School Description

Bella Vista Elementary is the San Ramon Valley Unified School District's 36th school. Bella Vista opened in August of 2016. The school features two 2-story classroom buildings, a comprehensive multi-use building and a large play field equipped for soccer and softball, with a crushed granite track. Bella Vista is situated on a 7.4 acre site and is built to accommodate approximately 830 Transitional Kindergarten through 5th grade students. Bella Vista is home to Academic Talent Program (ATP), Transitional Kindergarten(TK), Special Education and General Education students. The campus is designed with the Transitional Kindergarten/Kindergarten building located in close proximity to child care, upper grade classrooms located on the 2nd floor and an adjoining library and Maker Space. The classrooms are designed with rolling tables and lectern for flexible design, short throw projection systems, whiteboard walls, and standing tables in all lab spaces. Students in grades 1st-5th attend school from 8:20 am -2:45pm. Kindergarten is am only with extended time and TK is pm session. Wednesday is a modified day for all students to provide collaboration and professional development time for staff.

Bella Vista Mission Statement: Bella Vista is an inclusive school community that cares, shares, learns and grows.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic
The SARC provides the following information relevant to the State priority: Basic (Priority 1):
- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Textbooks are normally adopted on a state curriculum cycle by the district from a list of materials approved by the state of California. SRVUSD adopted English/Language Arts programs for grades K-5 in 2015; for History/Social Science, grades K-12, in 2007; and Mathematics for grades K-12 in 2016.

For grades K-5 science SRVUSD adopted TWIG Science in 2019. Currently SRVUSD is piloting science materials for grades 6-12 with a grades 6-8 adoption planned for 2020 and a grades 9-12 adoption in the subsequent years. Each time textbooks are adopted, professional development is offered on units of study and strategies in using the materials. All textbooks and materials that are adopted and approved are aligned with the state and district standards and benchmarks. Educational computer software and internet resources are utilized at every grade level to support student achievement toward meeting standards. Teachers have frequent professional development opportunities to support instruction throughout the year. The textbook and instructional materials lists can be found on our district website at www.srvusd.net. Go to District>Curriculum Standards>Textbooks and Instructional Materials. The following table displays the standards-aligned textbooks and other instructional materials used at the school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	83	79	82	81	50	50
Math	83	81	77	78	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	13.7	33.3	46.1

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parents are encouraged to participate in many ways and are an integral part of our school community. Our parent committees include Site Council, PTA, and Ed Foundation. Parents are always welcome on campus and encouraged to volunteer in classrooms as room parents or field trip chaperones. Parents are also encouraged to participate in our outside events such as movie nights, run club, our carnival and fun run, book fair and other family night out events.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan
Bella Vista has monthly safety drills planned for students and staff where we practice safely evacuating classrooms. We practice fire drills, earthquake drills, and shelter in place drills. Our staff are also assigned to safety teams in the event of a real emergency. These teams include student care, student release, search and rescue, and first aide. As a new school, Bella Vista is also equipped with security cameras and an emergency lock down button that locks our hallways remotely in the event of a threat or intruder near campus.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	4.5	4.5

The San Ramon Valley Unified School District (SRVUSD) practices a comprehensive, inclusive model of professional development for all staff. Our high quality professional development program is focused on Common Core State Standards (CCSS) as well as balanced literacy and instructional strategies. In 2012-13, we established district-wide K-12 Task Forces in English language arts, mathematics, and other content areas along with targeted professional development offerings. We hold affiliation status with Columbia University Teachers College Reading and Writing Project and the Silicon Valley Math Initiative. Both organizations are highly respected and have strong ties to the development and implementation of the CCSS and professional learning offerings.

These learning experiences are supported with on-site coaching provided by a team of instructional coaches who work and train together. The coaches received certification as Common Core trainers through the Leadership and Learning Center. They provide one-to-one coaching, team and grade level coaching, whole school professional development, in addition to targeted cross-grade level, cross-discipline professional development sessions. These trainings connect to every aspect of school practice: relevant and rigorous curriculum, intentional instructional practices, formative assessment for learning, and lesson design.

In addition, every SRVUSD teacher is provided an opportunity to participate in a coach-led cohort to study instructional strategies in a small group setting. These cohorts are both semester-long and yearlong and are focused on topics that run the gamut from Interactive Lecture to Reading Workshop for Innovators to Problem Solving Strategies. There are dozens of cohorts running simultaneously.

We ensure that new teachers are provided support through the SRVUSD Teacher Induction Project (formerly known as BTSA). Our summer intensive trainings along with on-going staff development days and release day trainings deeply align with the needs of our individual schools and our Framework for Excellence: Supporting Students and their Learning; Supporting Staff and their Work.

Under the leadership and guidance of site administrators, such communities of practices afford our staff the opportunity to deepen their content knowledge, strengthen their instructional repertoire, improve their assessment strategies, and foster a shared sense of responsibility. As a result, every staff member helps to promote and nurture a community of learners in which the individual is enriched and the district as a whole is enhanced.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
