Gold Ridge Elementary School School Accountability Report Card Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

School Vision and Mission:

At Gold Ridge, students receive exemplary academic instruction.

Teachers are knowledgeable and skilled at engaging and challenging students.

Students move on to the next grade level well-prepared.

Teachers believe in working together to support student success. Teachers meet and work collaboratively on a regular basis. Ensuring the success of all students is a team effort.

Learning is enriched and strengthened through technology and the arts.

We are committed to the inclusion and integration of all students.

School & Community Profile:

Gold Ridge Elementary is a Pre K-5 school located in the Broadstone neighborhood of Folsom. Kemp Park and wetland marshes, ponds, and creeks are within easy walking distance. The campus houses 25 classrooms, a library, a Student Care Center, and both Special Education and Adult Education preschool programs. Our multipurpose building includes a stage and a serving kitchen; gym facilities are shared with the Folsom Parks and Recreation Department.

As of California Longitudinal Pupil Achievement Data System (Calpads) 2018, our student enrollment was 612 students. We have a racially and culturally diverse student population representative of California. Our students speak approximately 30 different home languages; and language minority students represent 30 percent of our school population.

Our teachers and staff are committed to high academic expectations with individualized support to help all students master content standards. To compliment our academic emphasis, we believe all students benefit from a rich variety of experiences in music, physical education, technology, and the arts. Our teachers partner with parent volunteers and community groups to extend learning through programs such as Eagles Art (a docent led visual arts program), 3E Science, PC Pals (provided by Intel Corporation volunteers), and a variety of after school clubs. Our commitment to visual and performing arts is on display at our annual Celebration of the Arts.

Parents are engaged in a wide variety of leadership and volunteer activities that enrich and support learning. Our Parent Teacher Association (PTA) sponsors community events such as our Back to School Kick Off and Winter Wonderland, funds assemblies, and organizes enrichment activities such as Science Fair and our parent docent Science Technology Engineering and Math (STEM) program 3E Science. Approximately 300 parents sign up each year to work as science and art docents, volunteer in classrooms, and chaperone field trips.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: 2019 August

Folsom Cordova Unified held a Public Hearing on December 19, 2019, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark Advance, 2016	Yes	0.0%

School Facility Conditions and Planned Improvements (Most Recent Year)

Gold Ridge Elementary was originally constructed in 1998 and is comprised of 25 classrooms, a multipurpose room/cafeteria, a library, a staff lounge, an occupational therapy room, and two playgrounds. Recent updates include two new playgrounds and a new Student Care building.

The principal works daily with the custodial staff of three full time employees to ensure that the school is maintained in a clean and safe manner. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

District maintenance staff ensures that the work orders and repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Date of inspection: 10/15/2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	67	68	53	52	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Our Parent Teacher Association (PTA) supports parental engagement through family nights, weekend events, and parent education programs. Parents volunteer in classrooms - tutoring target students, supporting our Accelerated Reader program, presenting 3 E Science and Eagles Art, and enabling classes to take educational field trips off site - enriching and extending learning in wonderful ways. Family education events range from enrichment assemblies on Science Technology Engineering and Mathematics (STEM) to formal training that supports parenting including Love and Logic and beginning reading instruction.

We maintain a robust website that receives thousands of visits monthly that we use to communicate with and engage our community about instruction, intervention, and supplemental learning opportunities.

Parents serve on the English Language Advisory Committee (ELAC), School Site Council, PTA committees, and as classroom and school wide volunteers. Our School Site Council (SSC) consists of equal numbers of staff and parents who meet on a regular basis to review programs and priorities and advise the principal.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Gold Ridge is a safe and clean facility. There were eleven (11) student accidents reported at our school in the 2018-2019 school year. Restrooms and the cafeteria are cleaned daily. Classrooms are cleaned every other day. Any safety hazard that is reported is reviewed immediately and resolved. Emergency plans have been developed in the event a threatening situation should arise.

Gold Ridge has identified three overarching rules to support positive behavior at school: be safe, be respectful, and be responsible. The school rules are published in the Student/Parent Handbook and reviewed with students each trimester through a broad based Positive Behavior Intervention and Support (PBIS) program. Gold Ridge PBIS includes an Eagle ticket program with monthly and weekly reinforcement activities, grade level behavior videos, special assemblies, and classroom based instruction. Physical education teachers present guidelines for safety using playground equipment and rules for games.

Gold Ridge addresses safety in multiple other ways as well. We maintain a close alliance with the Folsom Fire Department and with the Folsom Police Department. The safety team consists of the principal, the department chair, the Physical Education (PE) specialist, the head custodian, and the Office staff. Each member has a radio for communication during drills and if an unexpected emergency were to occur. The team meets monthly to review safety procedures and plan emergency drills. Additionally, campus supervisors are trained on campus rules, and crisis and safety protocols.

Types of Services Funded (Fiscal Year 2018-19)

District Revenue Sources

In addition to general state funding, Gold Ridge Elementary receives state and federal funding from the following categorical funds and other support programs: Title II, Title III English Learners, Title III Immigrant Student Program, LCAP Supplemental Funds (English Learners/Low Income Student), and state funds for after school interventions for at-risk students. Data Sources: Data within the SARC was provided by Folsom Cordova Unified School District, retrieved from the 2018-19 school year SARC template, and/or located on Dataquest (http://data1.cde.ca.gov/dataquest). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Each employee is encouraged to grow professionally through self evaluation and reflection; by attending college and university classes as well as statewide workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through our Professional Development (PD), a model of lead teachers and site level reading, math, science and technology coaches. In addition, our district staff has worked collaboratively to implement our Peer Assistance Review (PAR) program, which works in unison with BTSA (Beginning Teacher Support and Assessment) to provide an induction program for qualified new teachers. We support our teachers in pursuing National Board Certification and currently have over 44 National Board Certified teachers within the district. The district is involved with both ATP (Administrator Training Program) and Teacher Training, which increase the capacity of all staff to deliver a standards-based curriculum.

Counseling & Support Staff

It is the goal of Gold Ridge Elementary School to assist students in their social and personal development as well as their academic aspirations. We give special attention to students who experience achievement problems, have difficulty coping with personal and family problems, and who encounter trouble with decision making or handling peer pressure.

In addition: Teachers receive release days to work in grade level professional development communities to review assessment data and plan instruction.
