# Kipp Prize Preparatory Academy School Accountability Report Card Reported Using Data from the 2018-19 School Year

**Published During 2019-20** 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **About This School**

School Contact Information (School Year 2019-20)

Entity	Contact Information

### School Description and Mission Statement (School Year 2019-20)

### Description

KIPP Prize Preparatory Academy is a free, open-enrollment, public charter school open to all students in San Jose. The middle school opened in the Alum Rock district in July of 2014 with 100 fifth grade students. Each year, the school has added a grade level and now the school is fifth-through-eighth grade middle school.

#### Mission

At KIPP Prize Preparatory Academy we know that the prize will not be sent to us. We have to win it. We know that some of the most competitive and robust opportunities in life and career exist in our own backyard- and we relentlessly prepare our students to be able to access those opportunities.

We provide a rigorous literacy-based, college preparatory curriculum combined with an emphasis on personalized learning, character, and a diverse range of cultural and enrichment experiences to enable our students to access the opportunities in the Silicon Valley and beyond. We believe that an excellent school is built when a thriving student and staff culture work in tandem, to climb the mountain to college.

We know that on our journey to college-readiness, there will be challenges. In partnership with our engaged and active families, we persist in our mission by approaching each second of each day of each year with joy and love- drawing on our most joyful and creative moments and keeping our eyes on the prize of our choice.

### Student Enrollment by Grade Level (School Year 2018-19)

Grade Level	Number of Students
Grade 5	105
Grade 6	106
Grade 7	105
Grade 8	100
Total Enrollment	416

### Student Enrollment by Group (School Year 2018-19)

Student Group	Percent of Total Enrollment
Black or African American	1.7
Asian	17.1
Filipino	1.4
Hispanic or Latino	79.1
White	0.2
Two or More Races	0.5
Socioeconomically Disadvantaged	82
English Learners	25.2
Students with Disabilities	7.5
Homeless	5.3

# School Facility Conditions and Planned Improvements (Most Recent Year)

KIPP supports and operates schools in communities that have the highest need. KIPP invests in the maintenance of school buildings to keep them at the standard that all students deserve. 1. KIPP will prioritize creating a safe, clean and welcoming learning environment by keeping school facilities in good condition; 2. KIPP will take the necessary steps to make sure the school facility is safe and secure by requiring regular maintenance on our facility, gates, and locks; 3. KIPP will put into place procedures for emergencies to ensure the safety of our students and staff; 4. KIPP will regularly conduct site reviews of the school facility, share the results and work with the landlord to resolve any issues.

# School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

### Year and month of the most recent FIT report: 01/14/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Fair	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	

System Inspected	Rating	Repair Needed and Action Taken or Planned
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Fair	
Overall Rating	Good	

# **B. Pupil Outcomes**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

# CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	57	52	41	40	50	50
Mathematics (grades 3-8 and 11)	41	50	33	33	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

# CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	405	402	99.26	0.74	51.74
Male	201	199	99.00	1.00	44.72
Female	204	203	99.51	0.49	58.62
Black or African American					
American Indian or Alaska Native					

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
Asian	69	69	100.00	0.00	88.41
Filipino					
Hispanic or Latino	320	317	99.06	0.94	44.48
Native Hawaiian or Pacific Islander					
White					
Two or More Races					
Socioeconomically Disadvantaged	331	328	99.09	0.91	47.56
English Learners	248	245	98.79	1.21	42.45
Students with Disabilities	33	33	100.00	0.00	3.03
Students Receiving Migrant Education Services					
Foster Youth					
Homeless	22	22	100.00	0.00	40.91

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	406	404	99.51	0.49	50.00
Male	202	201	99.50	0.50	44.78
Female	204	203	99.51	0.49	55.17
Black or African American					
American Indian or Alaska Native					
Asian	70	70	100.00	0.00	91.43
Filipino					
Hispanic or Latino	320	318	99.38	0.62	41.82
Native Hawaiian or Pacific Islander					
White					

Student Group	Total Number Percent Enrollment Tested Tested			Percent Not Tested	Percent Met or Exceeded
Two or More Races					
Socioeconomically Disadvantaged	332	330	99.40	0.60	46.67
English Learners	249	247	99.20	0.80	42.11
Students with Disabilities	33	33	100.00	0.00	3.03
Students Receiving Migrant Education Services					
Foster Youth					
Homeless	22	22	100.00	0.00	27.27

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

# Percentage of Students Meeting or Exceeding the State Standard

Subject	School	School	District	District	State	State
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19
Science (grades 5, 8 and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

# C. Engagement

### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

At KIPP, constant communication between the school and home are encouraged and facilitated. Parents are involved in planned parent nights as well as parent/teacher conferences where they will learn about their child's progress and strategies to support their child at home. By staying committed to open communication with the parents, it helps provide the proper support that KIPP students need in order for them to be successful.

In an effort to develop the best possible relationships with the community that we serve, we supply all of our teachers with cellular phones in order to maintain open communication with families. On the first day of school, parents will be given the cellular phone number of all staff members and will be encouraged to use it whenever they need clarification about an academic assignment or need to talk to the teacher about their child's progress.

Parents participate in family meetings to receive training on how to support the development of their child's reading, writing and mathematical skills at home, as well as financial planning sessions. Parents are engaged annually regarding the states' local assessment tools including the California State Dashboard and the Local Control and Accountability Plan. Other opportunities for parent involvement include newsletters, local field trips and end of year trips, and fun events such as picnics and dances.

KIPP's School Site Council (SSC) reviewed and approved both a Parent Compact and Parent Engagement Policy that was distributed to all students, student families and staff. These documents will be reviewed annually by the elected council to ensure that the policies are aligned with the needs at the school.

# **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### **Suspensions and Expulsions**

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19
Suspensions	2.0	4.8	3.6	2.8	3.8	2.2	3.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

# School Safety Plan (School Year 2019-20)

KIPP Prize Academy has a comprehensive safety plan that is updated annually.

The plan includes the following elements:

- Fire safety and evacuation procedures
- Earthquake safety and evacuation procedures
- On campus threat and evacuation procedures
- · Emergency coding system
- Staff responsibilities

### Average Class Size and Class Size Distribution (Secondary)

Subject	Average	# of	# of	# of	Average	# of	# of	2017-18 # of Classes* Size 33+	Average	# of	# of	2018-19 # of Classes* Size 33+
English	32		2	1	33		3	3	34			6
Mathematics					33		3	3	34			6
Science	32		2	1	33		3	3	34			6
Social Science					32		3		33			3

<sup>\*</sup>Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

# Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselors*	.0

<sup>\*</sup>One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### **Professional Development (Most Recent Three Years)**

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	15	15	15

At KIPP, the School Leader sets the tone and develop the conditions under which staff members become the keepers of the school's culture and values. As a result, staff development supports the school's mission and basic values by fostering a positive campus culture, sharing the best instructional practices, and encouraging individual teacher growth.

Beginning in staff orientation before school begins, the School Leader ensures that teachers fully understand and support the school's mission, goals, and basic values, emphasizing a rigorous, standards-based college preparatory program. This orientation involves specific activities designed to align the staff and foster teamwork and constant learning while allowing staff to understand the detailed intricacies of the school culture. As part of the learning and team-building process, staff visits a local KIPP school and/or founding KIPP School. The orientation is aligned with the school's goals and objectives and includes workshops around data-driven instruction, backwards planning model, and building positive relationships with students. In addition, staff is trained in various teaching strategies to ensure that all students are provided with multiple avenues to access the curriculum.

During the school year, staff development continues through 5 professional development days, weekly staff meetings, and department and grade-level team meetings. KIPP teachers participate in two weeks of inservice during which they are trained to function effectively within the parameters of the school and to meet the goals outlined in the accountability agreement. Teachers observe each other and other excellent teachers in the community, and receive regular feedback on their performance, goals, and growth from the School Leader. Teachers consistently exchange best practices with each other and teachers at similar schools. Teachers also have the opportunity to attend subject-matter conferences with other KIPP teachers around the country as well as an annual gathering of over 2,000 KIPP teachers for a week-long conference of learning best practices.
