# Downtown Elementary School School Accountability Report Card Reported Using Data from the 2018-19 School Year

**Published During 2019-20** 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### School Description and Mission Statement (School Year 2019-20)

The School Accountability Report Card was established by Proposition 98, an initiative passed by California voters. As you read this Report Card, you will gain a better understanding of Downtown as a school with a record of high achievement, a faculty that is professionally skilled and personally committed to meeting the learning needs of students, and a student body which is enthusiastic and motivated to perform well. Learning activities include problem based challenges, working cooperatively, and engaged in technology and engineering principles.

We, the faculty and staff of Downtown School, are dedicated to maximizing learning for all.

Our mission statement: Excellence in Everything!

Our Vision: We envision a school where all students know they are valued for their individuality and are supported to grow in a manner that best reflects their individual strengths and talents. It is our goal to assist each child in becoming a contributing member of a multicultural society by creating an environment that nurtures each child's love of learning, promotes academic excellence, cultivates social consciousness, develops physical strength, and ensures emotional wellbeing.

Our school focus is Engineering and we incorporate creative engineering learning activities K-8 in our day and after school programs.

Our four main school goals are to:

- 1. Ensure that all students are learning successfully at high levels.
- 2. Ensure that all students are behaving successfully.
- 3. Ensure a Safe School Environment.
- 4. Ensure a high level of welcoming parent and community involvement.

All our school programs work in a coordinated way to support achievement of the goals stated above.

#### A. Conditions of Learning

#### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they
  are teaching;
- Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair

#### **Teacher Credentials**

Teachers		School 2018-19	School 2019-20	District 2019-20
With Full Credential	13	13		
Without Full Credential	0	0		
Teaching Outside Subject Area of Competence (with full credential)	2	1		

#### **Teacher Misassignments and Vacant Teacher Positions**

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	
Total Teacher Misassignments*	0	0	
Vacant Teacher Positions	0	0	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. \*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

#### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September, 2019

Every student is provided with sufficient and standards-aligned textbooks or other instructional materials.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Downtown School was built in 1997. It sits on 1.96 acres of which 1.26 acres is playground. This school has 14 classrooms, a multi-purpose, music room, learning center and library. The campus has a staff lounge.

The custodial staff adheres to a weekly cleaning schedule that includes classrooms, restrooms, cafeteria and kitchen areas.

The District's Mobile Maintenance Team visits the school site at least twice a year. Maintenance emergencies are addressed immediately. District personnel maintain the grounds at least once every two weeks.

This site also is maintained to ensure a clean, safe, and functional facility as determined pursuant to a Facility Inspection Tool developed by the State of California Office of Public School Construction.

#### School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 10/28/19

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good

Safety: Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary	

#### **B. Pupil Outcomes**

#### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	81	80	35	36	50	50
Mathematics (grades 3-8 and 11)	62	67	23	22	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	193	193	100.00	0.00	79.79
Male	86	86	100.00	0.00	75.58

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
Female	107	107	100.00	0.00	83.18
Black or African American	13	13	100.00	0.00	53.85

English Learners					
Students with Disabilities	18	18	100.00	0.00	33.33
Students Receiving Migrant Education Services					
Foster Youth					
Homeless					

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

#### **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

• Pupil outcomes in the subject areas of physical education.

#### California Physical Fitness Test Results (School Year 2018-19)

Grade <i>Level</i>	Grade Level Percentage of Students  Meeting Four of Six  Fitness Standards		Percentage of Students Meeting Six of Six Fitness Standards		
5	30.0	30.0	26.7

#### C. Engagement

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### **Opportunities for Parental Involvement (School Year 2019-20)**

Downtown School's Family & Community Engagement (F.A.C.E.) liaison supports involvement in our school in many different avenues. The FACE Liaison recruits, guides, and promotes parents, family and community members to be involved in the multitude of program opportunities at our school. We have many ways for parents and community members to be an integral part of our educational programs and we have a large cadre of faithful volunteers. Parents, grandparents, and community members volunteer regularly in the classroom, as part of the Parent Brigade Car Valet program, coaching academic and athletic student teams, in PTA fund raising events and in numerous celebrations. As part of the Downtown business community, we encourage professionals and other community volunteers to help on campus. Downtown School takes pride in saluting America's Veterans during our annual celebration inviting vets related to our students, and from the community in general, to our large, colorful, and honoring event. The Community Partners in Education is another opportunity for us to connect with neighboring businesses and organizations to enhance the educational experience for students and adults alike. We are also connected to many community volunteers through the KCSOS Community Reading Project, offering targeted reading foundational support to second graders. Many volunteer workers come to help in the classroom wherever needed. We truly appreciate all the help and involvement from our volunteers and recognize them annually at Volunteer Appreciation events. As an additional outreach to our downtown community, walking field trips to many of the city offices, museums, and service centers are also scheduled to enrich student learning and make a strong connection to our downtown city area.

We promote effective communication through our web site, Remind text app, monthly e-newsletters, flyers regarding upcoming events, global e-mails to all parents, and teacher e-mails regarding student activities and progress to parents. We recognize that parents are a critical aspect of the educational process. They provide input in school programs, help review and monitor school improvement initiatives, and enhance our program through involvement in the PTA, SSC, sports and academic event coaches, parent advisory committees, and as classroom volunteers. Parents can call our school office at (661) 631-5920 to access information concerning participation opportunities, speak to our FACE liaison, or email klassens@bcsd.com.

#### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### **Suspensions and Expulsions**

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Expulsions	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1	0.1

#### School Safety Plan (School Year 2019-20)

Downtown established its Comprehensive School Safety Plan in 1998. A law enforcement officer specializing in safety provided direction in the establishment of the School Safety Plan. Downtown's School Safety Plan is current and is updated annually. Recent reviews of the plan were held with the staff on September 19, 2019 and with the SSC on February 15, 2019. It will be reviewed again for 2020-21 on February 28, 2020. The reviews included the new elements of the BCSD Standard Response Protocol (SRP). Key elements of Downtown's School Safety Plan include the following: (a) routine and emergency disaster procedures; (b) suspension, and expulsion procedures; (c) teacher notification of pupils with a specific discipline history; (d) child abuse reporting procedures, (e) the district's sexual harassment policy; (f) school crime data; (g) the student dress code; (h) safe entrance and exit procedures; (i) the civil defense and disaster plan; and (j) discipline rules and procedures. Our overall goal is to maintain a safe and orderly school environment conducive to learning.

#### **Professional Development (Most Recent Three Years)**

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	2	2

Professional development is designed to provide continuous learning opportunities for administrators, teachers, and classified personnel. Training opportunities affirm the basic philosophy of education that learning is a lifelong process that contributes to the well-being of the students, teachers, administrators, and community. Professional Development is an essential component of effective instruction and student learning.

All training revolves around identified needs of students and adults for the purpose of the improvement of instruction and increasing content knowledge. Central to all training are student achievement data, district focus areas, the Common Core State Standards, the state adopted standards-based instructional materials, and strategies to effectively teach the academic content standards to all students.

We also provided extensive professional development for Professional Learning Communities through our Service Delivery Model. On-site coaching and support is provided by academic coaches and district specialists for reading/language arts, mathematics, science, writing and social emotional learning. The district provides time and resources for collaboration, planning, and professional development. Additionally, we provided professional development on Multi-Tiered Systems of Support and Support to school and district teams.

Teachers new to the District received four days of professional development prior to the beginning of the school year focused on orientation to District and school site policies and services, Common Core State Standards, classroom management, curriculum and pacing, using technology and setting up the classroom. Teachers in their second year with the District received two days of professional development prior to the beginning of the school year provided by the school site and focused on improving best practices.

New teachers with California preliminary credentials received professional development through the Bakersfield City School District (BCSD) Teacher Induction Program (TIP). The focus of BCSD TIP is being mentored by an experienced teacher, growing in the California Standards for the Teaching Profession (CSTP) and meeting the California Induction standards. The culmination of TIP is the recommendation for the CA Clear Credential. Each TIP teacher was assigned a veteran teacher who served as a mentor. The mentors received on-going professional development in coaching/mentoring strategies, instructional strategies, and guiding cycles of inquiry. Professional development was provided through individual mentoring, monthly meetings, and after-school workshops.

Intern teachers received professional development at monthly meetings focusing on the initial teaching skills of the CSTP including classroom management, lesson planning, assessment, and establishing a climate that is conducive to student achievement. Each Intern was assigned a mentor that provided day-to-day support in these areas as well as advisement toward meeting credential requirements. Mentors received monthly professional development in meeting the needs of Intern teachers. Interns also received coursework and supervision from universities partnered with BCSD to provide the Intern Program.

Teachers on Short Term Staffing Permits (STSPs) were provided mentors and monthly trainings on beginning pedagogy and best teaching practices. Each teacher on a STSP designed a plan to meet requirements to move to a CA Intern or Preliminary Credential. Support was provided for required testing and BCSD staff worked closely with university partners to ensure teachers on permits were taking prerequisite requirements to move to credentials.

Teachers on Provisional Intern Permits (PIPs) were provided a weekly cohort meeting focused on beginning pedagogy. Two cohort meetings occurred weekly to allow teachers on a PIP to work around university course schedules. Support was provided for required testing and BCSD staff worked closely with university partners to ensure teachers on permits were taking prerequisite requirements to move to credentials.
