Ophir Elementary School School Accountability Report Card Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Ophir Elementary School is located in the valley foothills of rural Oroville, CA. Our enrollment is currently 430 students serving grades TK-5.

The goal at Ophir School is to challenge all students to reach their full potential. We are currently using i-Ready as one of our main assessments. the CAASPP is used at the progress indicator. The i-Ready assessment is given 4 times a year and the CAASPP is given once a year. A few of our school wide programs are i-Ready, Professional Learning Communities and Positive Behavior Intervention Systems. Accelerated Reader track Reading Goals.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to
 the University of California and the California State University, or career technical education sequences or programs
 of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	51	49	25	29	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Ophir School has a very involved and active Parent Teacher Organization. The president of the organization is Vanessa Felix her email is vfelix2007@gmail.com. The organization provides family opportunities including movie nights, Fall Festival, Penguin Patch an interactive shopping experience for parents and students, Book Fair and other fund raising opportunities. In addition all parents are encouraged to volunteer in the classroom and on field trips. The school uses multiple means of communication including an outdoor sign board in the parking lot, email, a Facebook Page, as well as direct phone calls to families.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Safety issues at Ophir School are addressed monthly with staff members and unsafe conditions are promptly reported to district maintenance. The school safety plan is reviewed annually, to better prepare for and to address safety issues specific to each site, as well as to the district as a whole. We have monthly fire drill and periodical lock down drills. We have recently modified our Lockout/Lockdown procedures and practice them regularly. A copy of the School Safety Plan, including the school bully policy, is available in the office. Each year the Safety plan is approved by the School Site Council. As a district, Oroville City Elementary School District has fewer than 2500 students. We have a district safety plan that includes all schools. Ophir has several site specific plans which include bomb threats, earthquakes, failure of Oroville Dam, fire on or near campus, lock down procedures, and child abuse. We discuss the evacuation of the school and where students and parents should be picked up in case of emergency.annually the principal meets with local firefighters to discuss and revise emergency issues for Ophir School.
