Ridgeview Elementary School
School Accountability Report Card
Reported Using Data from the 2018-19 School Year
Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

PRINCIPAL'S MESSAGE

Ridgeview Elementary School opened in 1990. It operates on a traditional calendar and educates students from transitional kindergarten through fifth grade. As principal, I have the pleasure of introducing you to the annual School Accountability Report Card (SARC) for Ridgeview Elementary School. The SARC contains important information which you can use to learn about all aspects of our school. Information includes achievement scores, demographics, ongoing assessments, discipline, budget, and a report on facilities. We view this as an opportunity to publish our accomplishments of which we are proud, and outline our plans for continued improvement in the future.

Ridgeview has demonstrated academic improvement as measured by performance on the CAASPP. These scores are an indicator of our success in teaching the California Common Core State Standards at all grade levels. It is our aim to continue to ensure academic success for all students. The data presented here is used by our teaching staff to facilitate change and improvement of our programs. Our goal in presenting you with this information is to keep every member of the educational community informed. To that end, we hope to keep open lines of communication, and we welcome your comments, suggestions, and questions about our programs. Thank you for being concerned about the success of not only your student(s) but all students at Ridgeview. You play a vital role in the success of our school.

SCHOOL MISSION STATEMENT

Believing that education is an on-going journey, we will work together with families and the community to make a difference in the life of each child. We will value individuals, maintain high expectations, and create a positive environment. We will encourage students to think critically and develop their potential so that they are prepared to meet the challenges of tomorrow with courage, imagination, and conviction, while being positive, contributing and responsible members of society.

A Message from the Superintendent

Dear Yucaipa-Calimesa Community, Parents and Students:

YCJUSD is honored to serve students in two wonderful communities. We, as a team, continue to prepare our students to be successful in the 21st century. We work collaboratively with community partners, businesses and colleges to provide the best possible education for each and every student. The district employs high quality employees, who care for student well-being as well as academics. The school sites have a variety of clubs and programs to suit student interests and all our elementary schools have an after school care program. We strive to provide a wide variety of high quality services and programs in a safe environment.

As you become a partner of the YCJUSD, please take the opportunity to be involved. It is our desire to work hand in hand with parents to support our children. The best way to get involved is to start at the school site. Our principals can help guide you to the many opportunities that exist. No amount of involvement is too small! We also offer classes for parents that will help you and your child in their educational journey. We have the Family Learning Center which offers a host of classes that support parents in learning strategies to work with children in grades K-12. Please take an opportunity to view the website to learn more about the classes.

The role of educating children in our two communities is taken very seriously and we appreciate your trust. My goal, as your Superintendent, is to ensure that high quality instruction is delivered daily, our campuses are secure and well maintained, money is spent wisely, and students graduate from Yucaipa High School prepared to be successful!

This school year is the opportunity to work with you in supporting education of our children. Please do not hesitate to contact your principal or the district office if you have questions about the district or how to become involved.

A. Conditions of Learning

State Priority: Basic
The SARC provides the following information relevant to the State priority: Basic (Priority 1):
- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	29	31		
Without Full Credential	0	1

Misassignments of Teachers of English Learners	0	0	
Total Teacher Misassignments*	0	0	
Vacant Teacher Positions	0	0	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: October 2019

The Yucaipa-Calimesa Joint Unified School District sets a high priority to ensure that sufficient and current textbooks and materials are available to support each school's instructional program. The district went through an evaluation on October 1, 2019, and has sufficient and good quality textbooks, instructional materials, and/or science lab equipment pursuant to the settlement of Williams vs. the State of California. The district determined that there are also sufficient visual and performing arts materials.

All students, including Special Education and English Learner students, have access to adopted instructional materials in core subjects. These materials are for use in the classroom and/or to take home to complete required homework assignments. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks.

Instructional materials in all subjects were approved by the Board of Education. Although the Board-adopted instructional materials in Mathematics are not on the State Board of Education list, the materials were recommended by an adoption committee of staff and community members following extensive research on the alignment of the materials to California State Content Standards and Frameworks, and a pilot of the materials to study their positive impact on the children we serve. The district has not yet adopted instructional materials in History-Social Science in the time since the State Board approved History-Social Science programs in November, 2017. The district is collaborating with community stakeholder groups to determine the most appropriate materials for implementing the state standards and framework in History-Social Science.

Students are provided with weekly trips to the school's fully-staffed and automated library. The library also sponsors an Accelerated Reader program that rewards students for the number of books they read. For additional research materials and Internet availability, students have access to the school computer lab, and are encouraged to visit the Yucaipa Branch Library which contains numerous computer workstations and online connectivity.

The chart below shows the current textbook adoptions at Ridgeview Elementary School.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements (Most Recent Year)

FACILITIES AND MAINTENANCE

Ridgeview Elementary School provides a safe, clean environment for students, staff, and volunteers. The school facilities are well maintained and provide adequate space for students and staff. The school opened in 1990 and encompasses 45,000 square feet on 8.5 acres, and currently includes: a library, multipurpose room, staff lounge, 27 permanent classrooms, five portable classrooms, and three playgrounds. A campus visitor monitoring system was added in 2018 to further improve security conditions.

The following table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

MAINTENANCE AND REPAIR

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. The district uses a work order process to ensure efficient service and that emergency repairs are given the highest priority. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

CLEANING PROCESS AND SCHEDULE

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:
- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

• **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

• The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Mathematics (grades 3-8 and 11)	41	41	39	41	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community are very supportive of the education program at Ridgeview Elementary School. The PTA has made generous contributions of time and money to numerous programs. Ridgeview Elementary School is grateful for the many hours contributed by our parent volunteers. Parents are encouraged to be involved in their child's education through volunteering in the classroom, as well as attending school-wide events such as Back-to-School Night, PTA functions, School Family Nights, Parent Nights, the end of the year party, seasonal music recitals, and other events.

Parents are kept informed of school activities through the school website (res.yucaipaschools.com), Peachjar Flyer program, an online calendar, the school marquee, letters, flyers and the Blackboard Connect automatic phone calling system. Parents are informed of attendance through an automated attendance caller as well as written correspondence. Parents also have the opportunity to volunteer or participate in Ridgeview Elementary School's leadership teams, school committees, and/or school activities (i.e. School Site Council, ELAC, Safety, etc.) may call the school's office at (909) 790-3270. Ridgeview Elementary School also thanks the Kiwanis Club, Rotary Club, the Masons, and other local businesses who have contributed time and money to the school.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

• Pupil suspension rates;
• Pupil expulsion rates; and
• Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Expulsions	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2019-20)

Ridgeview Elementary School is a closed campus. During school hours the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor badge during their stay. While visits by parents and community members are welcomed, anyone wishing to be on campus during school hours should notify the staff ahead of time. During lunch, breaks, and before and after school, yard aides, the principal, and teachers supervise students and monitor the campus.

The Comprehensive School Safety Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safety school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine, and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees to and from school; safe and orderly school environment; and school rules and procedures.

The school evaluates the plan annually and updates it as needed. The plan was last updated in Fall of 2019. Safety procedures, including elements of the School Safety Plan, are reviewed with school staff at the beginning of the school year and after every yearly update.
