basic Services
2. Implementation of Common Core Standards
3. Parent Involvement
4. Student Achievement
5. Student Engagement
6. School Climate
7. Course Access
8. Other Student Outcomes

Federal funding, Title I, Title II, and Title III, provides additional funding for intensive interventions, increased parental involvement, quality professional development for teachers and principals, and increased instructional support for English Learner students.

All funding sources are monitored and maintained through each school site's School Plan for Student Achievement and the District Local Control Accountability Plan.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	79	85	115

For the 2019-2020 year, 48% of the days noted are partial days and 52% are full days. All training and curriculum development activities at Hill Creek School support the implementation of Common Core Content Standards and State curricular frameworks. Teachers annually receive a minimum of 26 partial days of professional development at the site. These are designed as whole staff training, grade level cohort meetings, or personalized instructional data study. An additional full day is offered as part of our district curriculum alignment. Decisions concerning selection of staff development activities on these partial days are performed by the principal, district administrators, and grade level representatives using tools such as teacher input, district benchmark results, data analysis, and focus groups to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Content and focus areas are established in which specific grade level teachers participate. In addition to these 27 site and district-defined days, specialized instruction such as middle school CGI math curriculum, or primary guided reading training is provided to the teachers assigned to those specific areas to ensure alignment of rigorous instruction. Teachers may also identify areas of interest to improve teaching and learning. Interest-based professional development include Social Emotional Learning techniques, English Language Learner literacy development techniques, and mathematical processing techniques where teachers opt to participate in coordination with district staff, County Office of Education trainers, or curriculum specialists. During the 2019-2020 school year, specific focus is being made in curriculum alignment across grade levels. A total of 14 bi-weekly partial-day releases are provided for teachers to make standard-aligned courses of study at all grade levels, in literacy and in middle school content areas. This accounts for the specific increase in professional learning investment this year. Hill Creek School offers support to new and veteran teachers through peer coaching and mentoring. All teachers also have access to a group of teachers on special assignment that work as Curriculum Resource Teachers. Using these resources, certificated staff can tailor professional learning to their immediate needs and receive small group and even one-on-one support. Also, certificated staff may complete a personalized learning plan each year and receive compensation for professional learning outside contracted hours. Classified support staff receive job related training from department supervisors and district representatives.
