School Description

Robla School is part of the Robla School District, which consists of five elementary schools and one preschool program, serving over 2,000 students. The district is located within the City of Sacramento, northeast of the central city. The Robla School District was originally established as the Oak Grove School District in the early 1890s. The district's name was changed to Robla School District in 1916. Robla is a derivative of the Spanish word "roble" which means "cluster of British Oak trees." During the past school year, Robla School served nearly 500 students in transitional kindergarten through sixth grade on a traditional schedule.

Principal's Message: Welcome to Robla School, home of the Mustangs! We are proud of Robla School and welcome this opportunity to provide information about the school's instructional programs, academic achievement, resources, students, and staff.

We believe that belonging to a safe, caring learning community is central to fulfilling our mission to help children become knowledgeable, responsible and caring citizens. All students are important, accepted and respected. Our school motto is The Robla School Rises which means that in times of difficulty, we work hard, persevere and always give our best. The students are to also behave The Mustang Way which incorporates the 4R's. The 4R's are Respect, Responsibility, Really Safe and Ready to Learn.

We are fortunate to have dedicated and knowledgeable teachers, assistants, and support staff, eager to make a difference for our students. They have high expectations and an unshakable belief that all children deserve a rich elementary education. We are committed and take a professional approach to teaching a common core curriculum, providing lessons, assessments and report cards based on State Common Core Standards and educational research. When students have difficulty, we go to work to provide a plan for intervention and additional support.

Parents are our partners in discovering the special skills and talents of our students and guiding their learning to high standards. A special emphasis is placed on making all school contacts friendly and welcoming to the diverse families being served. We also have a PTC-Parent Teacher Club that supports the many school functions we have throughout the school year. They are an integral partner which helps the everyday functioning and achievement of our school.

Our students thrive in the friendly, small school environment. Younger students have older class buddies and join in a variety of field trips, art, tech, drama, and creative activities. Also, students explore environmental studies on our nearby bike trail. Opportunities to participate in leadership and community service throughout the year are coordinated by our Student Council.

District Vision Statement: Every student reaches their potential in a growth-minded environment rich in challenging practices and reflective learning for all.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2018-19 Student Enrollment by Grade Level

Grade Level	Number of Students	
Kindergarten	70	
Grade 1	49	
Grade 2	52	
Grade 3	55	
Grade 4	51	
Grade 5	51	
Grade 6	58	
Total Enrollment	386	

2018-19 Student Enrollment by Group

Group	Percent of Total Enrollment
Black or African American	11.7
American Indian or Alaska Native	1
Asian	22.3
Filipino	1.3
Hispanic or Latino	37.8
Native Hawaiian or Pacific Islander	0.5
White	23.1
Two or More Races	2.1
Socioeconomically Disadvantaged	83.9
English Learners	30.6
Students with Disabilities	12.4
Foster Youth	0.8
Homeless	16.3

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for Robla Elementary	17-18	18-19	19-20
With Full Credential	25	25	22
Without Full Credential	0	0	2
Teaching Outside Subject Area of Competence	0	0	0

Teacher Credentials for Robla Elementary	17-18	18-19	19-20
With Full Credential	*	*	118
Without Full Credential	+	*	6
Teaching Outside Subject Area of Competence	*	+	0

Teacher Misassignments and Vacant Teacher Positions at Robla Elementary School

Indicator	17-18	18-19	19-20
Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

^{*}Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Robla Elementary School District held a public hearing on August 29, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Textbooks and Instructional Materials

Year and month in which data were collected: 2019 August

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption				
Reading/Language Arts	McGraw Hill/2017 The textbooks listed are from most recent adoption:	Yes			
	Percent of students lacking their own assigned textbook:				
Mathematics	Pearson/2015				
	The textbooks listed are from most recent adoption:	Yes			
	Percent of students lacking their own assigned textbook:	0			
Science	Harcourt/2006				
	The textbooks listed are from most recent adoption:	Yes			
	Percent of students lacking their own assigned textbook:	0			
History-Social Science	Grades TK-5: Scott Foresman/2006; Grade 6: Prentice Hall/	2006			
	The textbooks listed are from most recent adoption:	Yes			
	Percent of students lacking their own assigned textbook:	0			

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

Robla School was originally constructed in 1896 and has since undergone complete modernization. Major additions to the site were constructed in the 1920s and 1950s, with the first major gutting and renovation of the grounds occurring in 1945. In 1989, all of the school's older classrooms were updated with new cabinetry and whiteboards. Carpets are replaced in all classrooms on a rotating basis. During the 2004-05 school year, six new classrooms were constructed to aid in class size reduction. During the summer of 2009, Robla School had the front loading/drop off zone reconstructed to relieve congestion which in turn made it safer for Robla families. The front zone also had an upgrade in the landscaping which made if a more beautiful and welcoming entrance. Also in the summer of 2009, Robla School had the two intermediate bathrooms completely modernized with new urinals, toilets, and sinks. The campus is currently comprised of 22 classrooms (including portables), a library, one computer lab, one staff room, a cafeteria/multipurpose room, a kitchen, two playgrounds, the main office, and three administrative offices.

Major construction projects are scheduled to take place at Robla School during the 2020-2021 school year. A new two-story building will house classrooms, the school office, and the school library. Portable classrooms will be demolished. All classrooms in permanent wings at the school will be modernized and brought up to the "21 Century Classroom" standard.

Cleaning Process: Robla School provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with an emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The Principal works daily with the custodial staff of three to develop cleaning schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair: A scheduled maintenance program is administered by Robla School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Robla Elementary School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 2019 December

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Poor	

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Fair	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	41	41	35	36	50	50
Math	34	36	27	27	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

Percentage of Students Meeting or Exceeding the State Standard

Subject	School	School	District	District	State	State
	17-18	18-19	17-18	18-19	17-18	18-19
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	8	23	46

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	217	215	99.08	40.93
Male	118	117	99.15	33.33
Female	99	98	98.99	50.00
Black or African American	24	22	91.67	18.18
American Indian or Alaska Native			-	
Asian	45	45	100.00	42.22
Filipino			-1	
Hispanic or Latino	91	91	100.00	39.56
Native Hawaiian or Pacific Islander			1	
White	47	47	100.00	55.32
Two or More Races			-1	
Socioeconomically Disadvantaged	178	176	98.88	38.64
English Learners	92	92	100.00	47.83
Students with Disabilities	32	31	96.88	6.45
Foster Youth			-	
Homeless	41	41	100.00	0.00

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2018-19 CAASPP Assessment Results - Mathematics

Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	217	215	99.08	35.81
Male	118	117	99.15	35.90
Female	99	98	98.99	35.71

Students with Disabilities	32	31	96.88	6.45
Foster Youth		-		
Homeless	41	41	100.00	0.00

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Robla School District has a tremendous amount of parent and community support. Parents may participate at Robla School by volunteering in the classroom, chaperoning field trips, assisting with school activities, or sitting on committees such as the School Site Council and English Language Advisory.

The Robla Education Foundation, in partnership with the school community and local businesses, provides resources to support and enrich safe and effective education and social opportunities for children and families in the diverse Robla community.

Robla is also fortunate and privileged to have a Parent Teacher Club (PTC). Their main function is helping in school activities as well as supporting as needed. This partnership and type of community involvement will enhance the learning environment for all of our children.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

All visitors to Robla School must show their license/ID and sign in at the office and wear a visitor pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch and after school. Supervision is a responsibility shared between playground supervisors, parents, teachers, and the administration.

Robla School strives to maintain a safe, healthy, nurturing and orderly school campus that encourages positive attitudes in students and staff. Schoolwide PBIS (Positive Behavior Intervention and Supports) was implemented in 2014. The schoolwide system is a proactive way of teaching proper behaviors to our students. There are also many interventions and strategies used to enhance a more positive interaction with students when they don't make appropriate choices. Data is regularly collected and analyzed to make informed team decisions about school safety and climate.

The School Site Safety is reviewed annually and shared with all school community members Key elements of the plan focus on disaster and emergency preparedness, staff communication, and security on campus. Emergency drills are held on a regular basis: fire drills are held once a month, earthquake drills are held once a year and three lockdown drills are scheduled annually.

Suspensions and Expulsions for the School	2016-17	2017-18	2018-19
Suspensions Rate	1.8	1.6	0.7
Expulsions Rate	0.0	0.0	0.0

Suspensions and Expulsions for the District	2016-17	2017-18	2018-19
Suspensions Rate	4.7	3.7	1.7
Expulsions Rate	0.0	0.0	0.0

Suspensions and Expulsions for the State	2016-17	2017-18	2018-19
Suspensions Rate	3.6	3.5	3.5
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselor*	.0

^{*} One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2018-19)

Title	Number of Full-Time Equivalent (FTE)
Counselor (Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	.10
Library Media Services Staff (Paraprofessional)	.75
Psychologist	.50
Social Worker	.50
Nurse	.40
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	0
Other	3.0

One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2016-17 Average Class Size	2016-17 # of Classes* Size 1-20	2016-17 # of Classes* Size 21-32	2016-17 # of Classes* Size 33+	2017-18 Average Class Size	2017-18 # of Classes* Size 1-20	2017-18 # of Classes* Size 21-32	2017-18 # of Classes* Size 33+	2018-19 Average Class Size	2018-19 # of Classes* Size 1-20	2018-19 # of Classes* Size 21-32	2018-19 # of Classes* Size 33+

Other**												

^{*}Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

In the Robla School District, we believe in life-long learning, and all staff members in the district are given opportunities to continue their learning. It does not matter how long you have been working as a teacher, an administrator, as a bus driver or as a custodian, there are still new skills to be learned. This is the concept behind professional learning days that take place throughout each school year in the Robla School District.

Each year, the school schedule includes professional learning days for all staff. The first professional learning day is scheduled on the day before the first day of school. The second day is scheduled at the end of the first trimester of the school year. The third day is scheduled at the end of the second trimester of the school year. Students in the district do not attend school on these days in order to allow all staff to participate in learning activities.

For classified staff, the focus of these learning days is based upon the learning needs of each department in the school district. Learning for custodians may focus on the correct use of new equipment that has been purchased for use by the custodian in their cleaning duties. Learning for kitchen staff may focus on the use of new equipment or on healthy meal planning or scratch cooking techniques. Secretaries may focus their learning on new office software or on social-emotional learning practices for use with students who come to the office. Each department lead will consider the needs of the staff, seek input from staff members or may be directed to focus on a specific learning need. For example, all staff members at all levels are being training in appropriate response techniques in an active shooter situation. A district team was trained in specific techniques by a consulting firm. The training team then conducts training for different department staff members on different days during the school year, until all staff members have been trained.

For certificated staff, teachers, administrators, and specialists, professional learning has focused since the start of the 2017-2018 on specific high impact instructional practices. The Robla School District, in partnership with the Resourcing Excellence in Education (REEd) Center at the University of California at Davis, has defined specific guidelines around effective teaching. These research-based practices focus on specific teacher behaviors and specific student behaviors which increase active learning, language production, and higher-level thinking in the classroom. Another area of focus is Social/Emotional Learning which provides specific strategies for ensuring schools are calm and students feel safe physically and emotionally.

Professional Learning Support Teachers (PLSTs) then provide on-going support for staff as they take these practices back to their classrooms for implementation. The PLSTs are classroom teachers who work in pairs. Each pair, one at first grade, one at fourth grade and one at sixth grade, offer support in a variety of ways. They might come to a classroom and model a specific teaching practice. They might serve as a substitute in a classroom to allow the teacher to leave and observe another teacher at his/her grade level who has shown exemplary skill with a certain teaching technique. They might team teach a lesson with a teacher and offer coaching in real-time as the lesson is taking place. PLSTs are available to teachers at all grade levels and all levels of experience. A teacher may contact them directly for support with all practices that are the focus of our professional learning.

PLSTs and Principals receive on-going training in coaching techniques to ensure that they are gaining skill in effective practices for supporting teachers. Special coaching training sessions take place throughout the school year. Specific techniques are discussed and coaches are then encouraged to put them into practice. Follow-up training sessions allow coaches to share their experiences and refine their skills.

^{** &}quot;Other" category is for multi-grade level classes.

Professional Learning Communities (PLCs) are also at the core of professional learning for all certificated staff. PLC training was provided to all teachers and administrators during the 2017-2018 school year. Our system has been designed to allow teachers to meet in PLC teams throughout the school year. Classroom teachers meet in grade-level teams at their school on a weekly basis when their students are in enrichment activities with enrichment teachers. In addition, District-wide PLC meetings are held once a trimester where all teachers at a grade level are able to meet together as a PLC focused on the needs of that specific grade level. Principals and PLSTs also support this work as they provide coaching to PLC teams as needed or as requested.

Additional Professional Learning activities are offered to all staff after the end of the school day. The focus of these trainings is based on the needs of staff. Recent focus areas for teachers include technology in the classroom, social-emotional learning, and foundation skills in English Language Arts. All staff members at all levels are also invited to Resilience training, which takes place throughout the school year after school. Resilience focuses on the relationships we have with the members of the community we serve with a special emphasis on cultural sensitivity. This work is done in consultation with the Roberts Family Development Center and our Resilience consultant, Dr. Sara Truebridge.

FY 2017-18 Teacher and Administrative Salaries

Category	District Amount	State Average for Districts In Same Category	
Beginning Teacher Salary	\$49739	\$49,378	
Mid-Range Teacher Salary	\$73628	\$77,190	
Highest Teacher Salary	\$95858	\$96,607	
Average Principal Salary (ES)	\$109399	\$122,074	
Average Principal Salary (MS)	\$	\$126,560	
Average Principal Salary (HS)	\$	\$126,920	
Superintendent Salary	\$146020	\$189,346	

Percent of District Budget	District Amount	State Average for Districts In Same Category
Teacher Salaries	36%	36%
Administrative Salaries	5%	6%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

FY 2017-18 Expenditures Per Pupil and School Site Teacher Salaries

Level	Total	Restricted	Unrestricted	Average Teacher Salary
School Site	8131.08	1143.75	6987.33	72,146
District	N/A	N/A	6916.64	
State	N/A	N/A		

Percent Differences	Unrestricted	Average Teacher Salary
School Site/District	1.0	4.8
School Site/ State	-12.8	0.9

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

English Learner (EL) students receive instruction in English Language Development (ELD) for an additional thirty minutes each day. Classroom instruction is supported by both Spanish and Hmong bilingual assistants. Special needs students are identified early and appropriate interventions are utilized by classroom teachers and school staff. Students who still exhibit difficulties are referred to the Student Study Team for consideration, which could include special education, counseling, and other alternative educational approaches. The school's Resource Specialist Program (RSP) and Special Day Classes provide educational options based on Individualized Educational Plan (IEP) that outline specific learning goals and objectives. Speech and Language therapy is provided by district specialists.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
