### **Mountain View School District**

#### Principal's Message

Mountain View Elementary School is located in the southeastern corner of the city of Ontario in Southern California. Ontario thrives with booming industry, ever-increasing employment opportunities, prime residential real estate, and a close proximity to recreation and entertainment venues. Ontario's easily accessible location via three major freeways, two rail lines and an international airport has been a key factor in the city's dynamic growth. In addition, the city's five recreation and community centers are home to numerous activities, classes, and programs geared toward the development of the family and individual minds, young and old alike.

The purpose of the School Accountability Report Card (SARC) is to provide parents with information about the school's instructional programs, academic achievement, materials, facilities and the staff. Information about Mountain View School District is also provided.

Parents and the community play a very important role in the school. Understanding the school's educational program, student achievement, and curriculum development can assist both school and community in ongoing program development.

We are dedicated to ensuring Mountain View Elementary School is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values. Through our hard work together, our students will be challenged to reach their maximum potential. We ask students each day to come to school ready to learn and be effective. We encourage students on a daily basis to follow our school motto and SOAR: Show respect, Obtain trust, Accept responsibility and Remain safe.

#### School Mission Statement

Mountain View Elementary School promotes high academic expectations and a willingness to explore new ideas to ensure student success. We are committed to a high degree of collaborative effort among school, home and community.

#### School Vision Statement

Mountain View focuses on creating a positive and rigorous learning environment by nurturing creativity, curiosity and critical thinking to promote a prosperous future for all students.

#### Parental Involvement

Parent participation and involvement is an integral part of student success at Mountain View Elementary School. A highly active Parent Teacher Organization (PTO) coordinates many activities, programs and events that directly help support the school's instructional programs. PTO members provide a true sense of community purpose and direction centered on the education of the students at Mountain View Elementary School. Fundraisers support field trips, assemblies and student incentives. A large group of volunteers augments classroom instruction. The school keeps parents informed of activities and events through monthly newsletters, regular phone announcements, the marquee and regular weekly classroom packets. The school also appreciates community support and donations from local businesses. In addition, parents are encouraged to participate in our regular School Site Council meetings. The School Site Council is a collaborative leadership group composed of the school principal, teachers, classified staff and parent volunteers. The council meets every other month and is tasked with creating and monitoring the Single Plan for Student Achievement (SPSA) and related budget that funds school programs.

Parents who wish to participate in Mountain View Elementary School's leadership teams, school committees, school activities or who want to become a volunteer may contact Julie Alba, Mountain View Elementary principal at (909) 947-3516.

#### School Safety

The Emergency Preparedness Plan includes steps for ensuring student and staff safety during a disaster. Campus safety is the No.1 priority at Mountain View Elementary School. The school principal conducts earthquake, fire and other emergency drills on a regular monthly basis in accordance with the site disaster plan.

Emergency supplies, such as food, water and rescue equipment, are housed on campus.

The Emergency Preparedness Plan was adopted and implemented in December 1998. It is reviewed and revised annually and approved at the November/December board meetings every year. It was most recently reviewed, updated and discussed with school faculty in September 2019.

The Emergency Preparedness Plan was designed to assist in preparing for emergencies, managing emergency response efforts and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. Components of the School Site Safety Plan include strategies and programs that will provide and maintain a high level of school safety, assess current school crime occurring on campus and at school functions, and address procedures related to the compliance of existing laws as they affect school safety.

#### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

### Mountain View School District Mission Statement

Mountain View School District is a school community whose members focus on the whole child: ensuring each child is safe, that each child's needs are met and that each child is provided an education of the highest quality.

Our continuing mission at Mountain View School District is to provide a foundation for sustained educational excellence for students and staff by setting clear goals and high expectations in a safe and trusting environment that supports individual success.

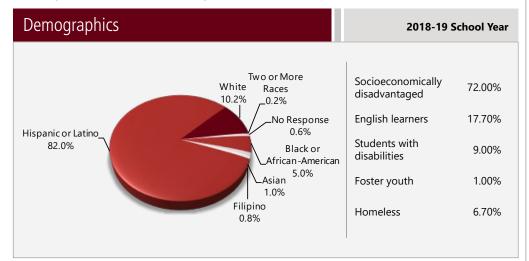

#### MVSD Governing Board

Members:	Served Since:
Ronald Newton	1993

Dr. James Willingham	2018
Chris Taylor	2019

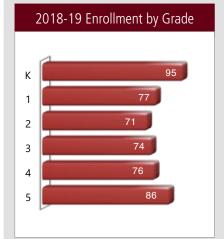

#### **Enrollment by Student Group**

The total enrollment at the school was 479 students for the 2018-19 school year. The pie chart displays the percentage of students enrolled in each group.

#### **Enrollment by Grade**

The bar graph displays the total number of students enrolled in each grade for the 2018-19 school year.

#### **Professional Development**

All training for curriculum development at Mountain View School District revolves around the California State Standards and Frameworks. Topics for training are determined by teacher need and feedback from teachers and administrators and focus on priorities indicated in the Local Control and Accountability Plan (LCAP). Professional development days for 2019-20 are cumulative district days, not individual teacher days.

For the 2017-18 school year, the focus was on individualizing professional learning for teachers. Teachers in grades 4-6 were invited to participate in a two-day Summer Math Institute focusing on the Standards for Mathematical Practices. All K-5 teachers received a full day of training on our new English language arts adoption, Journeys, while our transitional kindergarten (TK) teachers received training on learning strategies for small and large group time. An additional day of training for all TK-5 teachers focused on engaging learners through the Standards for Mathematical Practices. All teachers in grades 6-8 received training on raising rigor across the curriculum. A second day of training for 6-8 teachers was department based. Our Language Arts Department received training in the use of their new instructional materials. Our Math Department received advanced training in the use of their instructional materials from the publisher. Our History-Social Science Department received training in the shifts in the framework. Our Science Department received curricular design support in the shift to Next Generation Science Standards (NGSS). Our PE and elective teachers received training in disability awareness. Teachers are also provided four half-days to meet in their professional learning communities (PLC) to evaluate student data and plan for student success. For the 2018-19 school year, the focus was on providing individualized professional learning. Teachers in grades TK-6 were invited to participate in a two-day Summer Math Institute. The training was provided by grade span: TK-3 and 4-6. Training was provided to all teachers (TK-8) focused on working with students with special needs. Department training was also provided in grades 6-8, targeting specified needs, which included topics such as: Next Generation Science Standards, Mathematics, Advancement Via Individual Determination (AVID) Strategies, pacing guide development and CPR & First Aid Certification. Training for specialized elective teachers was provided through state and local conferences. Ongoing training throughout the year focused on the areas of mathematics, transitioning to NGSS and supporting students with special needs. For the 2019-20 school year, the focus was on providing individualized professional learning. Elementary teachers in TK-5 and middle school social studies teachers in 6-8 were provided training in regards to our new board-adopted curriculum. Elementary teachers in TK-5 and middle school English language arts and mathematics teachers were provided iReady training regarding how to utilize the diagnostic and instruction components of iReady. Teachers in grades TK-8 were invited to participate in a single day Summer Math Institute. The training was provided by grade span: TK-3, 4-5, 6-8 and special education staff. A behavioral-mental health training was provided to all teachers (TK-8) focused on working with students with special needs. Department training was also provided in grades 6-8, targeting specified needs, which included topics such as: Next Generation Science Standards, mathematics, and CPR & First Aid certification. Training for specialized elective teachers was provided through state and local conferences. Ongoing training throughout the year focused on the areas of mathematics, transitioning to NGSS and supporting students with special needs.

#### Continued on sidebar

#### Professional Development

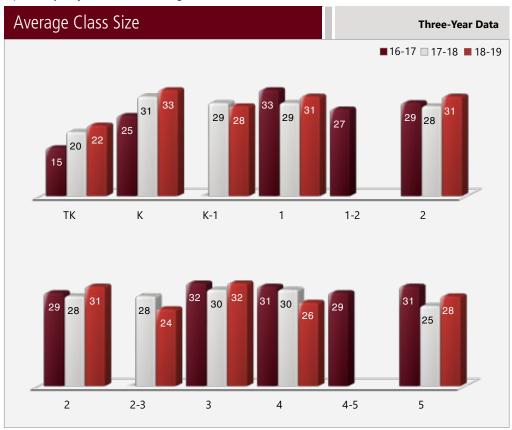

Continued from left

The principal provides site-based staff development during monthly staff development meetings based on site need and priorities as determined in the Single Plan for Student Achievement (SPSA). Funding sources include Title II, Educator Effectiveness, and Local Control Funding Formula (LCFF). Other educational opportunities, including conferences and workshops, are afforded to teachers and grade levels/departments based on need. Many teachers improve their skills and knowledge of the curriculum by continuing their education through workshops, conferences and university courses.

#### Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Number of Classrooms by Size					Т	hree-Yea	r Data		
		2016-17			2017-18			2018-19	
Grade				Numb	er of Stu	ıdents			
	1-20	21-32	33+	1-20	21-32	33+	1-20	21-32	33+

Suspension rates	2.2%	1.9%	1.5%			
Expulsion rates	0.0%	0.0%	0.0%			
(	Californi	a				
	16-17	17-18	18-19			
Suspension rates	3.6%	3.5%	3.5%			
Expulsion rates	0.1%	0.1%	0.1%			

"We are dedicated to ensuring Mountain View Elementary School is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values."

### CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The California Science Test (CAST) was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

Percentage of Students Scoring at Proficient or Advanced					Two	-Year Data
	Mountain View ES Mountain View SD				Calif	ornia
Subject	17-18	18-19	17-18	18-19	17-18	18-19
Science	<b>*</b>	<b>*</b>	<b>*</b>	<b>*</b>	<b>*</b>	<b>*</b>

## CAASPP Test Results in ELA and Mathematics for All Students (grades 3-8 and 11)

The table below shows the percentage of students meeting or exceeding the state standards in English language arts (ELA)/literacy and mathematics.

Percentage of Students Meeting or Exceeding State Standards					Two	-Year Data
	Mountain View ES Mountain View SD					ornia
Subject	17-18	18-19	17-18	18-19	17-18	18-19
English language arts/literacy	44%	48%	52%	53%	50%	51%
Mathematics	32%	36%	33%	35%	38%	40%

#### California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

- 1. Aerobic Capacity
- 4. Abdominal Strength and Endurance
- 2. Body Composition
- 5. Upper Body Strength and Endurance
- 3. Flexibility
- 6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Physical Fitness Test	2018-19 School Year
Percentage of Students Meeting Fitness Standards	Mountain View ES
	Grade 5
Four of six standards	25.3%
Five of six standards	27.7%
Six of six standards	30.1%

# California Assessment of Student Performance and Progress (CAASPP)

For the 2018-19 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment

#### Smarter Balanced Assessments

include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

#### CAASPP by Student Group: English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-5

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### CAASPP Results by Student Group: English Language Arts (grades 3-5)

#### Percentage of Students Meeting or Exceeding State Standards

2018-19 School Year

referriage of students Meeting of E.		1018-19 School Year			
English Language Arts					
Group	Total Enrollment	Number Tested	Percentage Tested	Percentage Not Tested	Percentage Met or Exceeded
All students	237	236	99.58%	0.42%	48.31%
Male	131	130	99.24%	0.76%	42.31%
Female	106	106	100.00%	0.00%	55.66%

Scores are not shown when the number of students tested is 10 or fewer, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

#### Textbooks and Instructional Materials

Mountain View School District sets a high priority upon ensuring sufficient and current textbooks and materials are available to support our school's instructional program and on providing our students with textbooks in the core subject areas.

The district held a public hearing in September 2019, and determined that each school within the district has sufficient, good-quality textbooks and instructional materials pursuant to the settlement of Eliezer Williams, et al., vs. State of California, et al. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. A committee consisting of administrators and teachers establishes selection criteria based on state standards, reviews instructional materials on the state list, and makes recommendations to the board of trustees for final adoption. The district affords stakeholders and staff (including teachers) the opportunity to carefully review the available textbook options.

All textbooks at Mountain View are in adequate supply and in fair to excellent condition. The school and district place great emphasis on providing students with the most up-to-date state-adopted textbooks and instructional materials; 100 percent of students in each core subject area possess the necessary textbooks and instructional materials.

The school's library is stocked with 18,800 books that are available for students to check out and also includes other resources such as videos, audiotapes and materials in Spanish. Students visit the library on a weekly basis with their classes. One part-time library clerk and a part-time media specialist assist students and staff with using the library and are available to answer questions.

Integration of technology into the standard curriculum is ongoing at Mountain View Elementary School. Students receive computer-assisted instruction on a regular schedule. Software programs such as i-Ready develop reading skills and mathematical proficiency.

The District's Student Technology Implementation Plan is fully implemented at Mountain View Elementary School. Students in grades TK-5 each have their own Chromebook to use in class (1:1).

Textbooks and Instructional Materials List			-20 School Year		
Subject	Textbook		Adopted		
Reading/Language Arts	Journeys, Houghton Mifflin	Journeys, Houghton Mifflin (K-5)			
Mathematics	<i>My Math,</i> McGraw-Hill (k	2016			
Science	California Science, Harcourt	2008			
History/Social Science	California History-Social Science: my V Pearson Scott Foresman & Prenti	2019			
Comprehensive Curriculum	Opening the World of Learning, P	2012			
Digital Literacy	Common Sense Education/Digital C	tizenship (K-5)	2018		

#### Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks	2019	-20 School Year
Criteria		Yes/No
Are the textbooks adopted from the most recent state-approved governing-board-approved list?	or local	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?		Yes
Do all students, including English learners, have access to their or and instructional materials to use in class and to take home?	wn textbooks	Yes

# Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned text-books and instructional materials.

#### Percentage of Students Lacking Materials by Subject

#### 2019-20 School Year

Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	<b>*</b>
Foreign language	<b>*</b>
Health	<b>*</b>

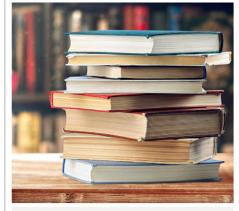

#### Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

#### Currency of Textbooks

2019-20 School Year

**Data collection date** 9/9/2019

#### School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status	0 School Year	
Items Inspected	Repair Status	
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation of	Good	
Interior: Interior surfaces (floors, ceilings, walls and window casings)		Good
Cleanliness: Pest/vermin control, overall cleanliness	Good	
Electrical: Electrical systems	Good	
Restrooms/fountains: Restrooms, sinks and drinking fountains	Good	
Safety: Fire safety, emergency systems, hazardous materials	Good	
Structural: Structural condition, roofs	Good	
External: Windows/doors/gates/fences, playgrounds/school ground	Good	
Overall summary of facility conditions	Good	
Date of the most recent school site inspection	9/24/2019	
Date of the most recent completion of the inspection form		9/24/2019

"We encourage students on a daily basis to follow our school motto and SOAR: Show respect, Obtain trust, Accept responsibility and Remain safe."

#### School Facilities

Mountain View Elementary School provides a safe, clean environment for students, staff and volunteers. The school is on 11 acres. School facilities were built in 1963, spanning approximately 56,000 square feet and include the library, multipurpose room, 27 permanent classrooms, 11 portable classrooms, a school library and playground. Modernizations were made in 1977 and 2004. A local bond provided funding for new construction and updating facilities at the school. A permanent wing containing eight classrooms and two special education classes offered through the county replaced some portable classrooms. The facility strongly supports teaching and learning through its ample classroom and playground space and staff resource room.

**Safety:** The safety of students and the staff is a primary concern of Mountain View Elementary School. The school is a closed campus. All visitors must check in at the office and wear identification badges while on school grounds. During recess, lunch, and before and after school, teachers and classified staff monitor the campus to ensure student safety throughout the school day.

**Cleaning Process:** A team of three custodians cleans classrooms, restrooms and the campus grounds on a daily basis. A scheduled maintenance program is administered by the Mountain View School District to ensure all classrooms and facilities are well maintained and provide a suitable learning environment.

**Maintenance and Repair:** District and school maintenance staffs make necessary repairs in a prompt and timely manner to keep the school in good working order. At the time this report was published, 100 percent of restrooms on campus are in good working order. A work-order process is used to maintain efficient service and give emergency repairs the highest priority.

Throughout the years, the district has conducted major as well as minor maintenance projects to address fields, irrigation, playground surfaces, parking lot surfaces and exterior building improvements such as painting and other repairs. Major facility maintenance and improvement projects are currently being paid through general obligation (GO) bonds.

#### Types of Services Funded

In addition to general fund and state funding, Mountain View School District received state and federal categorical funding for the following categorical, special education and support programs:

- Special Education: IDEA Part B, Section 611, Local Assistance Entitlement
- Special Education: Mental Health Services funding
- No Child Left Behind (NCLB): Title II, Part A, Teacher Quality
- NCLB: Title III, Limited English Proficiency (LEP) student program
- Medi-Cal billing
- Lottery: Instructional Materials
- · Lottery: Unrestricted
- Low Performing Student Block Grant

#### **Teacher Qualifications**

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Credential Information		Three-Year Data		
	Mountain View SD	Mountain View ES		
Teachers	19-20	17-18	18-19	19-20
With a full credential	104	19	19	18
Without a full credential	0	1	0	0
Teaching outside subject area of competence (with full credential)	0	0	0	0

#### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions		Three-Year Data	
	Mountain View ES		
Teachers	17-18	18-19	19-20
Teacher misassignments of English learners	0	0	1
Total teacher misassignments	0	0	0
Vacant teacher positions	0	0	0

"We ask students each day to come to school ready to learn and be effective."

#### **Public Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

# Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Academic Counselors and School Support Staff Data		
2018-19 School Year		
	Ratio	
Academic counselors	<b>*</b>	
Support Staff	FTE	
Counselor (academic, social/behavioral or career development)	0.25	
Library media teacher (librarian)	0.00	
Library media services staff (paraprofessional)	1.00	
Psychologist	0.50	
Social worker	0.00	
Nurse	0.25	
Speech/language/hearing specialist	0.75	
Resource specialist (nonteaching)	1.00	

#### Financial Data

The financial data displayed in this SARC is from the 2017-18 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

#### District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data 2017-18 Fiscal Yea		
	Mountain View SD	Similar Sized District
Beginning teacher salary	\$50,391	\$49,378
Midrange teacher salary	\$84,308	\$77,190
Highest teacher salary	\$100,000	\$96,607
Average elementary school principal salary	\$121,249	\$122,074
Average middle school principal salary	\$122,965	\$126,560
Superintendent salary	\$196,141	\$189,346
Teacher salaries: percentage of budget	37%	36%
Administrative salaries: percentage of budget	6%	6%

#### Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		2017-18 Fiscal Year	
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary	
Mountain View ES	\$6,055	\$85,966	
Mountain View SD	\$8,608	\$85,367	
California	\$7,507	\$77,619	
School and district: percentage difference	-29.7%	+0.7%	
School and California: percentage difference	-19.3%	+10.8%	

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at http://dq.cde.ca.gov/dataquest. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1. All data accurate as of December 2019.

#### School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data		
2017-18 Fiscal Year		
Total expenditures per pupil	\$6,912	
Expenditures per pupil from restricted sources	\$857	
Expenditures per pupil from unrestricted sources	\$6,055	
Annual average teacher salary	\$85,966	

#### Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.
