#### **School Description**

LAVA is made up of three small learning communities: TK-2 Home Education, 3-8 Virtual Academy, and TK-8 Home Hospital Program. Our mission is to provide educational pathways for all students, all of the time. Our vision is to build self-driven learners, and help students learn how to advocate for their learning needs.

The Home Education, Lancaster Alternative Virtual Academy (LAVA) and Home Hospital staff work closely with students and their families to find options and excellence in education. Our team of educators work together to serve those who will benefit from an alternative school setting.

The TK-2nd Home Education Program gives families the support and curriculum they need to deliver instruction in the method that best meets the needs of their child. The teacher reviews the content with the parents/guardians to help them understand the concept and best way to deliver the information. The areas of study are English, Math, Social Sciences, Science, Physical Education, Health, and VAPA. The teacher grades the work and assesses students using "I Can," statements to ensure the state standards are being met. We also offer workshops for students on campus in ELA, Math, and Music at least once per week.

LAVA is a 3rd-8th blended learning, blended teaching program. We strive to meet the unique educational needs of each student to attain their full potential through an innovative, project-based, technology-rich environment. LAVA offers students a flexible learning environment supported by credentialed teachers who provide face-to-face small group instruction and online feedback and support. The majority of the work is done independently using an online teaching/learning platform. The teachers provide hands-on learning sessions four days a week. A music teacher provides sessions on the fifth day related to music literacy. These workshop are an opportunity for students to socialize, work collaboratively, and experience hands-on learning.

Our TK-8 Home and Hospital Program provides instruction to students with a temporary disability in the students' home or in a hospital. The primary outcome of Home and Hospital Instruction is to maintain a student and the student's former level of performance while recovering from the temporary disability so as not to jeopardize the student's future performance upon returning to school.

#### **About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks were selected from the most recent list of standards-based materials adopted by the California State Board of Education and are consistent with the content and cycles of the curriculum frameworks adopted by the SBE. Textbooks are chosen after careful review and piloting by teachers and then are approved by the Board of Trustees. There are textbooks/instructional materials for each student in each subject. All adopted textbooks are in fair to new condition.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

#### General

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the Los Angeles County Office of Education. The results of this survey are available at the school office or at the district office.

#### **School Buildings**

LAVA is adjacent to the Sunnydale Elementary School campus. Six portable buildings house the front/principal's office and 4 classrooms as well as a combined student/staff lounge with restrooms.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The Supervisor of Operations works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### Deferred Maintenance Budget

Although the State no longer requires a Deferred Maintenance contribution, Lancaster School District is still dedicated to maintaining the facilities for our students. These expenditures would include but not be limited to roofing, plumbing, heating, air conditioning, electrical, painting, and flooring. For the 2019-20 school year, the district has budgeted \$940,000 for deferred maintenance projects.

#### Deferred Maintenance Project

A flag pole was installed in 2019. A marquee and landscaping will be added to the campus.

#### **B. Pupil Outcomes**

#### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019-20)

Lancaster Alternative Virtual Academy provides a variety of opportunities for family involvement including, but not limited to school functions, program orientation meetings, parent/guardian content workshops, and parent/teacher conferences. Parents and community members may also serve on the School Safety Committee and School Site Council. There are also opportunities for parental involvement on district level committees.

For further information, contact Jane D'Anna, Director of Alternative Learning Opportunities at 661-488-7600.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### **School Safety Plan**

Safety Plans are revised and reviewed annually with the staff and School Site Council at the beginning of each school year. Key elements addressed by the plan include:

- Child abuse reporting procedures
- Disaster and emergency procedures
- Incident Command System (ICS) responsibilities
- Teacher notification of dangerous students
- Sexual harassment policy
- School-wide dress code
- Provisions for safe ingress and egress to and from school
- Provisions for a safe and orderly environment conducive to learning
- Rules and procedures on school discipline

- Procedures for reporting hate crime
- Emergency response procedures
- Bullying prevention, programs, and reporting procedures
- Suicide prevention policy and programs
- Threat assessment procedures
- Visitor policies and procedures
- School rules
- Equipment and supplies
- Communication systems

A full description of all elements is available from the school office or from the Pupil Safety and Attendance Department of the District Office.

|---|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 25      | 25      | 26      |

The Lancaster School District provides professional development throughout the school year that trains and supports staff in the effective implementation of our adopted core and cornerstone programs including, but not limited to: 21st Century Instructional Strategies, Unit and Lesson Design and Delivery, Data Analysis, Leadership Training, Writing Instruction, Coaching, Direct Instruction, Conceptual Development, Building Academic Vocabulary, Culturally Responsive Teaching and Learning (including Capturing Kids Hearts), Integrating Technology into the Classroom, PBIS, Intervention, and Differentiation in Strategies for teaching EL, GATE, and at-risk students. High-quality, ongoing professional development opportunities are recognized as an important component in our work towards continuous improvement in student learning.

Ongoing opportunities include in-services during and after the work day as well as through site and district in-class and on-site coaching. All teachers are provided multiple opportunities to receive optional paid professional development. The school year calendar allows for 38 minimum days in which 17 days are utilized to provide 1-2 hours of district and site designed professional development specific to their needs. Outside workshops, conferences and other in-services that provide more in-depth training and further prepare our staff members to become trainers for our district are available as approved by the Board of Trustees.

Professional development supporting our instructional programs and services for students is also provided for our classified staff members. Additionally, workshops designed to improve technology skills, provide training with key software programs utilized in the district, and offer information on personal excellence and social responsibility are included in the professional development course offerings for classified staff throughout the school year.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

#### **Types of Services Funded**

Local Control Funding Formula (LCFF) Base, Supplemental, and Concentration funds are utilized as outlined in the Local Control Accountability Plan (LCAP) to ensure that all students receive the intervention or enrichment support and services that are needed to help them become proficient in academic areas and details the actions associated with meeting the specific needs of English Learners, foster and homeless youth, and low-income students. Before and after school tutoring for at risk and EL students is available through Title I funding.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
