# Madroña Elementary School School Accountability Report Card Reported Using Data from the 2018-19 School Year

**Published During 2019-20** 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

# **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

# School Description and Mission Statement (School Year 2019-20)

#### MISSION, VISION AND VALUES STATEMENT

Our school's vision is to pursue a challenging educational program created in collaboration with our students, parents and community through strong relationships between home and school with a commitment to every child's ability to learn. Madroña Elementary School's mission is to focus on all students' academic, social, physical, and psychological growth. Our values are defined by the consistent collaboration between our school, families and community. These relationships help us work together and value the whole child and reach our educational goals to meet the academic, social, physical and psychological needs of every child.

#### **SCHOOL DESCRIPTION**

Madroña Elementary School was built in 1964 and remains a neighborhood school within the surrounding community of Thousand Oaks, California. Madroña is home to approximately 410 students and 50 staff members. In the past, Madroña Elementary School was recognized as a California Distinguished School due to our excellent standards-based academic programs. The dedication of the staff at Madroña is evidenced through the high level of academic instruction, extension activities and multi-tiered system of intervention and supports offered to all students at all grade levels. Madroña also continues to promote a school wide focus on positive behavior supports through the CHAMPs Program.

At Madroña all students have the opportunity to participate in a variety of intervention and enrichment programs during the school day. Enrichment programs include a focus on art, music, engineering and computer technology. In addition, students who are identified as Gifted and Talented Education (GATE) receive differentiated instruction within the classroom setting through the school day. GATE students are also able to participate in after school enrichment activities once a month on campus and district wide monthly activities. To ensure all students are given the ability to learn in high interest areas as well as core academics Madroña employs several teacher specialists part-time. A Technology Specialist teacher works with students to utilizes web-based platforms such as Google and Microsoft, as well as multiple web based academic programs to support various learning styles (i.e. Moby Max, IXL, UNIQUE and Raz Kids). Madroña also offers a multilevel system of support and intervention. Through classroom differentiation and the employment of multiple Intervention Specialist Teachers we are able to support learning strategies for students from Kindergarten through 5th grade and ensure all have access additional supports in core reading and math. These specialists are able to work within the curriculum and in partnership with classroom teachers to ensure phonics, reading fluency, reading comprehension, number sense and math problem solving are extended or revisited for students determined to need further practice. In the fall of 2015, Madroña also evaluated and adjusted the school wide MTSS (Multi-Tiered System of Supports) and Intervention program. This new focus of the multi-leveled intervention system is to follow the Professional Learning Community's (PLCs) model of consistent review of grade level data to address our desire to ensure every student makes academic, social, physical and psychological growth.

This year Madroña has grown our enrichment opportunities during the school day through a new Pride Time = ME (Madroña Enrichment) Time program. This redefined Pride Time = ME Time provides high interest learning for all students (K-5) within their grade level groups. Staff and stakeholders expressed a desire to further explore high interest areas like, technology, computer coding, STEAM learning, science, art, music, poetry, and literature. The belief is these high interest topics are a new avenue to reach grade level required skills in reading and math. As educators we acknowledge that educational needs continue to change and reflect areas of need. At Madroña we feel the reading and math skills our students will need to be successful members of our community and society. We also promote and engage our partners with our community based after school programs in the recreation and arts to increase involvement and whole child approaches to learning. These high interest and engaging topics and activities explored during Pride Time = Me time and with our community partners is how we seek to promote the love of learning, community and personal growth.

Student Enrollment by Grade Level (School Year 2018-19)

Grade Level	Number of Students				
Kindergarten	108				
Grade 1	49				
Grade 2	63				
Grade 3	68				
Grade 4	60				
Grade 5	61				
Total Enrollment	409				

Student Enrollment by Group (School Year 2018-19)

Student Group	Percent of Total Enrollment
Black or African American	0.5
Asian	7.8
Filipino	1.5
Hispanic or Latino	37.7
White	47.7
Two or More Races	4.9
Socioeconomically Disadvantaged	40.1
English Learners	27.6
Students with Disabilities	14.7
Foster Youth	0.2
Homeless	1.5

# A. Conditions of Learning

#### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

#### **Teacher Credentials**

Teachers		School 2018-19	School 2019-20	District 2019-20
With Full Credential	26	27	22	850
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	4

# **Teacher Misassignments and Vacant Teacher Positions**

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	5
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. \*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

# Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

# Year and month in which data were collected: January 2020

All TK-12 students have current standards-based textbooks in math, science, history/social science, and English/language arts. With each curricular cycle established by the State of California, the Conejo Valley Unified School District (CVUSD) Board of Education adopts textbooks within the timeline provided. Standards-aligned books for grades 9-12 are approved locally. Textbooks in grades K-8 are selected from lists of books and materials approved by the State Board of Education. Sufficient standards-based textbooks and instructional materials have been purchased for all students in English, math, history/social science, science, health and foreign language. In addition, annually, sites receive specific science supplementary funds to be used for consumable laboratory expenses and/or equipment.

The process of selecting textbooks and materials involves the formation of a committee charged with the responsibility of reviewing current state standards and frameworks, analyzing student data, writing courses of study (as required) and selecting and maintaining current instructional materials. The goal of such district-wide committees comprised of teachers and administrators representing all targeted grade levels, is to achieve high academic standards for all of our TK-12 students. Each major subject area, such as math, science, history/social science, foreign language and English/language arts, is reviewed and adopted under the guidance of the California Department of Education and State Board of Education. The committee submits its recommendations to the Board of Education for final approval. The recommendation to the Board includes the basic textbook materials as well as supplementary materials within the subject. On October 1, 2019, the CVUSD Board of Education approved a resolution for the 2019-2020 school year declaring that the Conejo Valley Unified School District has provided each pupil with sufficient standards-based textbooks and instructional materials consistent with the cycles and content of the curriculum frameworks.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Each fall, a team that consists of all or many of the following personnel, inspects each school in the Conejo Valley Unified School District: Site Administrator, Director of Maintenance and Operations, Director of Planning and New Construction, and the Assistant Superintendent. A facilities evaluation is completed documenting the condition of the school in a variety of areas including the cleanliness of restrooms, condition of roofs, paving and walkways, HVAC systems, landscape maintenance, etc. Any observed condition that represents a threat to the health and safety of students and staff is annotated for immediate correction. Notes include items that could improve the utility, appearance, sustainable maintenance, or safety of the school and are recorded and evaluated for potential placement on the District's annual Major Projects List. The projects included on the final Major Projects List are based upon a priority assessment of all identified District schools' needs and the funds available to address those needs. The Board of Education approves the final list in the spring, so the majority of the projects detailed are completed the following summer. Funds available through participation in the State's Deferred Maintenance Program represent a significant source of support for the annual Major Projects List each year. The District revises and submits a Five-Year Deferred Maintenance Plan to the Office of Public School Construction and has had no required contribution to the Deferred Maintenance Fund since the 2008-09 school year. Therefore, the State's annual contribution is available to use for other "educational purposes". This flexibility continues through the current school year. Deferred Maintenance Program projects will be prioritized and financed with carryover funds from previous budgets or as augmented by future funds.

The District provides 2 full-time custodians at Madrona Elementary and they follow District-defined cleaning standards and schedules to ensure that the school provides our students and staff with clean, healthy, and attractive learning environments. Madrona Elementary was opened in 1964. Sited on 11.39 acres of land, the school has 36 classrooms, a multipurpose room, a library, and an administration building. The campus underwent modernization in 2003, beginning with the installation of a two-story elevator. In 2004, underground utilities were upgraded along with restrooms, doors, and improving accessibility under ADA. The current capacity at Madrona is 80 students. The District Site Inspection Team assessed the school on 12/26/19.

# **School Facility Good Repair Status (Most Recent Year)**

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 12/26/2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary	

# **B. Pupil Outcomes**

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

# CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	55	58	63	66	50	50
Mathematics (grades 3-8 and 11)	53	58	57	58	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

# CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	177	175	98.87	1.13	58.29
Male	102	102	100.00	0.00	53.92
Female	75	73	97.33	2.67	64.38
Black or African American					
American Indian or Alaska Native					
Asian	13	13	100.00	0.00	76.92
Filipino					
Hispanic or Latino	74	72	97.30	2.70	37.50
Native Hawaiian or Pacific Islander					
White	77	77	100.00	0.00	77.92

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
Two or More Races					
Socioeconomically Disadvantaged	77	75	97.40	2.60	37.33
English Learners	61	59	96.72	3.28	30.51
Students with Disabilities	19	19	100.00	0.00	31.58
Students Receiving Migrant Education Services					
Foster Youth					
Homeless					

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	177	176	99.44	0.56	57.95

English Learners	61	61	100.00	0.00	27.87
Students with Disabilities	19	18	94.74	5.26	33.33
Students Receiving Migrant Education Services					

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
Foster Youth					
Homeless					

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# **CAASPP Test Results in Science for All Students**

# Grades Five, Eight, and Ten

# Percentage of Students Meeting or Exceeding the State Standard

Subject	School	School	District	District	State	State
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19
Science (grades 5, 8 and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

# **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

• Pupil outcomes in the subject areas of physical education.

# California Physical Fitness Test Results (School Year 2018-19)

Grade <i>Level</i>	Percentage of Students Grade Level Meeting Four of Six Fitness Standards		Percentage of Students Meeting Six of Six Fitness Standards
5	5.4	21.4	44.6

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

# C. Engagement

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

# Opportunities for Parental Involvement (School Year 2019-20)

Parents, community representatives and school personnel are involved in a variety of ways at Madroña. They are involved in the planning, implementation and evaluation of all educational programs. Madroña's School Site Council meets regularly to communicate and collaborate on allocation of site resources, goals for the school and student learning as well as to implement action steps. The SSC has supported the following areas on campus:intervention, professional development for PLCs, improving safety across campus, parking lot safety during pick-up and drop-off, reformatting the positive behavior support model for recognition award assemblies, updating the student handbook and enhancing a CCSS based art program. At Madroña, the SSC creates and administers a survey for parents or students in the spring each year. This data is collected and analyzed and action steps are implemented based on the results.

Madroña also has a very active PTA that assists in a variety of school site educational programs (Women in History, Red Ribbon Week, Earth Week, etc.).

# **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

# **Suspensions and Expulsions**

Rate	School 2016-17	School 2017-18	School 2018-19	<b>District 2016-17</b>	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19
Suspensions	0.4	0.5	0.7	1.8	2.3	1.6	3.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

# School Safety Plan (School Year 2019-20)

Site-specific Comprehensive School Safety Plans covering school site facilities are updated each year and reviewed with site council and school staff. Safety plans include SEMS assignments, emergency response teams and contact information, emergency supply inventory, specific school site information (layouts, schedules etc.), school rules related to discipline and safe schools, staff rosters, and identification of emergency assembly areas. Related District policies and administrative regulations are reviewed and updated on a regular basis to remain current and consistent with new law.

A communication system consisting of alternate powered and mobile two-way radios has been assigned to each site and tested at least annually. Each classroom and office has a phone with dial out and 9-1-1 capability.

The District's Human Resources Department provides training on an ongoing basis to certificated and classified staff. Each year, new employees are offered CPR and First Aid Training through organizations such as the American Red Cross and American Lung Association. The District has also employed an Automated External Defibrillator program at each location.

The District works in collaboration with the City of Thousand Oaks, the Conejo Recreation and Park District, the Ventura County Sheriff's Department, and the Red Cross in coordinating response and resource allocations in major emergencies. Certain school sites have been identified for use as emergency shelters. Additionally, each comprehensive high school has a School Resource Officer assigned as part of the school community.

# D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

# **Average Class Size and Class Size Distribution (Elementary)**

Grade Level	2016-17 Average Class Size		# of	Average	# of	2017-18 # of Classes* Size 21-32	# of	Average	# of	# of	2018-19 # of Classes* Size 33+
K	17	4	2	15	6			17	5	2	
1	20	3		20	2	1		19	2		
2	17	2	1	17	2	2		16	3	1	
3	21	1	2	18	2	1		18	2	2	
4	32		2	23	1	2		28		2	
5	26	1	2	20	1	3		16	3	1	
Other**	10	2									

<sup>\*</sup>Number of classes indicates how many classes fall into each size category (a range of total students per class).

# Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselors*	

<sup>\*</sup>One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

# Student Support Services Staff (School Year 2018-19)

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	0.6
Psychologist	0.4
Social Worker	0.5
Nurse	0.2
Speech/Language/Hearing Specialist	0.5
Resource Specialist (non-teaching)	11
Other	10

<sup>\*</sup>One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

<sup>\*\* &</sup>quot;Other" category is for multi-grade level classes.

# Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2017-18)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$7659	\$256	\$7403	\$70,459
District	N/A	N/A	\$6268	\$83,936
Percent Difference - School Site and District	N/A	N/A	16.6	-17.5
State	N/A	N/A	\$7507	\$82,031
Percent Difference - School Site and State	N/A	N/A	-1.4	-15.2

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

# Types of Services Funded (Fiscal Year 2018-19)

Per pupil expenditures include funds expended for all instructional services. These include transportation, Child Nutrition, health services, counseling services/mental health services, instructional materials, and maintenance. The Local Control Funding Formula provides the bulk of funding for nearly all programs with the exceptions of federal categorical allocations and state and local grants.

Categorical funding provides support for Special Education Services – (All Schools), Title I Services - PI (school choice) and Alternative Support Services (seven elementary schools), Title IIA – Professional Development (All Schools) and Title III - English Language Learners/LEP, and Perkins – Career Technology Education (High Schools). Community and parent support groups bolster many programs and services across the District. The Conejo Schools Foundation, PTAs, and Booster Clubs contribute significantly to activities such as performing arts, athletics, academic competitions, etc.

Conejo Valley Unified also receives additional financial support through grant funding such as College Readiness Block Grant - Tobacco Use Prevention Education Program (TUPE) - (Middle and High schools) and Career Technology Education – Ventura County Innovates (CTE) – (Middle Schools & High Schools).

# Teacher and Administrative Salaries (Fiscal Year 2017-18)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$47,144	\$51,374
Mid-Range Teacher Salary	\$76,703	\$80,151
Highest Teacher Salary	\$97,122	\$100,143
Average Principal Salary (Elementary)	\$116,639	\$126,896
Average Principal Salary (Middle)	\$119,510	\$133,668
Average Principal Salary (High)	\$131,904	\$143,746
Superintendent Salary	\$234,600	\$245,810
Percent of Budget for Teacher Salaries	40%	35%
Percent of Budget for Administrative Salaries	5%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits web page at https://www.cde.ca.gov/ds/fd/cs/.

# **Professional Development (Most Recent Three Years)**

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

The Conejo Valley Unified School District is committed to providing professional learning activities for all classified and certificated staff members. Staff continues to enhance the skills necessary to deliver effective instruction through the implementation of Common Core Standards. A robust professional learning effort includes opportunities in researched-based instructional strategies, technological competencies, and Professional Learning Communities. The District's Local Control Accountability Plan (LCAP) prioritizes an entire goal with subsequent actions and services in order to "ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes."

Professional learning strategies such as workshops, institutes and academies, as well as job-embedded activities relate to College and Career Readiness, Positive Behavior Support, Smarter Balanced Assessments, and other required skills and competencies to meet the needs of all students. Professional learning topics align with District and school site needs identified through and outlined within the District's LCAP goals and the schools' School Plan For Student Achievement. Professional learning for high school faculty and staff members align with each school's WASC action plan.

The District also provides an accredited and free Teacher Induction Program to first and second year teachers, as well as both a voluntary and required Peer Assistance Review program.

Site administrators receive continuous training at bi-weekly meetings and through a full-day training at the start of the school year. In addition, the Ventura County Office of Education offers a professional learning series specifically designed for district and site administrators. Administrators attend workshops in Common Core Standards, Multi-Tiered System of Supports, performance assessment, social-emotional learning, supervision, evaluation, and leadership.

In addition to professional learning activities offered to the District's teachers and administrators, classified employees receive training that is specific to their assignments.

The District is committed to providing professional learning activities to every educator to improve the instructional process and enhance student achievement. Teachers and administrators participate in three full-day trainings to support curriculum, instructional technology, assessment, report cards, instructional strategies, and the use of data to teach all students.
