Big Creek Elementary School School Accountability Report Card Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: August 14, 2018

Big Creek Elementary School uses state adopted core curriculum in all academic courses. In addition, the district has transitioned to Eureka Math (Engage New York) in grades K - 8 to meet the new standards. The adopted curriculum, Envision math, is still used. Sufficient textbooks are available for all students. State approved supplemental curriculum is used as necessary to support academic achievement for all students at Big Creek Elementary School.

School Facility Conditions and Planned Improvements (Most Recent Year)

Big Creek School demolished and reinstalled new entry steps with heating to the school during the summer of 2010. During the fall of 2010 the old boiler system was removed and a new system that is state of the art and highly efficient was installed. A new roof for gym, cafeteria and band room was installed during the summer of 2016. The school district is currently in the process of replacing all broken windows, installing new energy efficient dual pane windows, and applying new window glaze to windows in the classrooms. Furthermore, the district eliminated the waste water treatment plant and now diverts waste water to the Southern California Edison waste water treatment facility. District staff has completed structural plans and are awaiting review by the Division of State Architect to review the plans t =0 replace the retaining wall separating the upper and lower play fields.

School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 10/1/2018

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	67	75	67	75	50	50
Mathematics (grades 3-8 and 11)	40	44	40	44	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents serve as volunteers in classrooms, the library, the office, and on advisory and parent groups. Parent training is conducted as needed, and staff is trained in effective communication and conferencing strategies. A newsletter is sent on a weekly basis and posted to the district web site. Parents receive a handbook at the beginning of each school year outlining policies, procedures, and communications. Parents are invited to attend trimester student recognition events and special programs throughout the year. Parents work to fundraise field trips to Washington D.C., Sierra Outdoor School at Five Mile Creek, and Sacramento/San Francisco. The Parent Booster Club supports the instructional program through a variety of fundraising opportunities that encourage total community support and parent involvement. Parent/Teacher/Student conferences are scheduled on a trimester basis. Student Study Team meetings involve parents of struggling students in the implementation of appropriate interventions and programming to address academic and social concerns.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Big Creek School is committed to providing a safe and secure environment for students, employees, and visitors. The Safe School Plan is designed to assist each student and staff member in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. It is reviewed and updated on a yearly basis and is available to view in the district office. All staff is certified in First Aid, CPR and use of the Automated External Defibrillator. The school does no have any serious violence concerns or problems with weapons, drugs, alcohol, or tobacco.
