Paloma Elementary School
School Accountability Report Card
Reported Using Data from the 2018-19 School Year
Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Paloma Elementary School opened its doors in 1995. Our current school enrollment is 607 students.

Paloma has been selected as a California Distinguished School in both 1998 and again in 2012.

In 2017, our school was awarded the Silver Ribbon as a Green Ribbon School.

OUR VISION:
Paloma Elementary School will ensure that all children meet challenging academic standards through powerful learning experiences in a positive, motivating environment.

OUR SCHOOL MISSION:
- All students will learn a relevant and rigorous core curriculum which emphasizes interdependence among subject areas.
- The staff will provide a learning environment which supports the social, intellectual, physical, and emotional growth of every child.
- Staff excellence will be supported through meaningful staff development, increased opportunities for decision making, and collaboration.
- The school will use a system of authentic, performance-based assessments and use existing norm-referenced data to ensure accountability.
- The school community will foster students' ability to make wise decisions, practice ethical values and appreciate cultural differences.
- The school will continue to develop and maintain a comprehensive program to increase partnerships with parents, businesses, and the community.

School Facility Conditions and Planned Improvements (Most Recent Year)

Paloma Elementary School's physical facility has the following: 37 total classrooms - TK-5 with computer in each classroom - Internet accessible (26 general education classrooms, 3 SDC classrooms), 2 Speech and Language / Behavioral Health / APE Rooms, 2 RSP Rooms, a Library with 6 search stations-over 25,000 books-professional and student, a Multi-purpose Room with portable stage and curtain/high tech lighting, 1 Psychologist's office, 1 Principal's Office, 1 Intervention Administrator's Office, 1 Front Office, 1 Health/Nurse's Office, 1 Food Service Kitchen located in MPR, 1 Staff Lounge, 1 Staff Workrooms, 1 Conference Room,1 Literacy Room, and 1 Daycare Facility. The school facility is routinely maintained and cleaned to ensure safety. TVUSD's Maintenance and Operations division works diligently to ensure our facilities are clean and safe for students, teachers and staff. The district follows a comprehensive preventive and deferred maintenance program to offset costly repairs and minimize disruptions to the instructional program. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Our school has one full time lead custodian during school hours, and a night crew that comes in and cleans the facility after school hours. In addition, between two and three times a year the carpets are steam cleaned.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	60	55	54	55	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Paloma Elementary School has many opportunities for parents to become involved in their child's education, including Paloma's Parent Volunteer Program, Parent Information Meetings, Family Events, Family Nights, Parent Conferences, Watch D.O.G.S., PTA, Back-to-School Night, Open House, Trunk or Treat, Salute to Heroes, Winter Wonderland, Community Advisory Partnership (CAP), English Learner Advisory Committee (ELAC), and VIP Lunch.

We communicate regularly with parents through our weekly school newsletter (Panther Planner), classroom newsletters, reports to parents, the school website, the Blackboard phone messaging and email system, the Infinite Campus Parent Portal, the K12 Insight Communication system, and the school marquee. For more information, contact the school at (951) 302-5165.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

School safety is a high priority for our school and district. Our school has a comprehensive School Safety Plan, which is updated annually based on student and staff changes. The plan covers topics such as disaster response, safe ingress and egress and ensuring a safe and orderly environment.

Our school is a closed campus that is fully enclosed by fencing. School visitors and volunteers are required to sign in, using our Raptor system and by presenting their identification, at the front office prior to entering campus. In instances of emergency, we use an automated telephone and email system (Blackboard), and the school website to contact parents with pertinent information.

To better prepare our teachers, students and staff for emergencies, our school conducts emergency drills regularly throughout the school year. Education Code mandates that all elementary and middle schools hold a fire drill each month they are in session as well as an earthquake drill at least four times during the school year. We also participate in Lock Down drills three times per year. All classrooms have posted Emergency Plans and information. All staff members have access to the complete School Safety Plan.

District Commitment to Learning for All Students

The Temecula Valley Unified School District is committed to ensuring that each and every child in its care receives a rigorous, multifaceted educational experience preparing them for the demands of college and career.

TVUSD teachers engage in active staff development throughout the year by attending:

In-District training sessions provided by staff and consultants.

Site-based training sessions presented during staff meetings and committee/grade level meetings.

One on one training provided during formal observations and post observation conferences.

Staff members are sent to national and state conferences to fine-tune instructional practices in specific areas.

Teachers with specialized training are given opportunities to train their peers, and provide instructional support as teacher leaders.

Standards Based Instruction

Staff development focuses on implementing the New State Standards and state frameworks in English-Language Arts, Science, social science, and Math, K-12. Routine district sessions bring teacher leaders and principals together to devise and refine the curriculum and assessments. Teams began by identifying priority and supporting standards, grouping the standards into units of instruction, and crafting common interim and summative assessments, developing scoring rubrics, and discussing sound grading practices for each course/grade. Leaders return to sites to facilitate their grade level/course teams in reviewing the work, suggesting resources, and providing feedback for the refinement committees.

Collaborative Teams

Teachers are divided into Professional Learning Communities (PLCs) based on content area and grade level. All instructional staff participate almost weekly during professional growth time meeting in their PLC groups to align curriculum, refine teaching strategies, create assessments, analyze student achievement data and transition to New State Standards.
