Welcome to Sierra Vista Elementary,

We pride ourselves in educating scholars to be independent problem solvers and critical thinkers. Our goal for them is to be successful in the global community and to follow a college/career bound path. Our Team is eager to make a difference for all students.We believe in a student centered approach which provides an atmosphere in which a child's social, emotional and intellectual needs are equally important. Together our team is going to continue to ensure the success of all students by maintaining high expectations with effective teaching strategies and a safe positive learning environment.

On-going monitoring of student progress and achievement helps us refine instructional practices and use effective teaching strategies with the goal of meeting or exceeding State growth targets as well as Federal goals. The program offerings at Sierra Vista Elementary continue to expand to promote learning and include:

- AVID Schoolwide strategies
- Gifted and Talented Education
- Dual Immersion concentrated on English and Spanish Biliteracy
- English Language Development
- Intensive Intervention Programs for Language Arts and Math
- Arvin Advantage Extended Learning Program
- Weekend and Afterschool Educational Support through Migrant Education
- Extended Learning Programs
- Parent Education Classes/Workshops
- Attendance Education and Promotion of Excellent attendance

Our students are our valuable resource. School spirit and providing a warm, positive and engaging culture of involvement and teamwork are integral components of our vision and are evidenced by our school activities and recognition of our students and staff. Sierra Vista Elementary is strategically focusing on student progress and growth. Clarity and accountability lead to evidence of outcomes of student success. Sierra Vista is proud of the progress our students are continuously making. Sierra Vista teachers, staff and parents work collaboratively with a commitment to support student achievement with skills necessary to compete in the 21st century. We are all aiming to instill a love for learning in preparation to become life long learners while building positive relationships.

We, the staff of Sierra Vista Elementary, dedicate ourselves to support the shifting needs of our Sierra Vista students in a caring school environment while maintaining the highest degree of professionalism and integrity.

We are encouraging our Sierra Vista Parents to take on an active role in our Parent Teacher Association (PTA), School Site Council (SSC) and English Language Advisory Committee (ELAC) and additional parent events.

Communicating and WorkingTogether, our Sierra Vista family will actively meet our mission:

"Every child learning, every day, no matter what it takes!"

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):
- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Arvin Union School District held a Public Hearing on September 10, 2019 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Language Learners (ELL), are given their own individual standards-aligned textbooks in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available.

Arvin Union School District staff members are actively involved in the selection process of materials and textbooks. The selection process involves teachers, administrators, district support personnel, and parents. The district follows the State of California's Textbook Adoption Cycle. 100% of students had appropriate textbooks as evidenced by the most recent August 2019 Williams Review.

School Facility Conditions and Planned Improvements (Most Recent Year)

Sierra Vista Elementary School consists of 34 classrooms, three computer labs, a multipurpose room/cafeteria, a staff room, two playgrounds, a new administrative office, library and Parent Center. The facility strongly supports teaching and learning through its ample classroom and playground space. Modernization construction provided 12 new modular classrooms in 2017-2018 and continued modernization will renew the Sierra Vista campus classrooms over the next 5 years.

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available upon request from the district MOT office. Site administration works closely with Lead Maintenance person and custodial staff to implement cleaning schedules to ensure a clean and safe school.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. An online work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Modernization construction is evident at Sierra Vista Elementary with Solar Panels to support electrical cost and provide shade in playgrounds.

As an older campus, Sierra Vista continues to receive regular maintenance and repairs to ensure studetns, staff, and parents enter grounds and classrooms in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

*   **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

*   The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	20	21	23	21	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

*   Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
The staff at Sierra Vista is aware of the positive correlation between parent and community involvement and the success of students. We welcome and encourage all Sierra Vista Elementary parents to visit our Parent Center staffed by the site's Student Success Facilitator and to be actively engaged in parenting classes to academically support all students at Sierra Vista Elementary. Parents and community members are encouraged to join teachers and administrators in the activities, programs, and organizations that support our students. Formal committees include School Site Council (SSC) and the English Language Advisory Council (ELAC). Our site also has a Parent Teacher Association (PTA). Parents are invited to contact their child's teacher in order to volunteer in classrooms. They are also invited to attend student conferences or events and to participate in Parent Workshops and Coffee with the Principal.

Parents or community members who wish to participate on leadership teams, school committees, take part in school activities, or become a volunteer are encouraged to make contact through the Sierra Vista office. Our contact phone number is 661-854-6561. Please ask to speak with Rosemarie Borquez, Principal.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
• Pupil suspension rates;
• Pupil expulsion rates; and
• Other local measures on the sense of safety.

School Safety Plan
Sierra Vista Elementary School's Comprehensive School Site Safety Plan was last revised by school administrators, staff representatives, parents, and school board approved on February 19, 2019. This plan is put in action to ensure the protection of students and staff, the protection of school and school property, and to establish a climate that is conducive to learning. All staff members and parents have access to the plan and annually review the school site safety policies. Key elements of the safety plan include: developing consistency in behavior expectations, site safety and maintenance, and training in disaster response.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire drills are held once a month while earthquake drills are held quarterly. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available.

Students are supervised throughout the day by certificated and classified employees. There is a designated area for student drop-off and pick-up in front of the school, the pre-school/kindergarten gate, 5th/6th grade south west gate and back office gates. All visitors register at the office and receive identification badges utilizing the Raptor system.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	5	4

Sierra Vista pursues creating a learning community in which team members are building positive relationships and sharing best teaching practices in a cross lateral manner. Professional development subjects are determined by needs of the site gathered from data recorded during classroom walk-throughs, learning rounds and leadership meetings. Student Collaboration Strategies, Inquiry Strategies, Close reading Strategies, Student engagement strategies, writing structures, and English Language Development have been the focus to increase student higher order thinking. Our leadership team has provided staff development at the site to enhance the teachers' capability to use these strategies. Staff members build teaching skills and concepts by participating in various conferences and workshops as needed throughout the year. The site Academic Coach and district Teachers on Special Assignment with Administration support also provide staff development workshops throughout the year on topics that are relevant to staff, as well as in-class modeling and coaching.

The district typically offers four staff development days annually where teachers are offered a variety of professional growth opportunities in curriculum, teaching strategies, methodologies, safety, and required policy reviews. Topics are selected based on student population needs (EL and SWD specifically), data reviews of local and Dashboard data focused on patterns and trends, instructional materials adoptions, and preventative safety measures/restorative practices.

2017-2018 Professional Development: Integrating writing with Thinking Maps using Write from the Beginning and Beyond, Signs of Suicide, mandatory policies, and restorative practices.

2018-2019 Professional Development: ALICE active shooter training, Trauma Informed Care, and History Social Studies training for the new adoption and Professional Learning Community work for departments and grade levels focused on ELD, Internet Safety, mandatory policies, Read 180 for specific teachers, and data review at sites

2019-2020 Professional Development: Equity in Education with Patrick Briggs from AVID, Science adoption overviews for science teachers and Integrated ELD for single subject non-science teachers, ilove you guys foundation safety training for disaster management, mandatory policies, Internet safety, Read 180 for specific teachers on use of materials, and data review at sites

Each of the last 2 years has included I-Ready training for administrators. Additional days of training for the last 3 years included a Dual Immersion planning day and 2 days of training for new teachers focused on classroom management and instructional strategies. A day was dedicated in 2019-2020 to Special Education staff led by the Special Services District Director. Site-based professional development topics have included: data analysis of i-Ready, CAASPP and CELDT, expectations for Professional Learning Communities, Positive Behavior Intervention Support (PBIS), and AVID strategies. Several teachers attended the AVID summer institute to be able to integrate writing, inquiry, collaboration, organization, and reading into teaching/lessons for all content areas.

Teachers are also expected to be knowledgeable with the educational computer programs to facilitate student learning through a different avenue. Students, parents, and teachers will be able to utilize Office 365 for many purposes.

Professional growth and participation in Professional Learning Communities is an ongoing focus as well as leading from the middle with support from InnovateEd. Increase in capacity leads to increase in student achievement. Team members work as a Leadership professional learning community to implement strategies and work toward attainment of the School Implementation Plan. Innovate Ed and Thoughtful Classroom focus areas guide site administration and leadership discussions and are focused on promoting and building strong instruction and leadership skills.

Professional development occurs internally, such as peer to peer, by the site coach and/or administration, or by the district support personnel; external sources such as consultants, company trainers, etc. Professional development is provided during the day (subs are provided for teachers), after school and during the summer (AVID). Staff development has been scheduled after school as well as during the school day once a month to include instructional assistants. BTSA mentors and a dedicated TOSA are provided to new teachers assigned to school sites.

Types of Services Funded

The picture of funding within the Arvin Union School District stabilized with the ongoing implementation of Local Control Funding Formula (LCFF) funds. Supplemental and concentration funds, above and beyond base funding, provided monies for the district and sites to focus on expanding and improving instructional programs to support academic achievement, improving student attendance, training staff to support building respectful and positive relationships, expanding intervention programs and wrap-around services, and facilities improvement for the most needy school sites. Funds specifically targeted to the school site included action steps for extended learning sessions, library books, intervention teachers and intervention computer programs, student success facilitators, elementary PE teachers, nurses, social workers, district teachers on special assignment for teacher support, field trips to expand the horizons of our students, and professional development. These funds are in addition to federal funds including Title 1 funds with set-asides for Extended Learning and Parent Involvement. Extended learning Funds are allocated to each site and students are selected based by application and need. These funds also support winter and summer sessions. Parent Involvement funds allow us to continually build our outreach and training services for parents. District and site based intervention programs and staff are also funded out of Title I. Title II supports one additional teacher for class size reduction and Title III provides an aide specifically for our campus as well as support staff and Professional Development for teachers and instructional assistants. Special Education funds, supported with general funds, provide programs and transportation for students with special needs at our site including teachers and instructional assistants for Special Day Class, Resource Specialist Program and Speech services. After-School grant funds allow us to serve a large number of students in our daily Arvin Advantage Extended Learning Program. State preschool funds provide both AM and PM classes at our site to support student readiness for school.

Each of these programs provides targeted or general services to students with all intents to ensure equity for all student groups.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
