# **Mission Statement:**

Growing Hearts, Growing Minds, Growing Leaders

# **School Description:**

Matsuyama is a California Distinguished School located in the Pocket community and is home to 572 K-6th grade students. The school is richly diverse and is reflective of the socio-economic and ethnic diversity of Sacramento City Unified School District. Matsuyama is a high performing school and provides GATE services to qualified students. The school has a rich history of parent involvement and has a high rate of parent volunteerism. The school prides itself on a robust afterschool program that includes student council, robotics, drum line, band and orchestra, art, science, chess, early engineers, and dance classes.

Matsuyama has a strong emphasis on social emotional learning. The foundation of that philosophy is the "Leader in Me". All students and staff practice the 7 habits of leaders and focus on building strong leadership skills.

# **About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

# **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

# Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The district instructional material evaluation committee, consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community, ensures that the selected textbooks, technology-based materials and other educational materials effectively support the district's adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

# School Facility Conditions and Planned Improvements (Most Recent Year)

Matsuyama Elementary School, built in 1993, received Facility Inspection Tool (FIT) overall repair rating score of "exemplary" from its most recent facility inspection in June 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district's 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district's wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

# CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

# C. Engagement

# **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

# Opportunities for Parental Involvement (School Year 2019-20)

Parent Participation is an integral part of the educational program at Matsuyama Elementary School. Parents are active participants in the decision making process via the School Site Council (SSC), the English Learner Advisory Council (ELAC), Gifted and Talented Education (GATE) Advisory Committee, and the Parent Teacher Association (PTA). Under the current PTA President, Tiffanie Yee, Matsuyama's PTA membership has soared to nearly 500 members. The Matsuyama PTA sponsors fundraisers such as the Family Dance, Harvest Festival, and Cherry Blossom Festival. The Matsuyama Mighty Men organization is a group of fathers that provide man-power for all school events and activities. The funds raised by the PTA support our Extended Day Enrichment Programs such as Band, Orchestra, Robotics, Drum Line, Chess, Mad Science, art classes, as well as classroom activities/materials and educational school-wide assemblies.

Parents are strongly encouraged to attend Back-To-School Night to meet their child's teacher, learn about the grade level Common Core Standards, the curriculum, classroom rules and procedures, and expectations for the school year. We encourage parents and the school community to attend the annual Harvest Festival, Cherry Blossom Festival, and other school community events. Open House is held each year in the spring. Parents, friends and family are invited to come and visit the school and classrooms to see student work proudly displayed. Parents, grandparents, aunts and uncles participate in a monthly "Lunch with a Leader". The school recognizes that parents play an important role in motivating their children to succeed. Parents, adult family members, and community members are encouraged to be directly involved in learning at school. Fingerprinting services are offered three times a year at the school to encourage community involvement. Volunteers spend countless hours assisting in the classroom, chaperoning on field trips, supervising students on the playground, mentoring in the classroom, etc. Students receive "brag tags" for parent involvemnt and student participation in school activities.

Good communication with our families is important to us. Parents receive regular communication through REMIND, Infinite Campus messages on the telephone, classroom notes /newsletters, Facebook and a well-developed school website.

Sacramento City Unified School District

Comprehensive Safe School Plan (CSSP) 2019-2020

Currently the CSSP contains the following sections.

The Comprehensive Safe School Plans (CSSP) for the Sacramento City Unified School District are revised annually to ensure the contents of the plans are uniform and updated to address the components set forth in Section 32282 of the 2019 California Education Code. This plan is a work in progress as the Safe Schools Office and the Sacramento Police Department continue to seek the most current information and advice from subject matter experts.

# **Professional Development provided for Teachers**

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional leaning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Relevant Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

# **Types of Services Funded**

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness.

Matsuyama Elementary School is proud of the following programs:

- Leader in Me
- School-wide assemblies
- Push-In and Pull-Out Intervention program
- ELD Tutorial Programs
- Enrichment Programs such as Drum Line, Orchestra, Band, Math, Engineering and Science Achievement (MESA), Math/Science Club, Art Wise Directed Drawing, Firefly Art, Gifted and Talented Education (GATE), Robotics, Chess, Early Engineers, Mad Science, and Coding.
- Regular video conferences with our friends attending Sakura Elementary School in Matsuyama, Japan

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

# **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
