School Description

"The Joli Ann community believes all students will excel academically through perseverance, critical thinking, problem solving, and a love of learning. All students will be empowered to lead with empathy as contributing members of their world." Our mission reflects our beliefs that it is our responsibility to teach a rigorous and relevant curriculum to all students, while instilling in students habits that lead to a successful life. Working together as a professional learning community, we provide all students with the tools necessary to meet the intellectual, social, emotional and physical challenges of the twenty-first century. We ensure equitable access to learning so that all children reach their true potential. Additionally we strive to support in our students in a desire to learn and work hard, to think creatively and critically, and to believe that they will be successful in their future years of schooling in their chosen careers.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

^{*}Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Reading and Writing:

Students receive a standards-based curriculum designed to "help build creativity and innovation, critical thinking and problem solving, collaboration, and communication fulfilling California's vision that all students graduate from our public-school system as lifelong learners and have the skills and knowledge necessary to be ready to assume their position in our global economy." ELA CCSS

Students use a variety of instructional materials in ELA to meet these instructional goals.

ELA Supplemental Instructional Materials
Benchmark Steps to Advance
K-5 Benchmark Universe, digital library, and resources
Fountas & Pinnell Guided Reading Handbook
Enterprise STAR Assessment
Lexia personalized digital program

Math:

Students receive standards-based curriculum designed to provide instruction that focuses on "concepts that are emphasized in the standards so that students can gain strong foundational conceptual understanding, a high degree of procedural skill and fluency, and the ability to apply the mathematics they know to solve problems inside and outside the mathematics classroom." Math CCSS

Students use a variety of instructional materials in math to meet these instructional goals.

Mathematics Supplemental Instructional Materials

- K-5 Math Investigations Kit, 2012 Pearson
- K-5 Math Manipulatives, Nasco, Lakeshore, Good Stuff suppliers
- K-5 Teaching Student Centered Math Teacher
- K-2 Math Expressions workbook, Houghton Mifflin
- K-5 Math Journals
- K-5 Math iReady workbook, Curriculum Associates

Math San Francisco Unified School District (online)

Dream Box personalized digital program

Science:

The district has adopted the Scott Foresman California Science program for Kindergarten through fifth grade. This program is used as a resource for teaching the California science content standards. Emphasis is on physical, life, and earth science, with investigation and experimentation a central focus of instruction. Integration of NGSS grade level standards occur through Benchmark Advance ELA-ELD core curriculum. District is in the building awareness phase of NGSS Standards.

Social Studies:

The district has adopted California Reflections published by Harcourt as a resource for teaching the California content standards in history-social science. The curriculum content at each grade level focuses on chronology, research evidence, point of view, and historical interpretation. Integration of Social Studies grade level standards occur through Benchmark Advance ELA-ELD core curriculum.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions and Planned Improvements

Our school includes eight buildings, of which eight are portables. Together they accommodate approximately 880 people. Joli Ann Leichtag Elementary has 36 classrooms, a multi-purpose room, a library and an administration building. JALE opened its beautiful, well supplied, high-tech facility on September 1, 2008. Each classroom is equipped with a projection system, 7-8 computers, a document camera and access to the Internet. All classrooms in grades 1-5 have SMART boards. Our 2nd through 5th grade students experience one to one technology with Chromebooks and iPads and our kindergarten and 1st grade students have carts to share. Our office, library, and multi-purpose room effectively support our programs. Joli Ann Leichtag Elementary provides student places to grow and learn, in and out of the classroom. We have a large playing field, two climbing structures, tetherball courts, handball courts, four-square courts, hopscotch and basketball courts. Our upper and lower blacktop areas provide students with opportunities to exercise and play cooperatively.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	54	54	65	67	50	50
Math	49	53	51	52	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are a vital component of our educational program. Parent members serve on our School Site Council, which approves our annual Single Plan for Student Achievement. Parents provide regular classroom volunteer assistance and help with field trips. Our Parent-Teacher-Organization (PTO) supports fundraising, sponsors student assemblies and activities, and provides assistance during school events. Parents also serve on the English Learner Advisory council (ELAC), which advises the principal regarding matters concerning students learning English. Additionally, monthly coffee chats with the principals are held on topics of interest to parents to better keep them and supported in the educational process. Finally, family nights on character mathematics are held periodically and provide an interactive experience for the entire family.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Safety Plan includes data regarding crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lock down procedures. Our School Safety Plan was reviewed and approved by our School Site Council on October 8, 2019. A copy of the plan is available for inspection by the public at each school.

Student safety is a primary concern at our school. Working with a traffic safety engineer hired by our district, we have streamlined our student drop-off and pick-up areas and modified traffic flow on streets near the school. A new stop sign was installed at the entrance to our parking lot, and new safety signs have been supplied by the district. Two supervisors and administration assist with drop off each morning, and four staff members and administration help in the parking lot at dismissal each day. Crossing guards at busy intersections near school help children cross safely every morning and afternoon. Teachers and playground supervisors monitor students outside the classrooms. Staff monitors the playgrounds before school and during recesses. We also hold monthly drills including fire, disaster, earthquake, and intruder alerts.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20

San Marcos Unified School District (SMUSD) is committed to the belief that the strongest predictor of student achievement is the quality of the teacher inside the classroom. In support of this belief, SMUSD is deeply committed to teacher learning and professional development as evidenced by our district mission statement.

San Marcos Unified School District's Mission Statement includes these commitments:

- "hiring and retaining only the best educators and investing in their success."
- "providing quality education based on high standards, effective practices, continuous improvement, and innovation."

Every new teacher in our district engages in a rigorous 2 year training program where the new employee receives 30 hours of professional development on our research-based instructional framework, the Essential Elements of Instruction (EEI). These instructional strategies apply to any curricular area and any grade level. New administrators to the District receive professional learning in this instructional framework as well.

In the 2018-2019 school year, the elementary level focused professional learning on the continued implementation of state academic standards in English language Arts (ELA), English language development (ELD) and mathematics. Our district ELA/ELD leadership team received training in Tier I literacy and ELD grounded in formative, summative assessments, and differentiated instruction. Our Math cadre teachers received on-going professional development in math instruction and assessments. Teacher grade level leaders received support to deepen their understanding of effective Professional Learning Communities (PLC).

Various means of professional learning were offered: face-to-face workshops during the regular work day, during school breaks, after school as well as online sessions available for staff. Principals and ELA/ELD and math teacher leaders provided staff development during regularly scheduled staff meeting throughout the year. Teachers who work with students with special needs engaged in ongoing collaboration to implement more inclusive delivery models.

Teachers continued to engage in professional development each week as they worked collaboratively during their structured teacher collaboration time (early release Wednesdays for elementary/middle school staff and late start Tuesdays for high school staff). This provided teachers the opportunity to share best practices to meet students' needs. Teachers on Special Assignment (TOSAs) provided professional development and worked with teachers in their classrooms modeling strategies, planning collaboratively, and providing support.

^{** &}quot;Other" category is for multi-grade level classes.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
