# Imperial Elementary School School Accountability Report Card Reported Using Data from the 2018-19 School Year

**Published During 2019-20** 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <a href="https://www.cde.ca.gov/ta/ac/sa/">https://www.cde.ca.gov/ta/ac/sa/</a>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

# School Description and Mission Statement (School Year 2019-20)

The purpose of the School Accountability Report Card is to provide parents with information about the school's instructional programs, academic achievement, materials and facilities, and the staff. Information about Orange Unified School District is also provided.

Imperial is located in a residential area in North Orange County within the city of Anaheim, and maintains modified traditional calendar. Approximately 487 students are enrolled in grades transitional kindergarten through six during the 2019-2020 school year. Imperial is one of 27 elementary schools in the Orange Unified School District. Since opening in 1976 with the open classroom concept, some walls have been added however enough openness remains to allow for convenient teaming and inter-class groupings. Imperial celebrates 44 years of serving the community.

At Imperial we are dedicated to providing a high quality education for all children. We foster creative, confident students who are able to think critically and communicate through collaborative learning, enabling them to become productive members of the global community, leaving a lasting imprint on our society.

Our main purpose at Imperial is to ensure a safe and challenging learning environment for the care, development and maximum learning of every student. A comprehensive educational program is in place, using state and district curricular standards, to meet the needs of all students. Staff members work together to choose the most effective instructional strategies and methods providing multiple opportunities for every child to succeed. Community and parent partnerships are integral in Imperial's ability to further support student citizenship and character development, student interest and engagement, and opportunities for extended learning.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. \*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

# Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 26, 2019

All K-8 textbooks are selected from the state matrix provided through the California Board of Education. Teachers peruse the materials and select by majority vote. Selected texts are then submitted to the Board of Education for final approval. Textbooks are procured in sufficient numbers for each student to receive a textbook. High School adoptions are content area based, with teachers selecting appropriate materials for the course objectives as outlined in the course description approved by the Board of Education. Selected texts are submitted to the Board for approved use in classrooms with purchase ratio of one per student. The Public Hearing and Adoption of Resolution No. 13-19-20 of the Board of Education of Orange Unified School District on the sufficiency of textbooks, instructional materials and science lab equipment (9-12) was approved on September 26, 2019.

# School Facility Conditions and Planned Improvements (Most Recent Year)

Imperial Elementary School ranks fair in terms of repair. Some deficiencies are noted as critical and/or widespread. Repairs and/or additional maintenance are necessary in several areas of the school site.

However, over the past three years, the school has received new carpeting in the classrooms, common areas, and the office. The external siding of the building was repair/replaced and painted since the report was filed in 2017. In the summer of 2019, the front parking lot and sidewalks have been modified to reflect ADA compliance. Student restrooms have been completely remodeled as of summer, 2019. The school continues to provide a safe learning environment, both inside and outside the building. Should items need repair they are noted immediately, with those identified as a safety concern being addressed immediately.

# School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 8/26/2019

# **B. Pupil Outcomes**

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to
  the University of California and the California State University, or career technical education sequences or programs
  of study.

# CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	59	57	43	44	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

# CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

# Opportunities for Parental Involvement (School Year 2019-20)

Imperial Elementary is proud of the generous support and involvement of its parents and community. Many of our parents volunteer their time and talents in the classroom often assisting teachers in working with individual or small groups of children, on special projects, or helping with a variety of necessary tasks. In addition, volunteers participate in assisting with school pictures, vision and hearing screenings, school sponsored activities, and special events during the school year. Parents also coordinate numerous activities including Outdoor Education fundraisers, Holiday Boutique, Birthday Book Club, Book Fairs, Red Ribbon Week, Walk to School Day, Family Nights in both Art and Science, Spring Carnival, and sixth grade promotion.

Imperial PTA contributes directly to educational activities and core curriculum. Profits from fundraisers provide students with the Art Masters Program, Family Nights, and a variety of assemblies and/or other educational events. Supplementary funds for field trips are also provided. PTA funds purchase library books, quizzes for our Reading Counts program, software and equipment for the computer lab, classroom materials and student incentive rewards. The Imperial Elementary School PTA annually supports extra/co-curricular enrichment programs, field trips, classroom supplies, instructional and student technology and other items as needed. Imperial Elementary receives support with funds or services from the local community organizations and businesses. Imperial also benefits from a program with Canyon High School, "Careers in Education". This program allows juniors and seniors at Canyon High School who are looking to become teachers, an opportunity to come into our classrooms to receive mentoring and valuable experiences working with children.

Imperial's School Site Council and English Learners Advisory Committee, meet four to five times a year to oversee the implementation of the School Improvement Plan, School Safety Plan and school budget. The council consists of parents and teachers working together to address issues of curriculum, instruction and assessment.

Imperial students and staff benefit directly from such a supportive and involved parental community.

#### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

# School Safety Plan (School Year 2019-20)

Each of the district's schools develops and adopts, in accordance with Education Code § 32280 – 32289, a Comprehensive Safe School Plan particular to their site. Each school site is required annually, by March 1st, to have reviewed, and if necessary, updated their Safe School Plan. Each school forwards its Safe School Plan to the district through the office of Student and Community Services provides plan development assistance to the schools and maintains a file of individual school plans available for inspection by the public. Key elements outlined in the plan are: to provide a safe teaching and learning environment; that all students are safe when traveling to and from school; that district programs and community resources are made available to students and parents; and that the school provides an environment where everyone effectively communicates in a manner that is respectful to all cultural, racial and religious backgrounds.

A safe and secure learning environment is a priority for Imperial. Emergency evacuation drills are held monthly according to education code. The school's PTA purchased equipment and supplies for every classroom for emergency use. Partnered with School Messenger, a system is in place that enables administrators to schedule, send and track personalized voice messages to their school community for outreach and emergency purposes. In addition, all schools in the district are linked through an emergency radio contact system and district radio drills are held periodically for preparation in case of emergency. The staff and community work together to maintain a safe campus. School-wide & classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. In compliance with SB187, the safety committee has prepared a "Safe School Plan" which is (on file) in the school office and is available for perusal upon request. Imperial Elementary staff works diligently at adhering to the Safe Schools Plan developed and monitored by the School Site Council.

## Types of Services Funded (Fiscal Year 2018-19)

The following support services are available to meet the needs of all students:

- Intervention/remediation/acceleration programs
- Support for EL instruction
- Instructional Assistants (Special Education)
- Staff Professional Development
- Researched proven, supplemental instructional materials

LCFF funds were used to purchase ChromeBooks and a ChromeBook Cart and other technology supplies. Supplemental materials for English Learners were also purchased with LCFF funds. These funds also supplied extra earnings for staff as they offered after school tutoring or family nights.

PTA Funds and donations cover the costs of transportation for field trips, assemblies, Red Ribbon Week activities, technology needs, books, incentives for students, campus beautification, and instructional materials.

# **Professional Development (Most Recent Three Years)**

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	19	19	19

Staff development opportunities were provided during staff meetings or District provided training. In response to student achievement data and District Strategic Plan, the Staff identified behavior management and supports as the area of focus for the school year.

School Based staff development is on-going, taking place during our early release Wednesday schedule. During these times, teachers focus upon the implementation of School-Wide Best Practices in Instruction and Learning; Wonders ELA materials, Write From the Beginning and Beyond (WFTBB), Thinking Maps, Data Analysis, and Use of Adopted Curriculum, Inclusion Strategies, and Instructional Technology. Our staff also analyzes student learning data to determine strengths and weaknesses of individual student, class and our school-wide learning, during their Professional Learning Community (PLC) opportunities.

Teachers are supported in the implementation of professional development through grade level team/peer-coaching, principal observation and feedback, and through student performance data reporting and analysis protocols.

Instructional assistants also receive on-going district training in instructional strategies, support for individuals with visual impairments, and classroom management techniques.
