SUNKIST ELEMENTARY SCHOOL
School Accountability Report Card
Reported Using Data from the 2018-19 School Year
Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Sunkist School was founded in 1959. The school is located in the city of Port Hueneme, California and is one of eleven schools in the Hueneme Elementary School District. Sunkist School, a TK/Kinder through 5th grade school, is a learning community of students, families, highly qualified professionals, and the neighboring public. We are committed to providing a complete education with a focus on College and Career Readiness and implementing integrated units for students to learn the California Common Core State Standards. We also work to meet the cultural, social and emotional needs of all students as we prepare them to lead effective, responsible and meaningful lives.

As a neighborhood school, we are fortunate to have strong community support. Motivated and dedicated employees and volunteers work together to develop the intellectual, physical, social and emotional potential of each student.

The week before school started, Sunkist offered two engaging events: 1. A week of Kinder Readines Camp, this helped our new students to become acclimated to the students future "home" during the school day and 2. Pre-Back to School Night, families could come for two hours and meet their teachers. This was for new and returning families.

Working in partnership with other educators in the Hueneme Elementary School District, we are able to offer after school academic, enrichment and recreation classes to students. In addition, we conduct Kaiser Permanente Assemblies, Response to Intervention Parent nights, Parent Education Nights; known as Loving Solutions and English Language Development Parent Nights. Each grade level is asked to include at least one "Opening Doors" event every year: Art Show event, Art Trek Parent Night, SPARKS Parent Day are just a few of the "Opening Doors" events, Car Show event, This is our second year of including every morning for parents to come on campus to exercise, dance or walk the track with their children. Our school is also one of five schools implementing the "Circle of Friends" club, to help students better adjust to meeting new people. The month of March, we do daily events to promote Kindness as well as each class wrote at the beginning of the year "What Kindess Looks Like at Sunkist" books. This was a way to build school community in each of the classrooms. We also work in collaboration with our local colleges and community leaders to have a College and Career Fair every April. Students in grades 4 and 5 rotate to two colleges and three careers to have an understanding of the future can hold for our students.

Sunkist is working on integrated lessons with our new Wonders implementation. Data/Collaboration days are used to help grade levels design lessons that incorporate all areas of academia as well as the social emotional piece for our students learning.

Sunkist has added two new components to helping our students be the best they can be: 1. Multi-Tiered System of Support (MTSS). In this area we have a committee of teachers, classified and administrators to help look at three areas: academics, behavior and social and emotional well being of our students. It is a 3 tier pyramid that we are working on to pertain to our Sunkist students. 2. 5th grade teachers have added Advancement Via Individual Determination (AVID). This is designed to help students with the College and Career awareness as well as organizational skills.

Sunkist Elementary School's Mission: We will INSPIRE our students to explore, dream big, and develop social and civic responsibility through a balanced learning program. They will THRIVE as we foster perseverance and resiliency in a safe, culturally responsive, and inclusive community. We will EMPOWER our students by teaching them critical thinking skills through a rigorous academic experience in a digitally-rich environment.

A. Conditions of Learning

State Priority: Basic
The SARC provides the following information relevant to the State priority: Basic (Priority 1):
- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 2019

Textbooks and instructional materials were selected from the most recent list of standards-based materials adopted by the State Board of Education (SBE) for grades K-8 and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Materials are available to 100% of our pupils. Zero percent (0%) of pupils in this district lack their own assigned textbooks and instructional materials.

School Facility Conditions and Planned Improvements (Most Recent Year)

Sunkist School maintains facilities that ensure a safe, clean learning environment. Facilities are adequate to serve the needs of our students and staff. Our school site is well maintained and is free of graffiti and litter.

Facilities are repaired whenever needed to ensure safety of students, staff and visitors. Daily inspections and staff input serve to identify needed repairs. Our safe and clean campus is evidence of successful facility maintenance. Together, school and district personnel work to ensure that the campus is maintained in a manner that ensures it is clean, safe and functional as determined pursuant to an interim evaluation instrument developed by the State of California Office of Public School Construction.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:
- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	22	30	18	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Many opportunities exist for parents to become involved at Sunkist School.

At Sunkist, parents can volunteer for different school-wide activities. The School Site Council and English Language Learners Council allow parent and community participation in policy development and allocation of school funds. Several other committees, including the District Advisory Council, District English Learners Advisory Committee, and the Gifted and Talented Education program, encourage parent participation.

We encourage our parents and guardians to join the school PTA.

We invite parents to attend evening classes for: Response to Intervention Parent nights, Parent Education Nights; known as Triple P, Loving Solutions and English Language Development Parent Nights. Every morning, before school starts, we encourage parents to exercise, dance or walk the track with their child/ren.

Our school counselor works with Interface Children and Family Services to offer parent education classes.

Any parent who would like to become a volunteer may call the office at 805-986-8722 and talk with the Office Manager, Maribel Magdelano.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

• Pupil suspension rates;
• Pupil expulsion rates; and
• Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Sunkist students and parents are notified yearly regarding the school-wide discipline plan, included in the folder of information sent home to parents. In an effort to ensure a safe and secure campus, parents and other visitors are required to check in at the school office and get a badge to wear while on campus.

Campus gates are locked after school begins each morning and are re-opened before dismissal time. We have paid campus assistance that supervise the students while on campus, prior to the first bell ringing.

Parents are reminded to follow established traffic regulations when dropping off or picking up their children.

First aid kits, red backpacks and fire extinguishers are in place and ready for emergency use.

The School Safety Plan was reviewed and updated in February 15, 2019 and was discussed with staff May 22, 2019 as well as November 19, 2019.

Every teacher on campus has a phone in their room as well as a walkie talkie. The walkie talkies are used for whenever the teachers leaves the room with their class they are expected to carry it with them.

Sunkist also has regular drills for the safety of our students: lockdown, fire drill, earthquake drills, and shelter in place.

We make periodic phone calls home to discuss the parking lot safety concerns, as well as, sending weekly bulletins to families to remind them of parking lot safety. The principal and assistant principal are in the front parking lot and the back gate before and after school to ensure safety of the students.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Administrators, teachers and paraprofessionals participate in professional development focused on the California Common Core State Standards in order to improve their skills in teaching and assessment of student learning. The primary focus areas are instruction of grade-level content standards, intervention strategies for students who have not mastered standards, and assessment of student progress.

The primary area of focus for the most recent three-year period was:
- English Language Arts
- English Language Development
- Writing
- Mathematics
- C.H.A.M.P.S. Program (Conversation, Help, Activity, Movement, Participation, Successful Students)

Professional development is offered during the teaching day, on three student-free staff development days, during summer institutes, after school, and on weekends. Substitute teachers are provided and the negotiated hourly rate is offered for attendance.

During the school year, teachers are supported by classroom observations, staff meetings, and grade-level/content area collaboration. Professional learning agendas are based on student achievement data and teacher input. In reading/language arts and mathematics, student performance data is ongoing and evaluated using a common assessment. A Student Progress Report aligned to the California Common Core State Standards is sent to parents at the end of each trimester.
