# 2018-19 School Accountability Report Card

Published February 2020

# Principal's Message

Greetings! Please accept this invitation to explore Seaside Elementary School's Annual School Accountability Report Card where you will find important information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities, and staff. Understanding our educational program, student achievement, curriculum development and parent involvement will support our partnership in the education and care of Seaside students.

Seaside Elementary School is focused on providing all students with the opportunity to develop and learn in a safe and supportive environment. We accommodate individual learning styles while maintaining high expectations for students. At Seaside, we are quite proud of our stimulating rigorous academic program, the support we provide to each individual child, our strong relationship with parents through the PTA and all the activities and events that occur throughout the school year.

Seaside is a special place. Staff and parents truly work together to create a learning environment that promotes academic, physical, social and emotional development. The relationships created at Seaside frequently last a lifetime and we are confident that you will find what people say about us to be true: Once you come to Seaside, you don't want to leave.

# **School Description**

Seaside Elementary School is located in the southwestern region of Torrance and serves students in grades transitional kindergarten through five following a traditional calendar. At the beginning of the 2018-19 school year, 507 students were enrolled, including 15.4% in special education, 13.8% qualifying for English Language Learner support, and 16.8% qualifying for free or reduced price lunch.

#### **Physical Fitness**

In the spring of each year, Seaside Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2018-19					
	Percentage of Students Meeting Standards				
Grade Level Tested	Four of Six Fitness Standards Five of Six Fitness Standards Standards Standards				
Fifth	14.8	37.0	38.3		

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

# California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments chart; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in *Parent Involvement*.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in *Dropout & Graduation Rates*, including the Dropout chart; and *Graduation Requirements*, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in *Physical Fitness*, including the Physical Fitness Test chart.

#### Parent Involvement

Parents are encouraged to be involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group and attending school events.

Parents are informed of upcoming events and school activities through the school marquee, the school website, and weekly Splash newsletters thru email. Contact the

PTA President at (310) 533-4532 for more information on how to become involved in your child's learning environment.

# School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities campus supervision. maintenance and Elementary School's original facilities were built in 1949; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

## 2018-19 Campus Improvements:

- Science lab to be installed Winter 2018
- Installation of 10 TVs
- Maintenance repair of two ball walls

2019-20 Planned Campus Improvements:

• Installation of new electronic marquee

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Seaside Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- General maintenance
- Restroom cleaning
- Trash removal
- Event setup/cleanup

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Event setup/cleanup

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

#### **Deferred Maintenance**

Seaside Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating. conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2018-19 school year, Seaside Elementary School did not receive deferred maintenance funds for campus repairs and/or improvements.

#### **Facilities Inspection**

The district's maintenance department inspects Seaside Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Seaside Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Friday, February 14, 2020. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2019-20, all restrooms were fully functional and available for student use at the time of the inspection.

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

#### Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the following individuals are strategically assigned to designated entrance areas and the playground: teachers on duty. During recess, teachers on duty supervise playground activity. Noon aides monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, teachers monitor student behavior to ensure a safe and orderly departure.

Seaside Elementary School is a closed campus. During school hours, all visitors must be buzzed in at the front school entry gate where office staff members can monitor who is at the gate. They must also sign in at the school's office with a valid state issued identification card to be scanned through the Raptor security system and wear the printed identification sticker while on school grounds.

#### School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Seaside Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of

dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in April 2019.

# **Classroom Environment**

#### Discipline & Climate for Learning

Seaside Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Positive Behavior Intervention Supports (PBIS) are used to support the development of Pro-social behavior among students. Students are taught desired behaviors and behavior charts are posted in each classroom for consistency throughout the school. Aspects of Character Counts! are implemented to support the development of trustworthiness, respect, responsibility, fairness, caring and citizenship. Recognition is provided for students who demonstrate each trait in an outstanding manner.

# Curriculum & Instruction

### Staff Development

All training and curriculum development activities at Seaside Elementary School revolve around the California State Content Standards and Frameworks. During the 2018-19 school year, Seaside Elementary School held staff development training devoted to:

- California State Standards Math
- Instructional Strategies for Gifted & Talented Students
- Guided Reading Instruction
- Mainstreaming for Inclusion of all Students
- Positive Behavior Interventions and Supports (PBIS)
- Professional Learning Communities (PLC's)

Decisions concerning selection of staff development activities are performed by all staff using tools such as state assessment results and districtwide teacher input to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Seaside Elementary School supports ongoing professional growth throughout the year during weekly site PLC meetings on early release Wednesdays. Teachers meet in grade level teams to conduct data

analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2017-18, 2018-19 and 2019-20 school years, Seaside Elementary School's teachers had the opportunity to attend the following events hosted by the Torrance Unified School District:

- Next Generation Science Standards (NGSS)
- Gifted and Talented Education (GATE)
- English New Core Novel Unit Planning
- CCSS Math Lesson Study
- English Language Arts D3/A3 Training (CCSS Instructional Processes)
- Fountas & Pinnell Guided Reading
- Cognitively Guided Instruction
- Comprehensive Sexual Health Education
- Daily 5/Cafe Training (Group Reading Strategies)
- English Language Arts (ELA) Wonders Textbook Training
- ELA & Social Studies Model CCSS Unit Design
- English Language Development (ELD) Standards & Benchmark Training
- ELA/ELD Framework Training
- Designated and Integrated ELD Strategies
- Solution Tree

Seaside Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

#### **Instructional Materials**

All textbooks used in the core curriculum at Seaside Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Monday, October 07, 2019, the Torrance Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional

<sup>\*\*&</sup>quot;Other" category is for multi-grade level classes.

materials have been provided to students. The Board of Education adopted the resolution which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, Torrance Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

# **Professional Staff**

# Counseling & Support Staff

Seaside Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Seaside Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

#### Teacher Assignment

During the 2018-19 school year, Seaside Elementary School had 21 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

#### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2017-18 salary comparison data was the most recent data available at the time this report was published.)

<sup>\*</sup>Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

#### **Expenditures Per Student**

For the 2017-18 school year, Torrance Unified School District spent an average of \$10.305 of total general funds to educate each student (based on 2017-18 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries found the CDE website can www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
