Chet F. Harritt STEAM School School Accountability Report Card Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

About Our School...

Chet F. Harritt STEAM School is a schoolwide Title I program with a S.T.E.A.M. emphasis (Science, Technology, Engineering, Art, and Mathematics).

Chet F. Harritt STEAM School - MISSION STATEMENT

We embrace inquiry-based learning experiences that emphasize creativity, and collaborative problem solving. We integrate student learning experiences in a manner that maximizes student engagement and promotes resiliency and perseverance.

S.T.E.A.M. Focus

We are the Santee School District STEAM Magnet School, representing experiences in Science, Technology, Engineering, Art, and Math. The STEAM program was designed to empower learners, tap into interest, expose students to future careers and studies, and link standards-based learning to real-world application. Founded on three distinct pillars, Chet F. Harritt incorporates each facet of STEAM through 1. Integrated curriculum, 2. Enrichment opportunities, and 3. Partnerships that build and foster a diverse school experience. Not only does each grade level plan for and embrace STEAM experiences for students, we also involve our families in our annual STEAM Night to make learning fun for all ages.

About Our District...

"Where Young Minds Meet Open Doors" SANTEE SCHOOL DISTRICT VISION, MISSION, BELIEF STATEMENTS, AND GOALS

Adopted March 5, 2019

MISSION STATEMENT

Providing an extraordinary education in an inspiring environment with caring people.

VISION STATEMENT

Unlocking the potential of tomorrow by building confident, innovative learners today.

BELIEF STATEMENTS

Children are our first priority. Therefore we believe....

All students can learn.

Student growth, academic performance, and positive personal development are the highest measures of student and district success.

Trust, integrity, respect, citizenship, honesty, responsibility, commitment, and pride are the foundations on which our district is built.

Students should understand and respect the origin of the nation, the law of the land, and the principles of our democracy.

Parent and community involvement in our schools is crucial to the academic success of our students.

Knowledgeable, motivated, and inspired employees assure the success of our students.

Everyone has the right to learn and work in a safe, healthy, orderly, and clean environment.

The district operates efficiently and effectively through focused leadership, fiscal responsibility, and open communication, with a strong academic program as the top priority.

BOARD GOALS

Educational Achievement

Assure the highest level of educational achievement for all students.

Learning Environment

Provide a safe, engaging environment that promotes creativity, innovation, and personalized learning

Fiscal Accountability

Financially support the vision, mission, and goals of the District by maximizing resources, controlling expenses, and managing assets to ensure fiscal solvency and flexibility.

Staff Development

Implement a staff development plan as the cornerstone of employee performance and growth.

Student Well-Being

Provide social, emotional, and health service programs, integrated with community resources, to foster student character and personal well-being.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Chet F. Harritt School's original facilities were built in 1967; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. Playground improvements and modernization of all classrooms were completed Summer 2011. Solar Ready replacement lunch court structures were installed in 2017 and PE locker rooms were renovated during the same year.

School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 09/25/19

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to
 the University of California and the California State University, or career technical education sequences or programs
 of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	56	59	57	56	50	50
Mathematics (grades 3-8 and 11)	50	53	49	49	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to become further involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making groups, or by attending school events. Parents can stay informed of upcoming events and school activities through Facebook, Twitter, teacher newsletters, school newsletters, school and classroom websites, the school marquee, the principal's weekly electronic mail distribution, an automated telephone message system, and through parent-teacher conferences. Chet F. Harritt STEAM School employs a community liaison officer to coordinate volunteer programs and to ensure clear communication with all stakeholders. Please fill out a volunteer packet at the start of each school year in order to participate in these events.

School Safety Plan (School Year 2019-20)

The Comprehensive School Site Safety Plan was developed for Chet F Harritt School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed and updated by school staff in November 2019. Staff responsibilities and safety plan updates were discussed with staff in October 2019.

Types of Services Funded (Fiscal Year 2018-19)

Santee School District receives State and Federal funding. State funding, through the Local Control Funding Formula (LCFF), is allocated to a variety of funding sources based on the eight State priorities, District priorities, and annual stakeholder feedback. The eight State priorities are:

- 1. Basic Services
- 2. Implementation of Common Core Standards
- 3. Parent Involvement
- 4. Student Achievement
- 5. Student Engagement
- 6. School Climate
- 7. Course Access
- 8. Other Student Outcomes

Federal funding, Title I, Title II, and Title III, provides additional funding for intensive interventions, increased parental involvement, quality professional development for teachers and principals, and increased instructional support for English Learner students.

All funding sources are monitored and maintained through each school site's School Plan for Student Achievement and the District Local Control Accountability Plan.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	57	63	87

All training and curriculum development activities at Chet F. Harritt School support the implementation of Common Core Content Standards and State curricular frameworks. Teachers annually receive 27 partial days of teacher/administrator-led professional development and training at the school site. Decisions concerning selection of staff development activities are performed by the principal, district administrators, and grade level representatives using tools such as teacher input, district benchmark results, data analysis, and focus groups to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Chet F. Harritt School offers support to new and veteran teachers through peer coaching and mentoring. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job related training from department supervisors and district representatives. Additionally, given our STEAM focus, teachers are encouraged to pursue professional development in the areas of Science, Technology, Engineering, Arts, and Mathematics.

Professional development can take numerous forms from conferences, after school workshops, small group planning, and individual mentoring. Teachers can request additional time, if necessary, to work with student data, in-class coaching, or grade-level release.
