Bellevue Elementary School
School Accountability Report Card
Reported Using Data from the 2018-19 School Year
Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	28	23	24	24	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents play an important role in our school community and are formally involved through a myriad of exciting opportunities. We celebrate student successes and invite parents to attend monthly Awards Assemblies, Winter Concert, Talent Show, Science Fair, and Kindergarten and 6th Grade Promotion. Parents are also invited to attend monthly Principal Coffee, Read Across America Day, Back to School Night, Open House and various other special assemblies/events and field trips. We offer parenting workshops and evening educational events such as Literacy Night, Science Night, and Family Math. Parents participate in the governance and support of Bellevue Elementary through service on our School Site Council, our Parent Teacher Organization, the English Language Advisory Committee, and Local Control and Accountability Planning. Parents are also encouraged to volunteer at our school. Parents can assist in the classrooms and/or accompany students on field trips. At Bellevue Elementary School we value our parent community and enjoy working together to benefit our students.

State Priority: School Climate

School Safety Plan (School Year 2019-20)

Our school's Safety Plan assures the safety of students and staff in case of an emergency. It includes the ability to communicate with the district office and outside agencies for ongoing support services through a strong network of city, county, state and federal communication services. School-wide safety drills are conducted monthly. The School Plan is updated annually and was last updated in the spring of 2019 and approved by the School Board Fall 2019. School Safety is discussed at the School Site Council meetings, PTO meetings, and during Certificated and Classified staff meetings. At Bellevue School we believe that student safety is our highest priority.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Ongoing professional development is an important part of improving our school program. The school district and Bellevue School provide professional development targeted to raise student performance on the API and AYP. The major improvement efforts this year have focused on English Language Development and ELPAC training. Site leadership team including teachers and principal have participated in the California Principals Support Network to focus on developing and sustaining strong professional learning communities with a collaborative culture. 100% of the teachers at our school have engaged in advanced training designed to promote specific skills or information related to these school priorities and objectives. Our district also provides individualized coaching through the use of a consulting teacher and release time to observe in other classrooms for teachers to receive additional professional development and support in individual areas of need. Teachers meet at least weekly in PLCs and collaboration time to analyze student data, plan instruction and evaluate student learning. Technology is used extensively to disaggregate and analyze student data to guide instruction.
