Principal's Message

Welcome to Live Oak Elementary School - home of the Golden Eagles! I want to extend our warmest greetings to you and your family. Although Live Oak is a large elementary school, we are a family. Our staff is highly qualified, skilled and committed to working collaboratively to promote high academic success. We have active parent organizations that coordinate activities to bring our families and staff together, in addition to raising funds to support our instructional programs. It is our collective goal to create an enriching learning environment that engages every student, and we are honored to work with students and families from Preschool through 5th Grade.

At Live Oak, we are proud to share that our test scores continue to rise. Our achievement level remains high, with 95% of our students going to college. Our school facilities are beautiful and every classroom is equipped with cutting edge technology. We are committed to preparing all students for a world that not only requires global competency and high academic standards, and we are also committed to meeting the social and emotional needs of our students.

It is an honor to work with the staff, students, families and community.

Mission Statement

The body of Live Oak Elementary School provides a safe, innovative environment for its diverse community. It speaks with a confident voice and has a nurturing heart that is happy and loves learning. It develops a mind that thinks creatively and critically through teaching strategies that challenge all students. This enables the hands to grasp the tools to succeed in an evolving society which provides steady feet to balance academic and social responsibilities.

School Profile:

Live Oak Elementary opened in August 2007, the fourth developer school in the Windemere community in the Dougherty Valley of San Ramon. Live Oak opened with more than 775 students and currently serves 849 TK-5 students as well as three preschool classes, in this, our thirteenth school year.

The facility is well maintained, safe, and presents a comfortable, welcoming atmosphere. There are two main campus areas and a large playground and field, all of which are gated and locked during the school day. Our school also has access to Tiffany Roberts Park for PE and other outdoor activities. We pride ourselves on being at the forefront of technology integration. Students are given many opportunities to work with technology in all classrooms, as well as access to our Eagle's Nest which is a combination makerspace/technology room available to all teachers and students.

In 2010 and 2014, Live Oak was recognized as a California Distinguished School. In 2016, Live Oak was named a California Gold Ribbon school and also received state acknowledgement for being a Title 1 High Achieving school. Live Oak continues to be a high achieving school that embraces a 'growth mindset'. We believe mistakes are a part of learning and an opportunity to grow. Our committed and innovative staff continues to work collaboratively with our families to promote academic excellence in a supportive, safe and respectful environment.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Textbooks are normally adopted on a state curriculum cycle by the district from a list of materials approved by the state of California. SRVUSD adopted English/Language Arts programs for grades K-5 in 2015; for History/Social Science, grades K-12, in 2007; and Mathematics for grades K-12 in 2016.

For grades K-5 science SRVUSD adopted TWIG Science in 2019. Currently SRVUSD is piloting science materials for grades 6-12 with a grades 6-8 adoption planned for 2020 and a grades 9-12 adoption in the subsequent years. Each time textbooks are adopted, professional development is offered on units of study and strategies in using the materials. All textbooks and materials that are adopted and approved are aligned with the state and district standards and benchmarks. Educational computer software and internet resources are utilized at every grade level to support student achievement toward meeting standards. Teachers have frequent professional development opportunities to support instruction throughout the year. The textbook and instructional materials lists can be found on our district website at www.srvusd.net. Go to District>Curriculum Standards>Textbooks and Instructional Materials. The following table displays the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Live Oak Elementary was originally constructed in 2007 and is comprised of 43 classrooms, one multipurpose room/cafeteria, one library, one staff lounge, two science labs, technology lab and two playgrounds. The administrative staff works daily with the custodial staff of three full-time employees and one part-time employee to ensure the maintenance of a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA	86	86	82	81	50	50
Math	85	87	77	78	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Our Live Oak parent and community members place a high value on education. Our parents support our school's efforts to provide an exemplary and technology rich learning environment through donations, active volunteerism, committee leadership, partnerships, and event participation.

Live Oak Elementary is supported by three parent/community organizations. Our Live Oak PTA provides many activities and events throughout the year for families to enjoy while supporting the school, fostering a strong partnership and promoting our community spirit.

Parents serve on the Live Oak School Site Council which oversees and reviews our School Plan for Student Achievement and Comprehensive School Safety Plan. These plans include data, funding, and information related to student achievement, instructional programs, safety, emergency procedures, as well as professional development.

Our Live Oak Education Fund supports many programs that greatly benefit our students' educational experience. Our Ed Fund allocates monetary support for instructional materials, teacher projects, technology, instructional paraprofessionals, vocal and instrumental music teachers, special assemblies and events, as well as programs, such as Soul Shoppe, C.A.R.E., and Sanford Harmony a character building education program.

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Live Oak Elementary at 925-803-3100. You may also visit our school website at http://www.loes.srvusd.k12.ca.us for further information and for individual staff contact information.

Live Oak Principal is Carolyn Dobel - cdobel@srvusd.net

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
• Pupil suspension rates;
• Pupil expulsion rates; and
• Other local measures on the sense of safety.

School Safety Plan
Safety of students and staff is a primary focus at Live Oak Elementary. Our school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Our Comprehensive School Safety Plan is reviewed annually by the School Safety Committee and School Site Council. The last update and review was on October 30, 2019. All revisions are communicated to all staff and parents.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster.

Disaster drills are conducted on a monthly basis throughout the school year. Lockdown drills are held three times a year with students and four times with staff, and emergency drills are held monthly. Each classroom has an emergency pack and disaster plan to follow in case of a crisis.The school maintains a trailer containing emergency supplies for the entire school. All school employees are required by law to report any cases of suspected child abuse or child neglect. Reports are investigated by the Department of Social Services to determine if any follow-up on the report is necessary. Live Oak strictly adheres to district policies which prohibit harassment or discrimination of any kind. Students are supervised before and after school by certificated, classified and administrative staff. Classified and administrative staff supervise students during lunch. Parent volunteers help with supervision during lunch and break periods. There are three designated areas for student drop off and pick up.

Throughout the year, Live Oak Elementary offers our parents opportunities to participate in their child's education (ex. Open House, Back to School Night, School Site Council (SSC), English Language Advisory Committee (ELAC), International Festival, conferences, field trips and other parent meetings). Families are welcome to visit our school while it is in session if arrangements have been made in advance with the teacher and/or administration. To ensure the safety of our students and staff and to prevent undue interruption of instruction or school activities, all visitors to the campus must follow the procedures as outlined in our Family Handbook and district Volunteer Management System, Be a Mentor.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	4.5	4.5

The San Ramon Valley Unified School District (SRVUSD) practices a comprehensive, inclusive model of professional development for all staff. Our high quality professional development program is focused on Common Core State Standards (CCSS) as well as balanced literacy and instructional strategies. In 2012-13, we established district-wide K-12 Task Forces in English language arts, mathematics, and other content areas along with targeted professional development offerings. We hold affiliation status with Columbia University Teachers College Reading and Writing Project. This organization is highly respected and has strong ties to the development and implementation of the CCSS and professional learning offerings.

These learning experiences are supported with on-site coaching provided by a team of instructional coaches who work and train together. The coaches received certification as Common Core trainers through the Leadership and Learning Center. They provide one-to-one coaching, team and grade level coaching, whole school professional development, in addition to targeted cross-grade level, cross-discipline professional development sessions. These trainings connect to every aspect of school practice: relevant and rigorous curriculum, intentional instructional practices, formative assessment for learning, and lesson design.

In addition, every SRVUSD teacher is provided an opportunity to participate in a coach-led cohort to study instructional strategies in a small group setting. These cohorts are both semester-long and year long and are focused on topics that run the gamut from Interactive Lecture to Reading Workshop for Innovators to Problem Solving Strategies. There are dozens of cohorts running simultaneously.

We ensure that new teachers are provided support through the SRVUSD Teacher Induction Project (formerly known as TVTIP). Our summer intensive trainings along with on-going staff development days and release day trainings deeply align with the needs of our individual schools and our Framework for Excellence: Supporting Students and their Learning; Supporting Staff and their Work.
Under the leadership and guidance of site administrators, such communities of practices afford our staff the opportunity to deepen their content knowledge, strengthen their instructional repertoire, improve their assessment strategies, and foster a shared sense of responsibility. As a result, every staff member helps to promote and nurture a community of learners in which the individual is enriched and the district as a whole is enhanced.

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
