Pinon Hills Elementary School School Accountability Report Card Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Principal's Message

I'd like to welcome you to Piñon Hills Elementary School's Annual School Accountability Report Card and thank you for taking the time to review it. This opportunity allows us to be in compliance with Proposition 98, which identifies the school accountability report card as a required notice that every school in California must issue. It is the belief of Piñon Hills Elementary School that students can and will excel in an environment that is tailored to their needs. Although we recognize our areas of need and concern, we are extremely proud that we continue to strive to meet all academic goals set by the state, district and federal governments. Our hard working staff are both skilled and dedicated to the success of all students. We are fortunate to have experienced and knowledgeable teachers eager to make a difference for our students. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. Our goal in presenting you with this information is to keep our community, and the public, well informed. We desire to keep the lines of communication open and welcome any suggestions, comments, or questions you may have. It is my opinion and that of the Snowline Joint Unified School District that a well-informed public is vital in continuing to advance student abilities and knowledge in an ever-evolving world. Thank you for helping Piñon Hills Elementary School change with the times and maintain flexibility.

Mission Statement

Piñon Hills Elementary Core Values: Piñon Hills Elementary School is committed to providing high-quality education to our diverse learning community (students, staff, families, and community members) through our core values:

- Cohesive teamwork
- Consistent communication
- Caring and safe environment
- Commitment to success
- Connectivity within our learning community

Piñon Hills Purpose Statement: As a caring team of professionals, our purpose is to educate children and enrich their lives by providing a beneficial learning environment to help them grow in character, critical thought, and academics to become responsible, productive citizens.

School Profile

Piñon Hills Elementary School, an AVID school, serves students in grades PreK-5 following a traditional calendar. Piñon Hills Elementary offers a top-notch team-oriented teaching staff, dedicated to exploring strategies to address the needs of each student. Staff are united under the school's motto Dream to Achieve - Achieve the Dream, making a difference and doing "whatever it takes" to help students succeed in their studies. Daily activities are culturally, linguistically appropriate and designed to meet social, emotional, cognitive, and physical development needs of students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

| Teachers | School 2017-18 | School 2018-19 | School 2019-20 | District 2019-20 |
|--|-------------------|-------------------|-------------------|---------------------|
| With Full Credential | 18 | 17 | 15 | 317 |
| Without Full Credential | 0 | 3 | 5 | 19 |
| Teaching Outside Subject Area of Competence (with full credential) | 0 | 0 | 0 | 0 |

Teacher Misassignments and Vacant Teacher Positions

| Indicator | 2017-18 | 2018-19 | 2019-20 |
|--|---------|---------|---------|
| Misassignments of Teachers of English Learners | 0 | 0 | 0 |
| Total Teacher Misassignments* | 0 | 0 | 0 |
| Vacant Teacher Positions | 0 | 0 | 0 |

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. *Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 10, 2019

All textbooks used in the core curriculum are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 11, 2018 the Snowline Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #19-1352 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Snowline Joint Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

| Subject | Textbooks and Other Instructional Materials/year of Adoption | From Most Recent Adoption? | Percent Students Lacking Own Assigned Copy |
|-----------------------|--|----------------------------------|--|
| Reading/Language Arts | McGraw-Hill School Education: World of Wonders TK (2017) McGraw-Hill School Education: Reading Wonders K-6 (2017) | Yes | 0 |
| Mathematics | McGraw Hill My Math (2019) | No | 0 |
| Science | Houghton Mifflin, Houghton Mifflin California Science @2007 (2007) Houghton Mifflin Harcourt, Splash Into Pre-K (2014) for TK | Yes | 0 |

|------------------------|--|----------------------------------|--|
| History-Social Science | Harcourt School Publishers, Reflections: California Series (2006) Houghton Mifflin Harcourt, Splash Into Pre-K (2014) for TK Although the current history/social science materials are not from the most recent state adoption, our district has determined they are similarly aligned to the state standards. The teachers use supplemental units and materials to fill any gaps. Our math teams continue to meet collaboratively around essential standard instruction, learning, and assessment. | No | 0 |

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the custodian and campus monitors inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. The custodians monitor the facilities throughout the day to ensure students and staff are safe during and after school. Two-day custodians and four evening custodians are assigned to Baldy Mesa Elementary School. The day custodians are responsible for:

- Cafeteria setup/cleanup
- Office area cleaning
- Restroom cleaning
- General cleaning of classrooms
- Special event preparation

The day custodian checks restrooms throughout the day for cleanliness and subsequently cleans restrooms as needed. The evening custodians are responsible for thoroughly cleaning restrooms and classrooms. The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Pinon Hills Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2018-19 school year, Pinon Hills Elementary School received \$44,804.57 in deferred maintenance funds for the repair and/or maintenance of asphalt, plumbing, HVAC, painting, carpet, fire alarm system, and district wide wall system.

For the 2019-20 school year, the district has budgeted \$750,000 for the deferred maintenance program. This represents 0.865% of the Snowline Joint Unified School District general fund budget.

School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to
 the University of California and the California State University, or career technical education sequences or programs
 of study.

| Mathematics (grades 3-8 and 11) | 38 | 40 | 33 | 34 | 38 | 39 |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through ConnectEd (automated telephone message delivery system), flyers, school marquee, "Home and School Connection" newsletter, school calendar, bi-monthly school newsletter, and phone calls. School-to-home communication is provided in English and Spanish. Contact Rene Palmer at (760) 868-4424 for more information on how to become involved in your child's learning environment.

School Safety Plan (School Year 2019-20)

The Comprehensive School Site Safety Plan was developed for Piñon Hills Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in August 2019.

Professional development over the past three years has included a sustained focus on the Common Core State Standards (CCSS) in both English language arts (ELA) and mathematics. Student achievement data clearly shows that both the former and the latter need significant attention in regards to instructional practices and intervention. Additionally, teachers are being provided textbook adoption training in the areas of math (TK-8) and history/social science (6-12) to ensure effectiveness and fidelity when it comes to using the new curricular materials. The Next Generation Science Standards (NGSS) Transition Team, composed of elementary and secondary teachers, continues to learn and build its capacity in efforts to coach and support colleagues at their respective campuses. Tier I and upper tier Positive Behavior Interventions and Supports (PBIS) forums offer PBIS coaches and administrators training and collaboration opportunities intended to enhance PBIS systems across the district. The New Teacher Academy supports both teachers who are new to the profession as well as veteran teachers who are new to Snowline. This school year, all Snowline teachers will participate in the first of five Kagan Cooperative Learning trainings, which are designed to show educators how to raise the level of student engagement and, in turn, increase student achievement. The importance of ensuring quality professional development for our instructional paraprofessionals is also a priority. Training days on how to properly assess literacy and support students with special needs are facilitated.

The following are the number of professional development days (full school days) allocated to specific areas of need over the course of three years (2017-18, 2018-19, 2019-20).

A vast majority of professional development occurs in-district during the school day. Substitute coverage for participating teachers is coordinated through the Student Learning and Support Services department. The training sessions are generally facilitated by district and site administrators and teachers.

Professional Learning Communities (PLC), supported by site administrators and district personnel, are the primary vehicles utilized to evaluate student academic data and classroom teaching practices. Snowline has moved towards greater consistency in regards to assessments used across the district. All students in grades 3-8 and 11 participate in the Interim Assessment Blocks (IAB), which align with the California Assessment of Student Performance and Progress (CAASPP) and is an accurate performance predictor for the same. Principals and other site administrators conduct classroom visitations and provide specific feedback to teachers that validates strong teaching practices and/or brings attention to areas in need of growth. Teachers have a great deal of access when it comes to obtaining the specific professional development they need in order to maximize their effectiveness and increase the level of learning among their students.
